## INSPIRATION

A still life arrangement on a dark wooden table. In the center is a silver champagne bucket filled with ice and a bottle of champagne. The bucket is surrounded by a lush bouquet of flowers, including peach and yellow roses, white daisies, and yellow pom-pom flowers. To the right of the bucket is a silver corkscrew set on a stand, a silver champagne bottle, and three champagne glasses. The background features a white wall with a gold-framed mirror.
