## **Our Ingredients**

Sweet potato flour, pea flour, vegetable glycerine, vegetable oil, dried brewers yeast, calcium carbonate, potassium sorbate, natural flavours, dried tomato, dried pumpkin, dried carrot, paprika, dried blueberry, dried banana, 100% peanut butter, dried apple, dried spinach, mint, parsley, kelp.

## **Benefits of the ingredients**

Sweet potatoes are great for digestive health because they're high in dietary fibre. They're also low in fat and contain vitamin B6, vitamin C and magnesium. They have a sweet flavour dogs just love.

Peas are amongst the healthiest veg for your dog. A great source of vitamins A, B, & K. Packed with iron, zinc, potassium, and magnesium. Rich in protein, high in fibre. Over 70% of the composition is made up from sweet potato & peas alone.

Brewer's yeast is rich in antioxidants which can make your dog's skin healthier and coat shinier. Calcium carbonate is an essential mineral for dogs. Vegetable oil is used to enhance the flavour and is also a source of necessary fat needed for energy and body development. Vegetable glycerine is used to bind all the ingredients together and give the chew its desired chewiness.

All feeding guidelines are on the back of each box. All snacks are part of a balanced diet
