# Seat Liner Installation

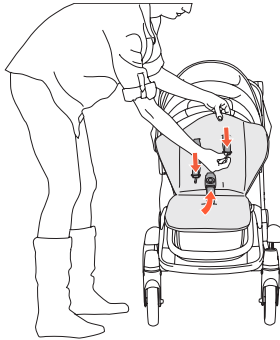

---

## 1 Thread Harness Straps Through Liner

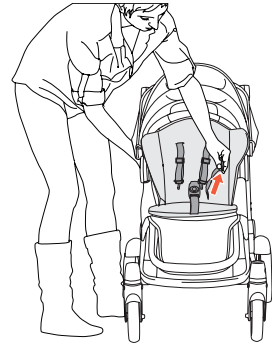

**STEP 1:** Remove child's arm bar (see Entourage™ User Manual for instructions).

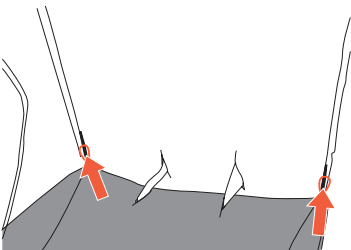

Remove harness covers:  
Separate each harness shoulder strap from each harness waist strap by sliding buckles in opposite directions, as shown. Detach covers and remove.

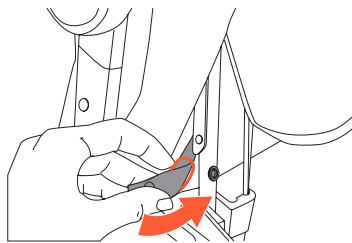

**STEP 2:** With harness shoulder and waist straps separated, pull all harness straps through corresponding slits in liner.

## 2 Secure Liner to Seat

**STEP 1:** Thread securing loop on side of liner seat bottom through corresponding hole in seat fabric on each side of stroller.

**STEP 2:** At back of stroller seat, thread strap through securing loop and re-snap to seat frame.

**STEP 3:** Reconnect harness waist and shoulder straps together. Replace harness covers, if applicable, and child's arm bar.

**TO REMOVE LINER:** Reverse all steps.
