NEW EDITION

THE WEAVER (By Ken Medema/Buryl Red)

The **Weaver** is a cantata and concert work which presents the age-old gospel story in a fresh way. The cantata is in a classic style, with folk-like qualities and melodies. God is pictured as a weaver, Who, in the beginning, sews the tapestry of the universe together. With the entrance of sin into the world, human beings take the thread and break it, making their own designs which bring about an estrangement from God. The coming of Christ gives all a chance to reconnect the threads of the tapestry. Performance suggestions are included with options to simplify the work if desired, making it accessible to a wide variety of church choirs, in addition to collegiate, community, and professional choirs. 40 minutes.

16-MINUTE HOLY WEEK SUITE

SONGS OF THE PASSION

(By Ruth Elaine Schram)

Songs of the Passion is an inspiring 4-movement Holy Week suite. It can be presented in its entirety, or as individual movements throughout Holy Week. The work opens with a short meditative introduction quoting the spiritual, *Were You There*, then moves into a jubilant Palm Sunday piece: *Hosanna! Christ Is King!* and is followed by the reflective and poignantly beautiful, *How Great the Love of Jesus*. The spiritual theme returns, along with original musical content in the third movement, "They Crucified My Lord." The suite ends with a lovely arrangement of the traditional, *When I Survey the Wondrous Cross* with optional congregational involvement. Narration for two readers occurs between each of the four movements. There is an optional chamber orchestration available for flute, oboe, string quintet, handbells and percussion.
