## Garden club's Table Tops fundraiser tops indeed

The Saugatuck-Douglas Garden Club's first Table Tops Gala Aug. 20 and 21 at Saugatuck Yacht Club proved "tops" indeed.

"It was our club's largest fundraiser ever," said events chair Sara Cullen. "We sold out

and raised close to \$5,000.

All will go to the SDGC scholarship fund, which provides two local high school students with funds for college.

Tables were "dressed to the nines" said Cullen, with antique dishes, flower centerpieces, cut

crystal and flatware.

Two designers crafted their own tables for the event. One brought in a live tree, another had individual paintings done for small easels at each place setting.

Participating designers includ-

ed Steve Teiche of The Teiche Group; John Newland of Roan and Black; Mary Collins of Douglas Home Furnishings; Gwen DeBruyn of Bayberry Cottage; Sara Cullen; Kim Zolper; Alyce Greason of Interiors on 8th; Jane Harrison

and Margo Bultman of Harbour Bay Furniture; Jodie Berault of J. Berault Interior Design; and Shelly Engel of Engel-Nietering Designs.

"We are grateful for the work they did and how the event came out," Cullen said.
