PICKLEBALL NET

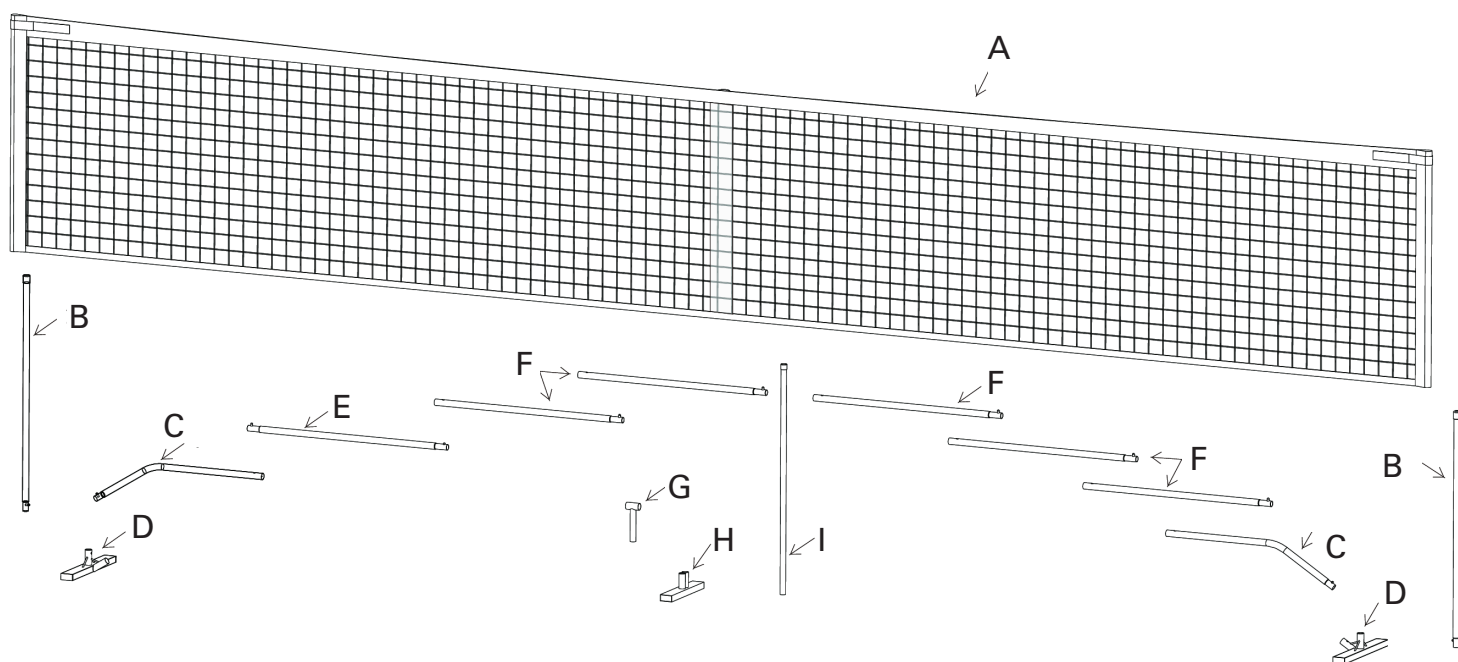

ASSEMBLY INSTRUCTIONS

PRIOR TO USE

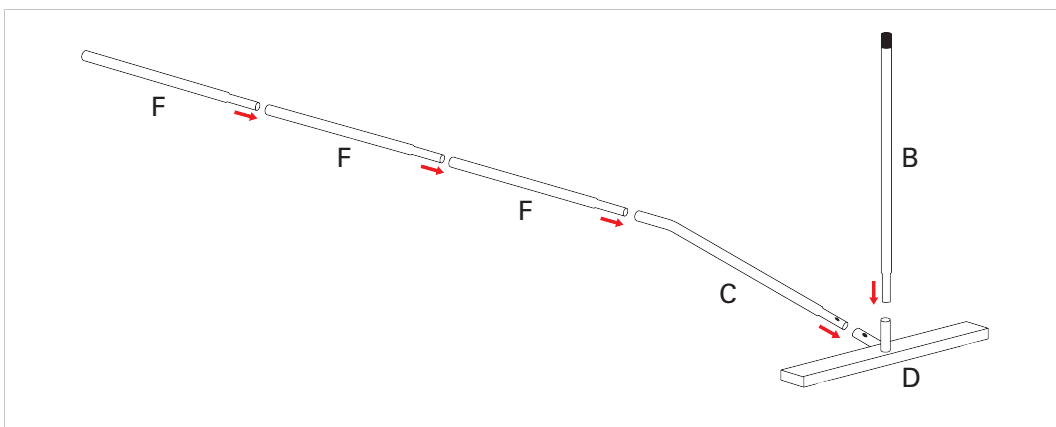

Inspect the netting and frame for damage or wear. Make sure the frame and net are assembled correctly and on a flat surface at least ten (10) feet away from structures and vehicles. Failure to follow these precautions could result in serious injury or damage to property.

