THE THREE DAYS OF DARKNESS

THE THREE DAYS OF DARKNESS

Presented by **Dr. Franco Adessa**

A special thanks to the site managers:
<https://greatmonarch-angelicpontiffprophecies.blogspot.com>
for offering us the essential documents to complete this Special Edition
that presents us with the last difficult years that lead us to the Three Days of Darkness
and to the following Kingdom of the Sacred Heart, also called the Age of Peace.

«I will not delay in making known to you My secrets.
Soon, the secret will be revealed
and the whole world will witness My Love
and My Power.»

Our Lord to Marie-Julie Jahenny, June 25, 1875.

The time in which we live is the “Century of Satan” that will end with the Three Days of Darkness in which God will put all His enemies to death. Thus, cleaning up with this hecatomb and opening an Era of Peace for the whole earth.

The Era of Peace, however, must not be confused with the New Heaven and the New Earth of the End of Times, since the Era of Peace is the last period of glory that the Church of Christ will have on earth before the Second

Coming of Christ, which will take place when the world is once again plunged into a new condition of moral degradation.

In the time in which we live, and which precedes the Era of Peace, the earth is in a state of moral degradation worse than that which existed at the time of the Universal Flood. Therefore, God, to chastise and regenerate it, will be forced to purge it of all His enemies.

How will this happen?

THE NEW TESTAMENT

Matthew (Ch. 24)

«**When, therefore, you see the abomination of desolation** – of which the Prophet Daniel spoke – **standing in the holy place** – he who reads let him understand (15) (...) For **there shall be then great tribulation**, such as hath not been from the beginning of the world until now, neither shall be. And unless those days had been shortened (21). (...) And immediately after the tribulation of those days, **the sun shall be darkened and the moon shall not give her light, and the stars shall fall from heaven**, and the powers of heaven shall be moved. **And then shall appear the sign of the Son of man in heaven** (...) and they shall see the Son of man coming in the clouds of heaven with much power and majesty (29-30).»

Mark (Ch. 13)

«**And when you shall see the abomination of desolation, standing where it ought not:** he that readeth let him understand (14) (...) But pray ye, that these things happen not in winter. (18) **For in those days shall be such tribulations, as were not from the beginning of the creation which God created until now, neither shall be.**»

And unless the Lord had shortened the days, no flesh should be saved: but for the sake of the elect which he hath chosen, he hath shortened the days. (20) (...) But in those days, after that tribulation, **the sun shall be darkened, and the moon shall not give her light. And the stars of heaven shall be falling down**, and the powers that are in heaven, shall be moved. (24-25). **And then shall they see the Son of man coming in the clouds, with great power and glory.**»

Luke (Ch. 21)

«**And when you hear about wars and seditions, be not terrified.** These things must first come to pass; but the end is not yet presently. (9). (...) **And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, by reason of the confusion of the roaring of the sea and of the waves;** Men withering away for fear, and expectation of what shall come upon the whole world. For the powers of heaven shall be moved; And then they shall see the Son of man coming in a cloud, with great power and majesty. But when these things begin to come to pass, look up, and lift up your heads, because your redemption is at hand (28).»

These quotes from the New Testament bear these facts:

1. **The abomination of desolation in the holy place.**
2. **The distress of peoples fearful of the roar of the sea and the waves.**
3. **Wars and Revolutions.**
4. **A large tribulation with darkening of the sun, moon and stars.**
5. **The liberation and the Era of Peace:** one will see the Son of man coming in the clouds with great power and glory and our liberation will be near.

MESSAGES OF OUR LADY

We report some quotations of Our Lady, taken from the Message of La Salette and the Third Secret of Fatima, which illustrate the five facts listed above.

The Abomination of Desolation in the Holy Place

(La Salette) «The priests, ministers of My Son for their evil life, for their irreverence and their impiety in celebrating the Holy Mysteries, for the love of money, honors and pleasures, the priests have become cesspools of impurity. Yes, the priests ask for their revenge and revenge is suspended over their heads! Woe to the priests and to those dedicated to God who, by their unfaithfulness and their wicked lives, are crucifying My Son again! The sins of those dedicated to God cry out towards Heaven and call for vengeance, and now vengeance is at their door, for there is no one left to beg mercy and forgiveness for the people. Italy will be punished for her ambition in wanting to shake off the yoke of the Lord of lords. And so she will be left to fight a war; blood will flow on all sides: Churches will be locked up or desecrated. Priests and religious orders will be hunted down and made to die a cruel death! Several will abandon the faith, and a great number of priests and members of religious orders will break away from the true religion.»

«Several religious institutions will lose all faith and will lose many souls!»

«Woe to the Princes of the Church who think only of piling riches upon riches to protect their authority and dominate with pride!»

«For a while, the Church will yield to large persecution, a time of darkness; and the Church will witness a frightful crisis!»

«Tremble, earth, and you who proclaim yourselves as serving Jesus Christ and who, on the inside, only adore yourselves; tremble, for God will hand you over to His enemy, because the holy places are in a state of corruption. Many convents are no longer houses of God, but the grazing-grounds of Asmodeas and his like!»

«Rome will lose its faith and become the seat of the Antichrist!»

(Fatima) «No longer does order reign and Satan will reign over the highest places by directing the course of events. Satan will actually succeed in infiltrating to the top of the Church.»

«Also, for the Church, a time of Her greatest trials will come: Cardinals will oppose Cardinals; Bishops will oppose Bishops. Satan will march amid their ranks and in Rome there will be changes. What is rotten will fall and what will fall, will never rise again. The Church will be darkened, and the world be deranged by terror.»

The Distress of Anxious Peoples

Due to the Roar of the Sea and the Waves

(Fatima) «A great war will break out within the second half of the 20th century. Fire and smoke will fall from Heaven, the waters of the oceans will become vapors, and the foam will rise, flooding and sinking everything. Millions and millions of men will die by the hour, survivors will envy the dead.»

Wars and Revolutions

(La Salette) «Civil governments will all have the same plan, which will be to abolish and do away with every religious principle in order to make way for materialism, atheism, spiritualism and vice of all kinds.»

«... They will abolish civil rights as well as ecclesiastical, all order and all justice would be trampled underfoot and only homicides, hate, jealousy, lies and dissension would be seen, without love for country or family.»

«There will be bloody wars and famines; plagues and contagious diseases; It will rain with a fearful hail of animals. There will be thunderstorms which will shake cities, earthquakes which will swallow up countries. Voices will be heard in the air. Men will beat their heads against walls, call for their death, and on another side death will be their torment. Blood will flow on all sides...»

«France, Italy, Spain and England will be at war: blood will flow through the streets; the French will fight French, the Italian against the Italian, after which a general war will follow which will be appalling!»

«Paris will be burned and Marseille will be engulfed: Several cities will be shaken down and swallowed up by earthquakes. People will believe that all is lost. Nothing will be seen but murder, nothing will be heard but the clash of arms and blasphemy.»

A Large Tribulation with Darkening of the Sun, Moon, and Stars

(La Salette) «The righteous will suffer greatly. Their prayers, their penances and their tears will rise up to Heaven and all of God's people will beg for forgiveness and mercy and will plead for My help and intercession. And then Jesus Christ, in an act of His justice and His great mercy will command His Angels to have all His enemies put to death. Suddenly, the persecutors of the Church of Jesus Christ and all those given over to sin will perish and the earth will become desert-like!»

(La Salette) «Pagan Rome will disappear; The fire of Heaven will fall and consume three cities. All the universe will be struck with terror and many will let themselves be led astray because they have not worshipped the true Christ who lives among them. It is time; the sun is darkening; only Faith will survive!»

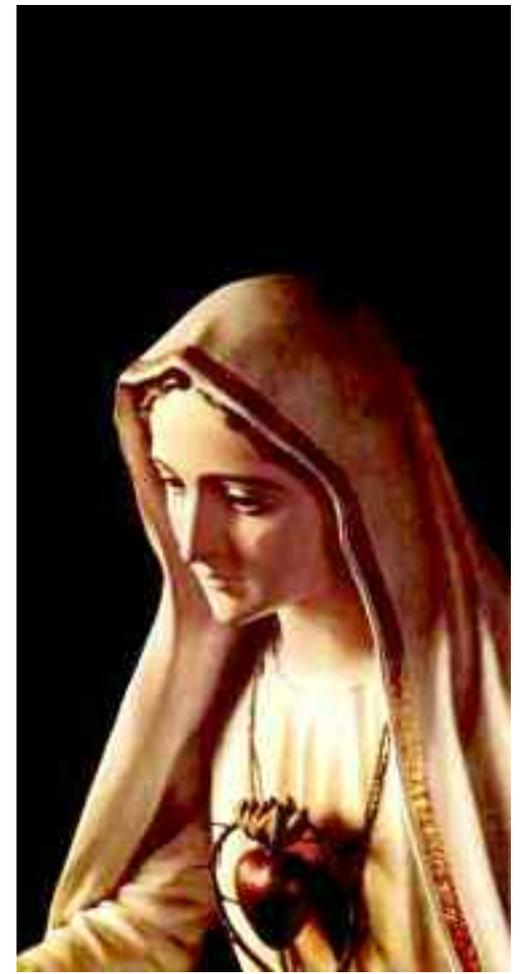

(La Salette) «Pagan Rome will disappear; The fire of Heaven will fall and consume three cities. All the universe will be struck with terror and many will let themselves be led astray because they have not worshipped the true Christ who lives among them. It is time; the sun is darkening; only Faith will survive!»

