# WARNINGS & SAFETY INFORMATION

READ THIS USER MANUAL CAREFULLY AND UNDERSTAND ALL WARNINGS AND INSTRUCTIONS BEFORE USE. YOUR CHILD'S SAFETY MAY BE AT RISK IF YOU DO NOT FOLLOW THESE INSTRUCTIONS.

**KEEP THESE INSTRUCTIONS AND WARNINGS FOR FUTURE REFERENCE.**

DO NOT allow anyone to use this product unless that person has read and fully understood the warnings and instructions in this user manual prior to use.

## WARNING

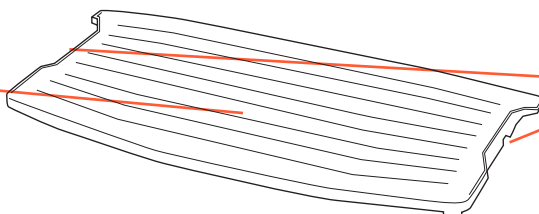

- **NEVER LEAVE CHILD UNATTENDED!**
- **AVOID PINCHING AND ENTRAPMENT:**  
Do not fold or unfold stroller when a child is on or near platform rider. Children and adults should be clear of moving parts when installing and removing platform rider.
- **DO NOT** allow child to operate or play with platform rider.
- **DO NOT** place more than one child on platform rider.
- **ALWAYS** lock brake when not moving and when installing or removing platform rider.
- Adult supervision is required at all times when child is on platform rider, as well as when child is mounting or dismounting platform rider.
- Use extra caution when operating stroller on uneven surfaces (potholes, cracks, curbs, park terrain, etc.) when child is on platform rider.
- **ALWAYS** use stroller fenders when using platform rider.
- **DO NOT** allow child to hang from stroller, including stroller handles.
- **DO NOT** use market tote, cargo bag, or rear car seat adapter when child is on platform rider.

## WEIGHT & HEIGHT RESTRICTIONS

- Platform rider is for use for ONE child who is at least 2 1/2 years old, has good balance and coordination, is not over 45 in. (114.3 cm) tall and is less than 50 lbs. (22.7 kg).
- **DO NOT** exceed manufacturer's maximum weight.
- Excessive weight on the platform rider could cause a hazardous unstable condition to exist.

# SAFETY INFORMATION

---

- Before using platform rider, ENSURE stroller is open and expanded, and all locking devices are engaged.
- DO NOT make sharp turns with child on platform rider.
- Child MUST have BOTH feet placed firmly on platform rider at all times while standing on platform rider.
- Child MUST always face forward and hold on with BOTH hands to front frame handles when on platform rider.
- Regularly check for correct and secure installation and operation.
- Keep hands and feet clear of wheels at all times.
- Child MUST be wearing footwear at all times when on platform rider.

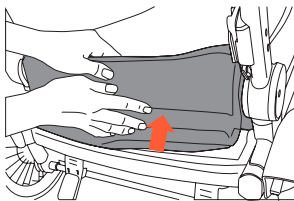

- Use caution when platform rider is wet or covered with any debris to prevent child from slipping.
- Discontinue use of platform rider if it malfunctions, becomes damaged, or any part is missing or broken.
- DO NOT make any alterations or modifications to platform rider with products not supplied by manufacturer, as this may cause instability or structural damage not covered by warranty.
- Use only replacement parts supplied or provided by manufacturer.
- Dispose of plastic bags and packaging immediately to avoid danger of suffocation.
- Platform rider should be cleaned with water and a mild detergent that does not leave any residue.
- This platform rider is for use only with Austlen™ Entourage™ strollers.

## Platform Rider Operation

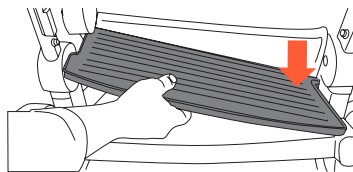

---

### Platform Rider Installation

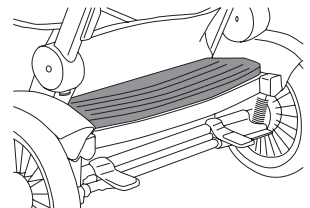

#### TO INSTALL PLATFORM RIDER:

**STEP 1:** At rear of stroller, unfasten rear fabric panel and push forward to make way for platform rider.

**STEP 2:** Holding platform rider at an angle, maneuver notches on one side around lower portion of rear frame. Lower opposite side and press down to snap into place.

Fasten bottom strip of rear fabric panel to front edge of platform rider.

**TO REMOVE PLATFORM RIDER:** Reverse steps 1 and 2.
