

LIFESTYLE FASHION FINDS FOR WOMEN GIFT GUIDES

2021'S SPRING PURSES, SUNGLASSES, & OTHER MUST-HAVE ACCESSORIES

By Daily Mom - March 14, 2021

It's time to get outside! After a year of hunkering down through COVID, and staying home during the winter, it's time to get back outside and enjoy the sunshine. From picnics in the park to strolling the city sidewalks, it's also time to give up the sweatpants and messy bun, and put a little focus into the wardrobe. That's why it's time to stock up your closet with some of this season's best spring purses, sunglasses, and other must-have accessories.

TRU47

In a world of masks and viruses, cleanliness and fashion should go hand in hand, especially during Spring Break. [Tru47](#) is designed to protect you from bacteria and fungal growth commonly found in most cloth masks that aren't washed regularly. Silver is scientifically proven to be antimicrobial, antibacterial, and antifungal. ***With the unique mesh design, these masks are breathable while still being denser than most mesh masks.***

Our kids are going to love being out over Spring Break! Tru47 has designed [Kids Silver Mesh Masks](#) to protect our kids day in and day out as long as their little feet can keep up. They're so breathable, comfortable, and made from 99% pure ionically plated pure silver double-layered mesh, they won't be bothered one bit. Since silver is scientifically proven to be antimicrobial, antibacterial, and antifungal, these masks are comfortable to wear while fighting bacteria upon contact.
