

## Patent Notice

Joovv's products are protected by one or more patents in the United States and internationally. This website page is provided to satisfy the virtual patent marking provisions of various jurisdictions including the virtual patent marking provisions of the America Invents Act and provide notice under 35 U.S.C. §287(a). The following list of products and patents may not be all inclusive. Additional Joovv patents and products may exist, and additional patent applications may be pending the U.S. and internationally. Joovv's patented products may be sold individually or as part of a combination system or product. For any optional, additional or accessory features or products, also see the base product for additional associated patent numbers beyond those listed for that accessory or feature. The following list of products may be covered by one or more of the following U.S. Patents:
