

Over 90% would recommend Magnitone to a friend

Study Objective

Argos survey conducted to obtain feedback on Magnitone from their panel of 'Argos Testers'

Methodology

Argos Testers are an exclusive group of customers that are invited to test free products and submit independent reviews.

37 Argos tested tested Magnitone and completed an online questionnaire.

Results

92% of users would recommend to a friend

92% of users would recommend to a friend
