Item info (please include specifics for each item such as size, color, brand, etc.):

We accept current, relevant riding apparel in good condition, horse blankets and other horse wear, bridles, girths, other tack accessories, bits, saddle pads and other related items. If you have a question about an item you'd like to put on consignment, give us a call – we're happy to help.

In exchange for the services we provide, our consignment fee is 30% of the selling price. We take all of the marketing fees we spend out of the 30%. We do not charge extra regardless of how it sells (i.e. we pay the eBay fees, PayPal fees, credit card fees, etc., out of our commission).

Please call or email us to let us know your consignment item(s) is/are coming. Upon receipt, we inspect the items, assess the condition, and if necessary, we "shine them up" though we do require that all items are clean and in good condition. We do not price them without the seller's approval. We will also send you an email so that you have written proof that we have your item(s).

Payment to you is automatic between 30 to 60 days from the date your item sold. Riding boots may go out on trial if purchased online (due to the very specific fit of tall boots) and the date of sale in those cases is marked as the end of the trial period.

If consignment item(s) is/are defective, don't sell, or if seller requests anything to be returned to them at any given time, we will ship the item(s) back to the seller at the seller's expense. The seller agrees that Skylands Saddlery will not be held responsible for any wear or damage to items while on consignment. Please contact us with any questions or concerns.

Thank you,
Skylands Saddlery
