HONEST, FUNNY & THOUGHTFUL GREETING CARDS

STRIPED HAT STUDIO

Striped Hat Studio is a creative stationery brand with a mission to help you say what you want to say, when you just don't know how to say it. We hope our honest, funny and thoughtful cards can sprinkle a smile and a little magic into your day!

Hi, I'm Shannon and I created Striped Hat Studio's greeting card line in 2015 after going through treatment for breast cancer. Finding an immense amount of joy in receiving cards during chemo, and knowing how incredibly hard it can be to know what to say, we quickly realized there was a need for more funny and empathetic cards for the hard times in life. Our first cards about cancer were a hit and our brand began to grow and expand.

Our cards are in storefronts across the US and have been featured on BuzzFeed, Huffington Post, Refinery 29, Essence & others. We are a woman-owned company and all of our designing, printing, packaging, and shipping takes place by us from our home studio in North Carolina.
