Brave Edger | Star Blade | Honda GX160

Tap and Hold Image to Zoom

Don't be held back by curbs – the Brave Curb Lawn Edger has unique wheels that adjust to the height of the curb so you can create clean lines no matter where your lawn line is. This Edger is easy to use and leaves behind clean lines, tidy-free borders, and structure to make your lawn and gardens look pristine. The sharp star blade gets the job done in just one pass.