Liberation and the Era of Peace

(La Salette) «Then peace will be made, and man will be reconciled with God. Jesus Christ will be served, worshipped and glorified. Charity will flourish everywhere. The new kings will be the right arm of the Holy Church, which will be strong, humble, pious in Its poor but fervent imitation of the virtues of Jesus Christ. The Gospel will be preached everywhere, and mankind will make great progress in its faith, for there will be unity among the workers of Jesus Christ and man will live in fear of God.»

(Fatima) «Death will reign everywhere for the errors committed by the foolish and partisans of Satan who then, and only then, will reign over the world. Finally, those who survive all of these events will once again proclaim God and His Glory, and serve Him like before, when the world was not so corrupted.»

(La Salette): «Then, water and fire will purge the earth and consume all the works of men's pride and all will be renewed. God will be served and glorified.»

BOOK OF THE APOCALYPSE

The five facts, listed above, relating to the three quotations of St. Matthew, St. Mark and St. Luke of the New Testament also appear in the Book of Revelation of St. John. Not only do these facts appear, but they constitute the development of the content of the Seven Bowls of God's wrath which, starting from the unmasking of the traitors at the top of the Church, ends with the depopulation of the earth and the extermination of the armies of God's enemies.

The Abomination of Desolation in the Holy Place

The First Bowl of God's Wrath precisely concerns the abomination of desolation of the holy place. In fact, the architect of this first Bowl, Fr. Luigi Villa, was commissioned by Padre Pio to «Expose the traitors of Christ at the top of the Church.» And the first of these traitors, with a Double Black Mass, celebrated on June 29, 1963, enthroned Satan in the Pauline Chapel, beginning the Reign of the Antichrist, who still exists and who will carry out his last act: the abolition of Christ's Sacrifice on the Cross from the face of the earth.

The Anguish of Peoples Fearful of the Roar of the Sea and the Waves

The roar of the sea and the waves is described in the Second Bowl of God's wrath: «... A large mountain was thrown into the sea. A third of the sea became blood...» As Fr. Luigi Villa explained to me: «Peoples and nations do not go either to Heaven nor to Hell, so they must pay for their sins on earth.»

So the roaring of the sea and the waves, desired by God, serves to make all peoples settle their debts: so that as many human beings have been killed that many human beings God will ask of every people and nation.

Wars and Revolutions

Although the wars and revolutions, which will be unleashed in certain parts of the world, appear in the Third Bowl of God's Wrath, this does not exclude the fact that these will begin again in the final period of the First Bowl and that they continue in the Fourth and Fifth Bowls of God's wrath to make the blood shed compensate for the Populaces who have not yet paid their debt due to the lack of coastlines, and the annihilation of the leaders of the Satanic power that currently dominates the world.

A Great Tribulation with the Darkening of the Sun, Moon and Stars

«And the sixth angel poured his bowl over the great Euphrates River and its waters were drained for the passage of the kings of the East (the Chinese army).» Everything is ready for the final fight... but: «Here I come as a thief...» Speaking of this time, Isaiah already said: «Behold the Lord shall lay waste the earth, and shall strip it, and shall afflict the face thereof, and scatter abroad the inhabitants thereof ... Therefore shall a curse devour the earth, and the inhabitants thereof shall sin: The land is desecrated by its inhabitants ... therefore a curse has devoured the earth and its inhabitants carry its pain; therefore, the inhabitants of the earth are consumed (burned) and few people remain.»

Liberation and the Era of Peace

«And the seventh angel poured out his bowl into the air, and there came a great voice out of the temple from the throne, saying: "It is done." An earthquake never seen before on earth followed and great hail, like a talent [a little over 100 lbs.], came down from heaven upon men.» This bowl "poured into the air" is the final act of God's intervention against the remaining enemies of the Church of Christ. The surviving populations will understand that this is a Divine intervention that saved them and will convert. This is the true and unique way to peace: conversion to the true and unique God and having in your heart the peace of Christ, the Only Redeemer of Humanity!

