How Does It Work?

Joovv's Patented Modular Design

Mini

"Modular" means that Joovv devices can be combined to form larger light therapy systems. The main components (or modules) of this patented design are the Joovv Mini and the Joovv Solo.

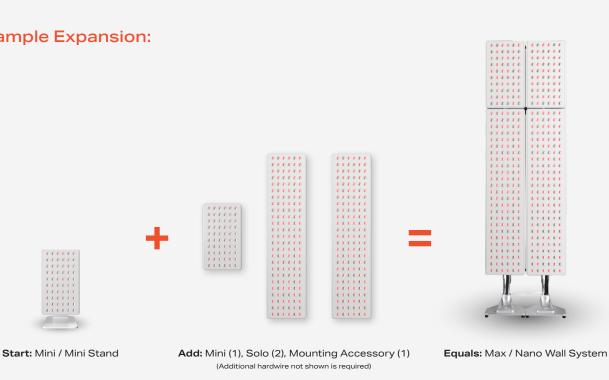

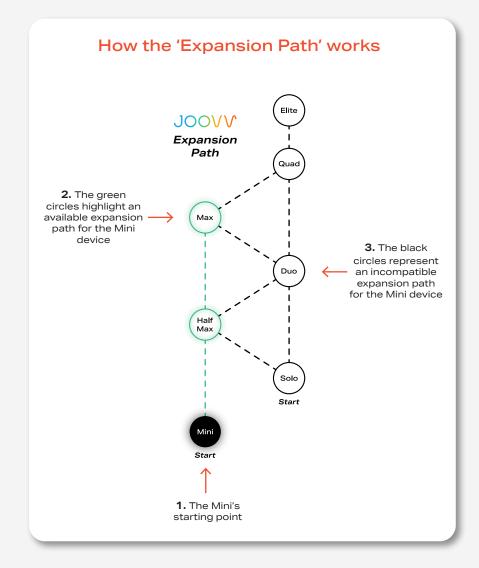

How Does It Work?

Expand Your Joovv Kit

Joovv's modular design makes it easy to build a larger, more effective light therapy device over time. Aside from the handheld Joovv Go 2.0, any Joovv device can be upgraded to form a bigger system.

Expand Today!

Get started and expand your Joovv with 3 quick and easy steps!

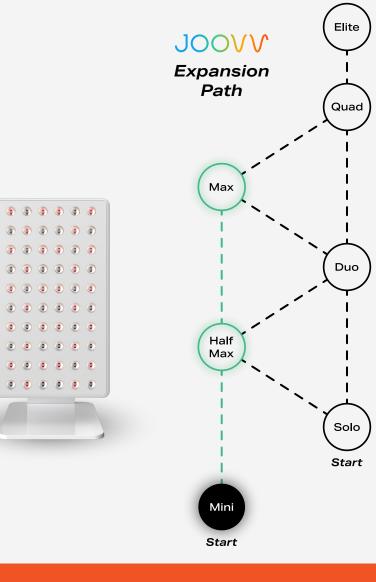

Joovv Mini 3.0

The Mini is expandable to both the Half-Max and Max kits to provide moderate to full body coverage.

Available Expansion Paths	Accessory Option (Choose 1)	New Coverage Size	Price Starting At
Joovv Half-Max Kit	Door, Wall	50.75" x 8.75" (Moderate Coverage)	\$1,700-\$2,000*
Joovv Max Kit	Door, Wall, Mobile Stand	50.75" x 17.5" (Full Coverage)	\$4,490-\$5,100*

*Pricing based on a Joovv Mini 3.0 and will vary based on your specific setup and required accessories and/or hardware, ask your Joovv specialist for a quote!

