

Leick Home SINCE 1910

A Proud Family Tradition Since 1910

At Leick Home, we take pride in our deeply rooted history of distinct and uncompromising quality. It's the fine details that set a Leick piece apart - our extensive use of solid hardwoods, thick tempered glass, heavy gauge steel, always stylish hardware and a hand-applied finish to embellish the unique character and beauty created by nature.

Care Instructions:

- Clean with soft damp, lint-free cloth. Dry thoroughly.
- Protect furniture finish from hot dishes, alcohol or excessive moisture.
- Avoid exposing furniture to excessive heat, cold, dampness or direct sunlight.
- For additional protection: Periodically use a quality furniture polish, always working in the direction of the wood grain. Avoid use of silicone based polishes.

Warranty: All Leick products are guaranteed against defects in workmanship for a period of one year under normal use. Keep this form with your dated sales receipt for claims.
