

# DK2 LANDSCAPE TRAILER 4X6

**Item Number: MMT4X60**  
**UPC: 826518005623**

## DESCRIPTION

The “little brother” of the best-selling DK2 MMT5X7 is specially designed for handling a variety of hauling tasks. This trailer is the perfect solution for anyone needing to pull a trailer behind a small vehicle, full size truck, law tractor, or ATV.

The trailers are engineered to provide exceptional balance and ease of mobility without giving up one ounce of payload capacity. Every trailer is made from 100% welded tubular steel with expanded steel decks. Our back gate design is multi-purpose and can sit flat in the bed, up in a vertical position, or lying down as a ramp for easy loading.

## SPECIFICATION
