

BALL CADDY ASSEMBLY INSTRUCTIONS

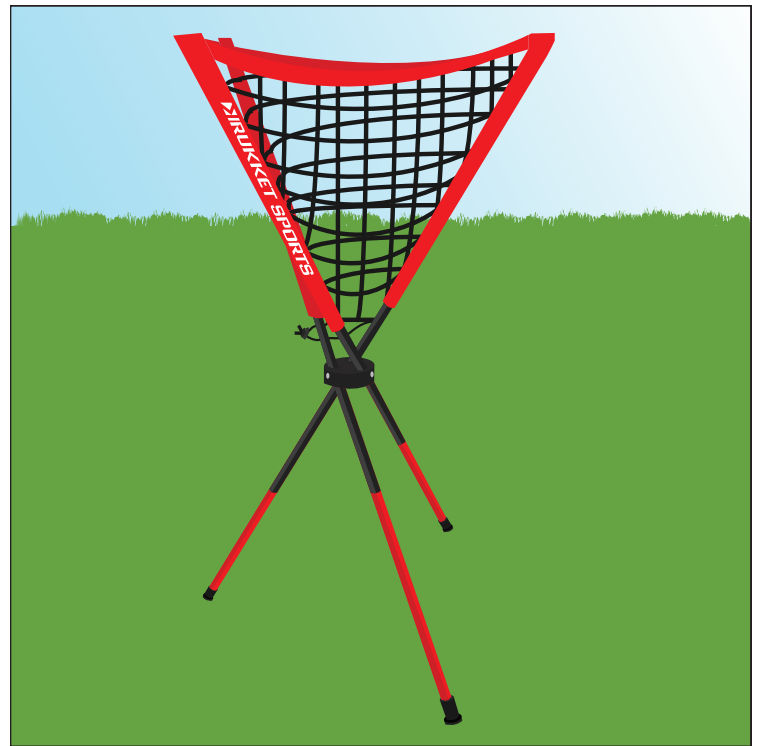

Our video instructions provide the best guidance for setting up your Ball Caddy. They can be viewed online at

 /  RukketSports

Please call us if you have any questions or concerns at **1-855-4RUKKET**
Please read our product safety warnings before setup

Before using your Rukket Ball Caddy, you will need to attach the legs to the upper portion. Screw the red legs into black pipes and tighten all the way.

To use, spread the legs out to their maximum span.
