Single Phase
Kiln Range

For more kiln details visit:
www.kilns.com.au

Every Kiln in the Hobby Fire Range features:

- User friendly plain English instructions with step by step photos including recommended firing profiles
- Everything you need including a set of shelves and props to suit the Kiln
- Easy to use, set and forget Automatic Kiln controller with built in safety cut out.
- Our 'Watch Dog' backup circuit to prevent over firing and a safety door switch
- High Efficiency Fibre Board Insulation - Up to 60% cheaper to run than brick lining
- Variable Pitch Elements for an even chamber
- 10 year Warranty on Aluminium Frame/Case
- Easily serviceable parts and accessories

Benefits

- All Kilns can be used for variety of firing types including:
 - i. Pottery or Ceramics
 - ii. Glass Fusing or Slumping
 - iii. Glass Beads or Jewellery
 - iv. Enamelling or Heat Treatment
 - v. Precious Metal Clay or Wax Burn Outor almost any other type of firing you can imagine.
- Has a delay start function to allow you to fire when electricity prices are more economical.

Easy to use Automatic Control

- Each Kiln's price includes Orton's AF+ Automatic Multi-stage Controller with 9 Profile / Program memories and heavy duty thermocouple.

Simply Enter:

- i. How fast do you want to go? Ramp (DegC/hr)
 - ii. What Temperature do you want to reach? Temperature (Deg C)
 - iii. Do you want to hold (soak) at that temp? Optional (Hr:Min)
- You can program anywhere from 1 to 8 stages
 - Ramps can also be down, so you can control cooling for things like glass or crystal glazes

Power Connection & Running Costs

All Hobby Fire Kilns connect to domestic type single phase power using similar sized connections to your kitchen oven or electric hot water. We have also provided examples of how much each Kiln costs to fire so you can see how economical it is to run a Kiln from home.

Testimonials:

"My first kiln firing went great and the recommended programs are working well. The kiln manual is very user friendly and is written in simple terms if a person has not used a kiln before. Great doing business with you."
Jan.O Darling Heights Qld

"Thank you for a very easy transaction/delivery process and a great product"
