

VEVOR[®]

TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

SALES WINDOW

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and dose not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

Thank you very much for choosing this product. Please read all of the instructions before using it. The information will help you achieve the best possible results.

WARNING:

Please read this manual carefully before using the product. Failure to do so may result in serious injury.

WARNING:

Use caution when working at elevated heights and around unit openings. Follow manufacturers' instructions for ladders and scaffolding. Failure to do so may result in injury or death.

WARNING:

Follow manufacturers' instructions for hand or power tools. Always Wear safety goggles and heavy-duty work gloves during assembly. Failure to do so may result in injury and product damage.

WARNING:

Windows and doors can be heavy. Use safe lifting techniques and a reasonable number of people with enough strength to lift, carry and install window and door products to avoid injury and product damage.

WARNING:

1. Do not assemble when tired or under the influence of alcohol, drugs or medication.
2. Keep the assembly area clean and well-lit.
3. Keep bystanders out of the area during assembly.
4. Assembly should be done by adults only.

USE PRECAUTIONS

WARNING: TO PREVENT SERIOUS INJURY AND DEATH FROM TIPPING:

1. Use as intended only. Do not sit or stand on the product.
2. Inspect before every use. Do not use it if parts are loose or damaged.
3. If any parts are missing, broken, damaged, or worn, stop using this item until repairs are made and replacement parts are installed.

WARNING:

When opening the window, pay special attention to pedestrians in front of the window, because the rebound force of the rebounder is very strong, and the window will be pushed instantly to avoid casualties.

CAUTION:

Acid solutions for cleaning masonry or concrete will damage glass, fasteners, hardware, and metal flashing. Protect unit and follow cleaning product instructions carefully. If acid contacts the unit, wash all surfaces with water immediately.

ptfwck 96"L x 48"W	2466*1248*80	2438*1220	2310*1095	4±0.2

Remark:

1、Product size refers to the outermost length, width and height dimensions, and the manufacturing tolerance is approximately <5mm.

2、The installation opening size refers to the size of the fixed position on the product when it is installed. The manufacturing tolerance is about <5mm. When installing, the user needs to measure the size of the product to make grooves to avoid being too small for installation or too large for unstable installation.

3.Users can remove the factory-configured aluminum-plastic panels for DIY glass replacement. The size of the replaceable glass refers to the size of the position where the glass is installed. The manufacturing tolerance is about <5mm. It is recommended to disassemble the original

aluminum-plastic panels and measure the size of the aluminum-plastic panels to configure the glass.

INSTRUCTIONS FOR USE

1、 It is recommended that the wall cut size be 1 inch larger than where the product will be installed.

2.Auxiliary mounting holes are located in the surrounding frame

3.When you need to close it, hook the handle downwards.

CLEANING

- Clean glass using liquid glass cleaner.
- Clean exterior frame, sash and insect screens using mild detergent and water with a soft cloth or brush.
- For hard-to-clean areas, use a nonabrasive cleaner, alcohol-and-water or ammonia-and-water.
