

Clamp & Swivel Squeegees

#1060

#1061

Product Usage

Specially designed clamp and swivel neck squeegees allow for easy and fast blade refilling. The swivel design is great for rounding tight corners.

#1060 18" Clamp Squeegee

- Easy change blade; no screws save time
- Accepts both 12" (#1018) and 18" (#1062) refill blades
- High quality stainless steel and rubber
- Effortless and error free lightweight operation, resulting in a streak-free surface
- Friction fits into any tapered or telescopic handle

Handle Grip Length (a)	3.25"	Handle Width (b)	1.25"
Blade Width	18"	Blade Height	.875"

#1061 18" Swivel Squeegee

- Specially designed to clean difficult windows with tight rounded corners
- Useful when forced to remain in a fixed position, not able to move
- Has threaded connection and friction fits any telescopic handle
- Accepts both 12" (#1018) and 18" (#1062) refill blades

Handle Grip Length (a)	5"	Handle Width (b)	1.25"
Blade Width	18"	Blade Height	.875"

Technical Features

- Recycled stainless steel implement
- Vulcanized, natural, 18" rubber blade, no-slip grip
- Strong polypropylene swivel handle on #1061
- Quality of the mix guarantees ideal elasticity, resilience, hardness, coloring surface smoothness, resistance to chemicals and atmospheric agents

Commercial End Use

MRO, Plant & Warehouse; Janitorial & BSC; Office Products; Construction, Landscaping, & Agriculture; Government & Military; Food Service; Hospitality; Health Care & Assisted Care; Housekeeping & Maid Service; Education
