A Worthy Cause

National Breast Cancer Awareness Month opens our eyes to products that benefit a cause. These accoutrements will help make teatime special while supporting not only breast cancer awareness, but other important causes as well.

◀ A Joint Effort

Proceeds from the sale of this full-bodied Kenyan black tea, which is grown by small-scale farmers and packaged by women in Kisii, go to support school fees for the orphans of Western Kenya. (\$9 for 16 tea bags; ajiritea.org or 610-982-5075)

Spirited Blends ▼

Tea blends such as Moroccan Sunset and Peace, Love & Happy-Tea—an “Artesan” spice rub of green tea, rosemary, and infused salt—are just a few of the products Indie Tea has to offer. Each month 5% of the proceeds are donated to a different charity, with September’s proceeds going to The Salvation Army and October’s to Susan G. Komen for the Cure. (\$13.99 for teas, \$12.99 for spice rub; indietea.com or 702-279-2310)

◀ Tea for Tots

The Republic of Tea donates \$1 from the sale of each tin of herbal Cherry Apple Tea to Room to Read, a charity that builds schools and libraries to educate children worldwide, and of Decaf Strawberry Cherry tea to Sunny Hills Services, an organization serving at-risk youth and their families. (\$10.50 per tin; republicoftea.com or 800-298-4832)

Polished Pink ▲

Protect the tea table from damaging heat and moisture with these unique natural agate coasters, hand-polished in Brazil. A quarter of the proceeds from these Pedra coasters are donated to Susan G. Komen for the Cure. (\$68 for set of 4; rablabs.com)

Florals & Foliage ▲

Just One Miracle watercolor note cards are perfect for party favors, hostess gifts, or simply inviting friends to tea. All profits go to benefit Ovarian Cancer Research Fund of New York. (\$12 for set of 10; justonemiracle.com or 508-636-2277)
