JOOVV

Mini & Solo Boot 3.0

Quickstart Guide

Install Device

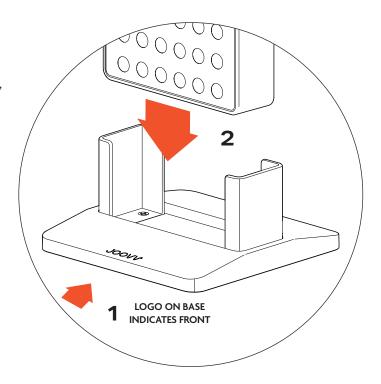

Step 1

Place the Boot accessory on a flat surface and identify the front of the Boot by finding the Joovv Logo mark.

Step 2

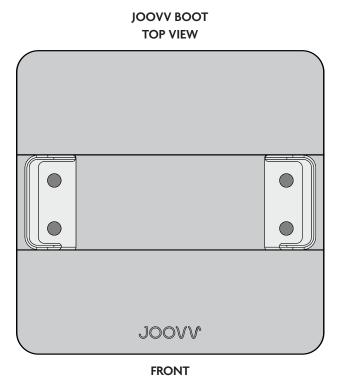

Using both hands, slide your device down into the Boot. Note, the device LEDs should be facing forward toward the front of the device as shown.

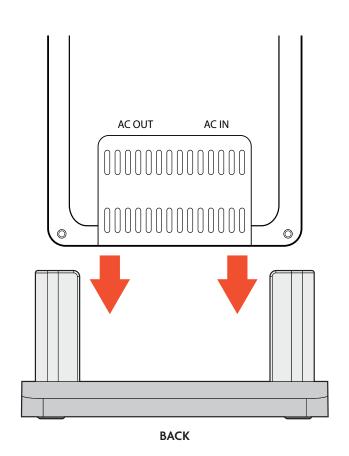

Congratulations! You're now ready to begin Joovvin'! Refer to your Joovv device User Manual for operating instructions.

When moving your device and Boot accessory, the device should first be removed from the Boot. Note, the Joovv Boot accessory is designed only to be used on a flat level surface.

Revision History		
Date	Revision #	Description of Changes
January 2021	JV-MKT-DOC-3746 (Ver.0)	Ver.0 Release to market
October 2022	JV-MKT-DOC-3746 (Ver.1)	Updated contact information

Warranty

All Joovv mounting accessories are covered by a 2-year limited warranty. Please visit our website at https://joovv.com/pages/joovv-limited-warranty for details of the limited warranty. To register your product, visit https://joovv.com/pages/joovv-limited-warranty for instructions. Failure to register will not affect your limited warranty rights.

Return Policy

All mounting accessories come with a 14-day return period (60-day return period when purchased as part of a device kit). If you're not satisfied with your purchase within the first 14 days, please visit our website at https://joovv.com/pages/returns for additional details.
