

Introducing the new Immergas 6 year warranty

At RVR, we take pride in the quality and durability of our products, and we know that reliability and peace of mind is important to our customers. We're pleased to announce that all Immergas domestic boilers now eligible for the new Extended Warranty at no extra cost.

Availing of the warranty is easy:

- Have your boiler installed by an RVR Approved Installer
- Ensure that the warranty Kit (filter and corrosion inhibitor) is installed
- Have your installer register your installation online within 90 days of purchase

The Extended Warranty covers all parts and your single point of contact is with your installer.

Call us today on 064 6689522 or visit www.rvr.ie for more information.