Step 1: Assemble Base Frame

- A. Connect the Angled Tube(C) with the End Base(D)
- B. Fit the Angled Tube(C), 1 Short Support Tube(E), and 2 Long Support Poles(F) together as shown with the push button locking system
- C. Insert Vertical End Pole(B) into the End Base(D)

Repeat steps on opposite side. Please note the right side: fit Angled Tube(C) and 3 Long Support Poles(F) together

PICKLEBALL NET

ASSEMBLY INSTRUCTIONS

B. Adjust the velcro straps to further stretch the band to keep net from sagging and wrap the center strap around the Center Support Post(I)

WARNING

Please use adult supervision and follow the instructions when setting up and using this net. Regular use or abuse will eventually strain the netting and may break it. Do not stand behind the net. This net is not intended for personal protection. Failure to follow these precautions could result in serious injury or damage to property.

RUKKET PICKLEBALL COURT SET-UP INSTRUCTIONS

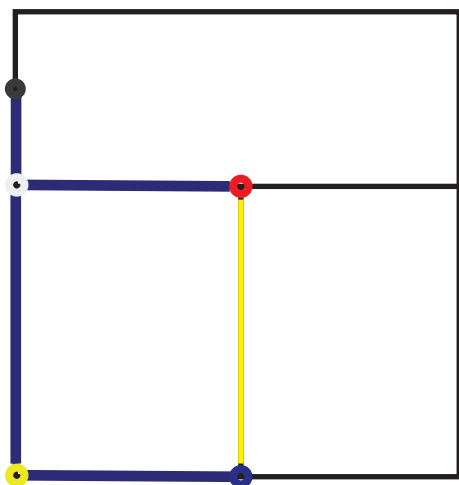

Please call us if you have any questions or concerns at **1-855-4RUKKET**

Please read our product safety warnings before setup

- A. Blue plastic ring
- B. Blue Rope x 4
- C. Yellow plastic ring
- D. White plastic ring
- E. Black plastic ring
- F. Red plastic ring
- G. Yellow chalk x 3

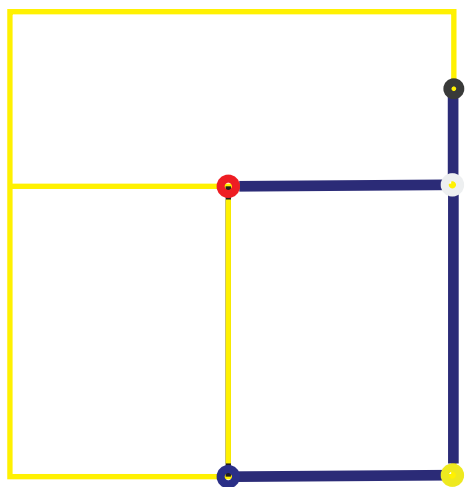

RUKKET PICKLEBALL COURT SET-UP INSTRUCTIONS

Step 1: Begin by laying out ropes and rings flat on a court with the rings in the designated areas show on the chart

Step 2: Using the yellow chalk, trace the lines of the rope to create 1/4 of the pickleball court

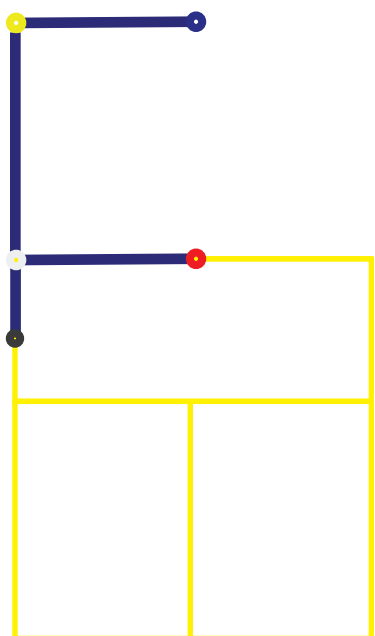

Step 3: Draw a line connecting the blue and red rings

Step 4: Flip the rope and rings to the right side and trace again

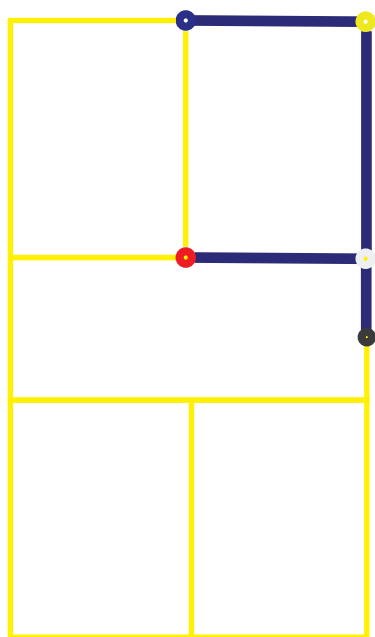

Step 5: Draw a line connecting the two black rings to create an area for the net

RUKKET PICKLEBALL COURT SET-UP INSTRUCTIONS

Step 6: Repeat steps 2-5 to create the opposing side of your pickle ball court

You should have 4 equal quadrants with a space in the middle

Warnings

- Rope, rings and/or plastic pieces are potential choking hazards for children under the age of 4. Product should be used by adult and then stored in a place out of reach of children.
- Chalk should not be ingested. If ingested, call your doctor immediately.
