

BENEFICIAL INSECT SHIPPING DEADLINES

We strive to deliver our bio control agents as fresh as possible. The table below shows the latest we can receive orders and guarantee delivery according to the specific beneficial. Please send us your orders as they come in regardless of the day. We may be able to find solutions to orders that will arrive after their cutoff time.

Orders placed on or before the deadlines will be processed and the delivery is guaranteed to arrive the following week. We will do our best to deliver orders placed later than the cutoff time but cannot guarantee shipping dates.
