Proof of a valid business related to photography, event planning and styling, or birthing is required in order to qualify for the trade discount. This may be provided in the form of a business website, business license, or social media account (in some cases). Promptly Journals reserves the right to decline access to the trade discount for any reason.

### **RESELLING**

The Promptly Journals trade discount is not intended to be used for wholesale purposes. Please note that purchases made with the trade discount do not permit the buyer from reselling Promptly Journals, whether online or in brick and mortar retailers. To open a wholesale account, please visit the [Wholesale](#) section on our website.

## **SOCIAL SHARING**

In exchange for the discount received, Promptly Journals requires those that participate in the Trade Discount Program to share the journal with their followers in the form of at least one social media post. Please tag us with @promptlyjournals when sharing. Trade Discount Program may or may not be mentioned in the post.

## **MINIMUM ORDER QUANTITY**

All trade discount orders must contain at least 8 journals. Orders may be made in any increment of four journals that is equal to or greater than 8 (i.e. 8 journals, 12 journals, 16 journals, etc.). We do not require that you order in case packs, and you may mix and match journals to create your perfect order!

## **RETURN POLICY**

Promptly Journals guarantees all products against defects. If you receive a product you believe to be damaged or defective, please contact [product@promptlyjournals.com](mailto:product@promptlyjournals.com) for replacement instructions. All trade discount orders are considered final sale.
