3. Place the sleeves over the vertical posts with the Rukket.com labels facing each other.

4. Assemble the fiberglass poles.

5. Insert fiberglass poles. Take care to not pinch the elastic string on entry

6. Attach red loops to the tops of the fiberglass poles

7. Attach the lower black loops to the ends of the legs

!! WARNING !!

- Please use adult supervision and follow the instructions when setting up and using the net.
- **REGULAR** use or abuse will eventually strain the netting and may break it.
- Do not stand behind the net.
- This net is not intended for personal protection

PRIOR TO USE

- Inspect the netting and frame for damage or wear.
- Make sure the frame and net are assembled correctly and on a flat surface, at least ten (10) feet away from structures and vehicles.
- The user should be positioned directly in front of the net.
- Failure to follow these precautions could result in serious injury or damage to property.
