

## OPERATION UNDERGROUND RAILROAD

Thank you so much for your support!

My name is Adele Ohler, Director of Development with Operation Underground Railroad. First, thank you for your generous financial support to O.U.R these past eight months! O.U.R is grateful for the support of Hope Outfitters and here is why!

O.U.R exists to rescue children from sex trafficking and sexual exploitation and seeks to shine a light worldwide on the global epidemic of child sex trafficking and exploitation. In doing so O.U.R can support the rescue of more children from slavery and assist law enforcement to seek justice for those who violate children. While our focus remains on children, we assist survivors of all ages to bring them safety and healing.

Using the most current and effective anti-trafficking methods and investigative strategies, O.U.R trains local law enforcement agencies to increase their capacity to identify and rescue victims and prosecute traffickers. In addition, O.U.R offers holistic, long-term, aftercare and recovery services for survivors by supporting and providing resources for vetted, in-country aftercare facilities.

Operation Underground Railroad would not be able to operate and accomplish our goals without generous support from donors. Thank you, Hope Outfitters!

Sincerely,

Adele Ohler
