

SCHOOLHOUSE

Milo Sectional

**Dimensions:**

28" H x 94" D x 120" W

Seat Height: 16"

Seat Depth: 23"

Arm Height: 24"

Materials:

Velvet: 100% Cotton, Martindale: 100,000

Wool: 80% Wool/20% Polyamide, Martindale: 80,000

Corduroy: 100% Cotton, Martindale: 40,000

Frame:

Made of kiln-dried hardwood in California. Constructed of interlocking mortise and tenon joints for strength and stability.

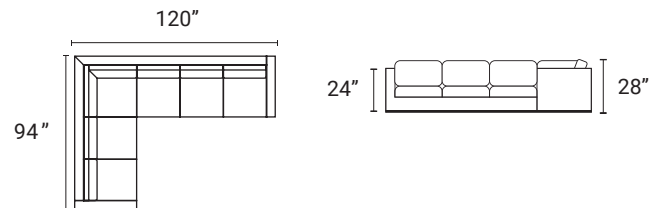

Cushions:

Seat cushions use 2.0 ILD high-resiliency foam for a medium soft sit. This foam will soften over time, but will maintain its buoyancy even after years of heavy use.

Back cushions are constructed using a hypoallergenic Trillium fiber fill for extra softness. Trillium fiber is preferred for its ability to mimic the feel of natural down, but without the eventual collapse escaping feathers.

Product Care:

Clean with water-free cleaning solvent only. Do not use water. Professional upholstery cleaning recommended. Dry soft cloth for wood components.