PRIVATE PROPHECIES

The private revelations that occurred after the Book of Revelation do not need to be believed for our salvation, but the Church taught that the prophecies sent by God do not constitute a new doctrine, but a way to enlighten and warn His people about future events that will take place in the world or in certain parts of the world. From the Acts of the Apostles, we know that early Christians believed in the authentic prophecies announced by some of their members and that these helped them prepare for future catastrophic events. Thus, Peter spoke: «Ye men of Judea, ... with your ears

receive my words. For these are not drunk... But this is that which was spoken of by the prophet Joel: And it shall come to pass, in the last days, (saith the Lord,) I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams. And upon my servants indeed, and upon my handmaids will I pour out in those days of my spirit, and they shall prophesy...»

God has again warned us of the upcoming punishment, known as Three Days of Darkness, with private prophecies and revelations highlighting the terrible events that will take place and how to prepare ourselves to face them, indicating in particular what we must avoid in order not to die.

The event of the Three Days of Darkness is the second part of the Sixth Bowl of God's Wrath, when Our Lord warns us with these words: «Here I come as a thief...» in the words of Isaiah, result in: «**Behold the Lord shall lay waste the earth, ... Therefore, shall a curse devour the earth, and the inhabitants thereof shall be consumed (burned) and few people remain.**»

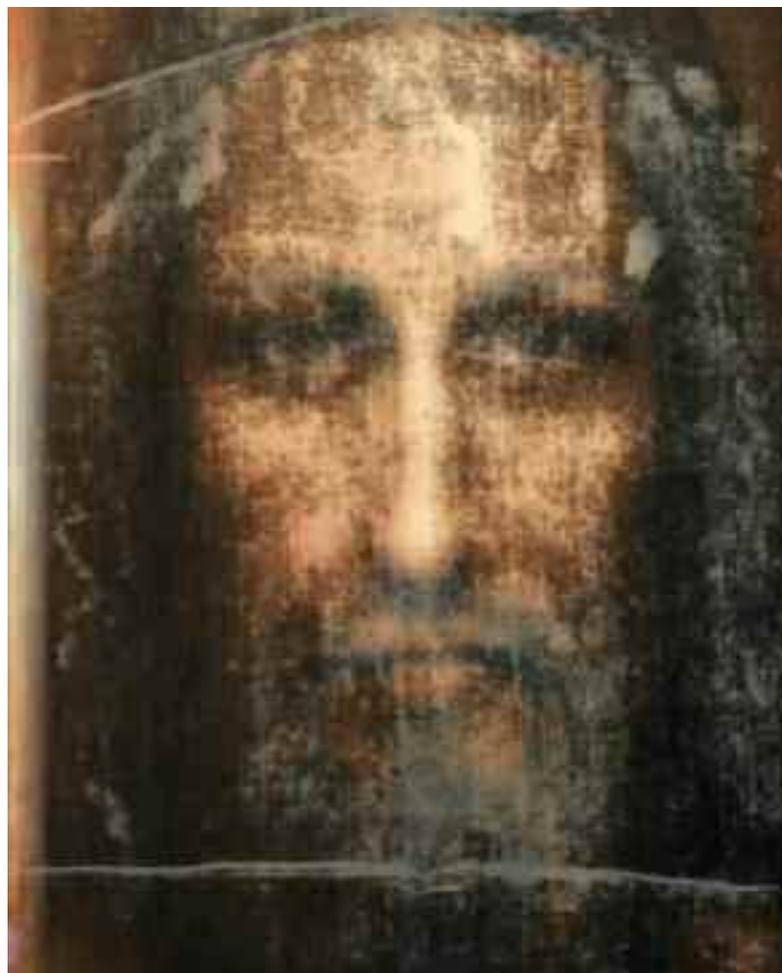

On these Three Days of Darkness, the mystics who gave us the most useful information and the most valid advice on how to deal with this event are:

1. **Blessed Anna Maria Taigi** of Rome (1769-1837) (The first mystic that speaks of the Days of Darkness);
2. **St. Gaspar del Bufalo** (1786-1837);
3. **St. Mariam Baouardy** (1846-1878);
4. **Blessed Sr. Elena Aiello** (1895-1961);
5. **Sr. Agnes Sasagawa** (1973-) (Our Lady of Akita);
6. **Marie-Julie Jahenny** (1850-1941) (Provides more details on the events that will take place mainly in France before and during the Three Days of Darkness and how to prepare for this terrible event);
7. **Alois Irlmaier** (1894-1959) (Provides more details on the war and other aspects that will take place during the Seven Bowls of God's Wrath).

We begin to report the prophecies of the first five individuals, which we will call "Minor Prophecies," leaving Marie-Julie Jahenny and Alois Irlmaier last for their valuable information on the various aspects that characterize the period of the Three Days of Darkness and what precedes it, and to order chronologically the events and punishments that will follow, in order to be able to identify the date on which the Three Days of Darkness will begin.

