

SWEET WATER DECOR

SPRING 2024

BRINGING *light* INTO YOUR *life* AND *home*

ILLUMINATE, ELEVATE, INSPIRE

Inspired by those special moments that make life feel full, we create candles and home decor to bring light into peoples' everyday lives. We're here to help you feel grounded and connected to those moments through cozy, comfortable spaces and fragrances you'll want to revisit time and time again.

FROM CANDLE ONE TO ONE MILLION

A home for elevated essentials that make every day a little more special, Sweet Water Decor was created in 2014 by Pittsburgh-native candle and coffee enthusiast, Melissa Horvath.

What started as a business built out of Melissa's basement is now defined by milestones we're so grateful to have achieved. Our always-growing team of 35+ is committed to quality, collaboration, and care. In 2018, we were named one of Amazon's Woman Owned Businesses to watch, and in 2022, we sold our two millionth (yes, millionth!) candle.

As we grow, we continue to find—and create—light in every moment. We're so grateful to have you with us.

WHY *you* SHOULD *shop* WITH *us*

QUALITY IS KIND OF OUR THING

As a small business, we have the luxury of being hands on with every decision, no matter how small.

MADE IN THE USA

Each of our candles and reed diffusers are blended and poured by our team in Pittsburgh, PA. Our team designs and tests every item to ensure quality.

SAFE & CLEAN

Our clean-burning 100% US-grown soy wax blend is free from gluten, lead and phthalates.

SUSTAINABLE

Whether it's our reusable coffee mugs or refillable pen sets, we create products made to last.

CRAFTED WITH CARE

From unique fragrances to giftable vessel options, no detail goes overlooked.

Our *Go For It* and *You Got This* devotionals are my way of creating that everyday encouragement for you.”
