

Installation Instructions

PROTECTION DE PLANCHER 46 3/4" X 54"
46 3/4" X 54" BLACK STEEL HEARTH PAD

AC02788

1. Application

Protège efficacement les planchers combustibles des tisons chauds susceptibles de tomber des appareils lors du chargement. Choix idéal pour les appareils qui ne requièrent aucun facteur R.

Effectively protects combustible floors from hot embers that may fall off the stove during loading. Ideal choice for stoves that do not require an R factor.

2. Contenu du kit. / Kit contents