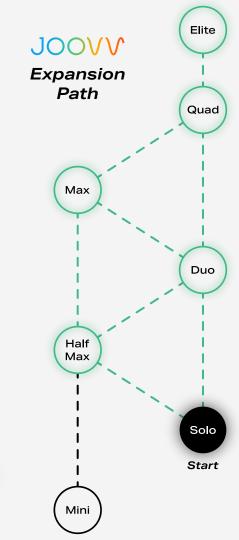

Joovv Solo 3.0

The Solo is the most popular starting point as it provides the ability to expand into any larger size available. The Solo can also always be used by itself with the Boot Floor Stand.

Available Expansion Paths	Accessory Option (Choose 1)	New Coverage Size	Price Starting At

Joovv Duo 3.0

Standing two Joovv Solos high, the Duo shares the same height as the Quad and Elite but with the narrow profile of the Solo. This is a great option for beginning to treat head to toe.

Available Expansion Paths	Accessory Option (Choose 1)	New Coverage Size	Price Starting At
Joovv Max Kit	Door, Wall, Mobile Stand	50.75" x 17.5" (Full Coverage)	\$2,110-\$2,525*
Joovv Quad Kit	Door, Wall, Mobile Stand	72" x 17.5" (Full Coverage)	\$3,360-\$3,865*
Joovv Elite Kit	Wall, Mobile Stand	72" x 26.25" (Full Coverage)	\$6,705-\$6,990*

*Pricing based on a Joovv Duo 3.0 and will vary based on your specific setup and required accessories and/or hardware, ask your Joovv specialist for a quote!

The Duo may also be assembled side by side to form the Horizontal Duo with an additional mounting system. Ask your specialist for more information.

Joovv Max 3.0

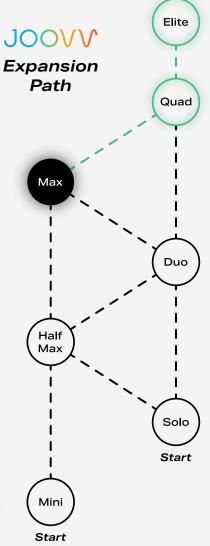

The Max is comprised of two Solos and two Minis and is the last size-evolution of the Mini device. Users who expand to the Quad or Elite can utilize their Minis for smaller treatments.

Available Expansion Paths	Accessory Option (Choose 1)	New Coverage Size	Price Starting At
Joovv Quad Kit	Door, Wall, Mobile Stand	72" x 17.5" (Full Coverage)	\$2,990*
Joovv Elite Kit	Wall, Mobile Stand	72" x 26.25" (Full Coverage)	\$6,220-\$6,300*

*Pricing based on a Joovv Max 3.0 and will vary based on your specific setup and required accessories and/or hardware, ask your Joovv specialist for a quote!

Frequently Asked Questions

Are Gen 2.0 and Gen 3.0 devices compatible?

Generation 2.0 and 3.0 devices are not compatible, therefore cannot be supported or combined as an expandable configuration.

Which Joovv system expansion is best for me?

We designed the modular system so everyone can experience full-body light therapy. Having a Joovv system that better matches your body type can help you experience improved results in less time.

Can I still expand my Generation 2.0 device?

Generation 2.0 devices are no longer in production and are discontinued from expansions.

How is the expansion pricing configured?

When expanding your configuration you will be purchasing the required device(s) and additional hardware in order to properly and safely set up your device kit.

What is the return policy for expansions?

Expansion devices and hardware have the same return requirements as standard kits. Here is a link to our standard <u>return policy</u>.

How can I compare Generation 3.0 devices?

Here is a link to compare our <u>Generation 3.0 devices</u>.

How do I complete an expansion?

Once you choose your desired expansion and submit an <u>Expansion Form</u>, an update specialist will review your order history to ensure you have selected an eligible kit and provide you with a custom invoice for purchase.

Can I purchase another configuration and expand my device on my own?

All expansions must be configured through our expansion form and expansion specialist, as the necessary components and hardware are not included in a standard purchase. See our <u>Joovy Device Policy</u> for more information

When will my expansion order ship?
