Terms of Use

By using the test mark, the following terms of use are accepted.

If you want to use our test mark for advertising purposes after passing the tests, the following guidelines must be observed:

- ✓ The test mark must stand on its own. It must not be combined with another characteristic such as a logo, graphic or statement.
- ✓ The test mark may not be changed in terms of content or design
- ✓ The reference to the tested product must be clearly recognizable
- ✓ The test mark must not take up more space in advertising than the user's brand
- ✓ The test mark can be used to advertise packaging, products and documents directly
