Please read our product safety warnings before setup

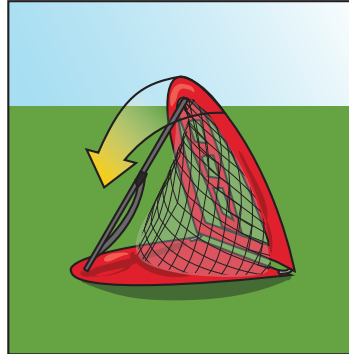

1. De-attach the velcro from the top of the net, and bring one side down.

2. The net will open easily. If it is inside out, hold the net in a V and flip it around to the correct side.

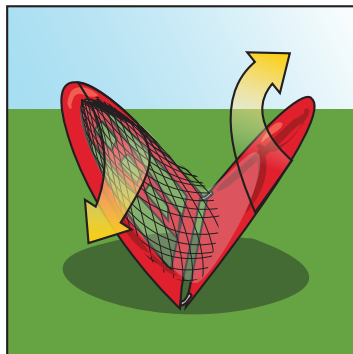

3. Insert the ground stakes.

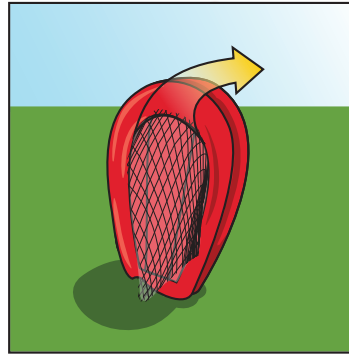

4. Adjust the tightening strap to change the angle of the net.

CHIPPING TARGET AND RANGE MARKER FOLD-UP INSTRUCTIONS

1. With the net in a V-shape, hold each corner in one hand. Rotate the corners toward each other.

2. Flatten the tear-drop shape net, and re-attach the velcro.
