

WHACK-A-HAACK CHIPPING GAME

Take on your friends and family in this combination of your favorite tailgating activities. Like baggo but with golf clubs! Two or more players square off in this test of short game skills. Great for the beach, tailgates, barbeques, and more; you'll be the talk of the town when you show up with the Whack-A-Haack Chipping Game. No need to worry about errant shots bouncing around the parking lot, as our special edition foam golf balls are perfect for any situation.

HOW TO PLAY:

Set up your Chipping nets facing one another. The distance between is up to the players but we recommend anywhere from 10-15 yards.

Split up into two teams with members of the same team standing across from each other at opposite Chipping Nets. Both players on each team have two shots each at the Haack Golf Chipper.

Play until your team reaches 21 points! But beware, if you go over 21 points on a shot, you have to go all the way back to 11 points and start from there..

INCLUDED IN THE WHACK-A-HAACK CHIPPING GAME:

- | | |
|--|----------------------|
| 1. 2 Rukket Chipping Targets | 3. 8 Foam Golf Balls |
