RINGS

PRINT INSTRUCTIONS

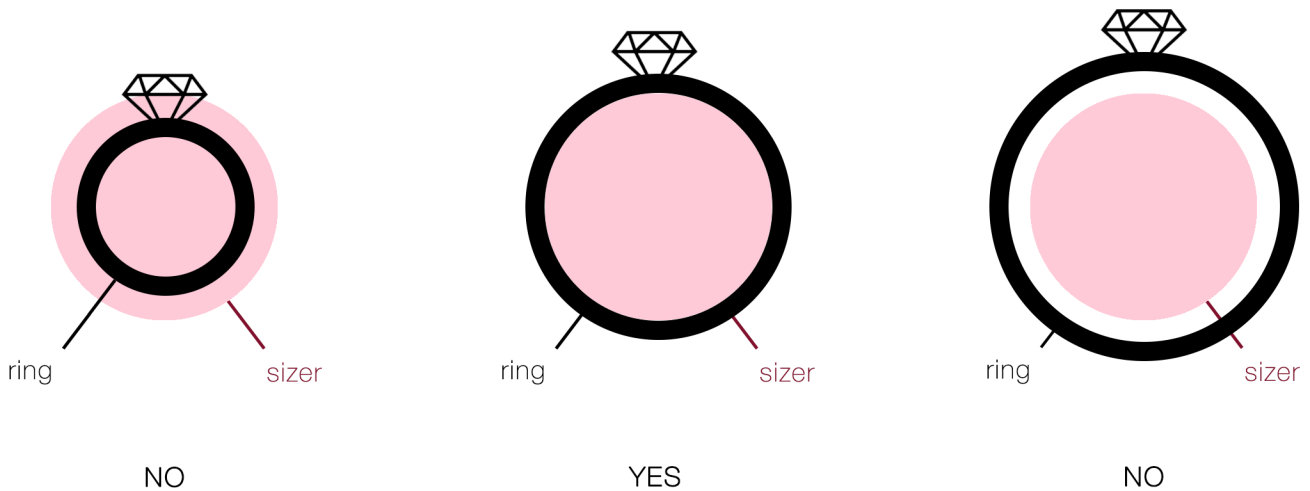

Make sure to scale your print setting to: none or 100%. This will insure the sizes below are being printed most accurately and true to size. This file must be printed on standard letter sized paper (8.5 x 11 inches). To verify that it has been printed properly, use a ruler to measure the sample below - it should measure 2cm.

SIZING INSTRUCTIONS

Use a ring you already have that fits similar to how you want your Privé to fit, and place it over the best matching circle on the ring chart. If your ring is in between sizes, we recommended sizing up.

The inner edge of the ring
is aligned with the outer edge
of the circle