The valuable information that Marie-Julie Jahenny provides us with comes directly from Our Lady and Our Lord Jesus Christ. Her prophecies, therefore, are of enormous importance because they could even allow us to identify, with some precision or probability, the Three Days of Darkness period, analyzing and ordering the sequence of events she described.

These are the words that Our Lord Jesus Christ, on June 25, 1875, addressed to Marie-Julie Jahenny: «**I will not be long in making known to you My secrets. Soon the secret will be discovered and the whole world will witness My love and My Power.**»

The power that God will manifest in the Three Days of Darkness no one can question or deny. Instead does this term: "**witnesses of My Love,**" mean that Our Lord wants us to make known in advance the period of these three terrible days, so that this can help many people to repent in time, to change their lives and save their souls?

The very useful information, provided by Irlmaier, and coming from his recognized gift of clairvoyance, is mainly about the times, political facts and war events that precede and follow the Three Days of Darkness, and that arise within the Seven Bowls of God's Wrath. The war, which Irlmaier talks about, will break out in the final stage of the First Bowl and will end with the Seventh Bowl, of which Irlmaier describes some facts.

The importance of this information is that it can be put into the reality that we are living through or that we will live in the future, offering us the possibility of being able to predict the events that will characterize the war that has been planned for a long time by those in a high ranks and which some think is not very far away.

MINOR PROPHECIES

BLESSED ANNA MARIA TAIGI

On the Three Days of Darkness, Blessed Taigi said: «A very thick darkness shall envelop the earth, during three days. This awful darkness will be so impregnated with pestilential vapors, and filled with such frightful apparitions, that they will cause, in a more special manner, the death of the hypocritical or avowed enemies of the Holy Church.»

Anna Maria Taigi.

Anna Maria announced that on this terrible occasion, so many of these evil men, enemies of the Church and of God, shall be put to death by the Divine scourge in such numbers that their corpses, round Rome, will be as numerous as the fish that, in a flood of the Tiber River (which occurred at that time) had carried into the city.

During these Three Days of Darkness, all the enemies of the Church, secret as well as known, will perish over the whole earth except for a few, whom God will soon after convert. The air shall be infected by demons, who will appear under all sorts of hideous forms.

«A heavenly apparition shall come to reassure the faithful: St Peter and Saint Paul will appear on the clouds, and all men shall see them; and, in a supernatural manner, faith shall return to their hearts. Innumerable conversions of heretics shall cause universal edification.»

ST. GASPAR DEL BUFALO

«In one of his prophecies, St. Gaspar said that there will be a terrible punishment of Three Days of Darkness, and recommended devotion to the Precious Blood as protection in the times of tribulation. On these Three Days of Darkness, St Gaspar de Bufalo spoke of the death of the unrepentant persecutors of the Church, during the Three Days of Darkness.

The death of the impenitent persecutors of the Church will take place during the three days of darkness. He who outlives the darkness, and the fear of these three days will think that he is alone on earth because **the whole world will be covered by carcasses ... »**

ST. MARIAM BAOUARDY

«I saw clouds, storms, rains of all things, falling to the earth... In the darkness, for three days, the followers of evil will be annihilated, so that **only a quarter of humanity will survive**. At that time, **the clergy will be reduced, because most priests will have died for the defense of Faith and their homeland**. This is the cause of the terrible disasters that will take place in France: People will commit sins and outrages towards the Blessed Sacrament, and the Incarnation will be considered as a fable.»

«The power of the enemy will not last forever. **The Church will live again and flourish everywhere.**»

«Happy is the man who will persevere despite everything! And woe to him who weakens at the first obstacle!»

«Little flock, do not be afraid, to be reduced. **Do not fear thunder, nor rain, nor mountains, nothing will touch the elect of the Lord!**»

BLESSED SR. ELENA AIELLO

«**The ungodly will be crushed and eliminated**. Many will be lost because they will be hardened in sin, it is then that we will see the power of light over darkness.»

«The world no longer deserves forgiveness but fire, destruction and death.»

«The punishment that will purify the whole world from evil is near. Divine Justice cries out for vengeance for the many offenses and all evils that cover the earth. Nothing will be tolerated anymore. Men, in their obstinacy, are hardened in their mistakes and therefore they will no longer turn to God.»

«The world has plunged into unimaginable corruption...»

Those who govern have become true embodied demons, and while they speak of peace, they prepare the deadliest weapons to destroy peoples and nations.»

«God's wrath is near and the world will be tormented by a great calamity, bloody revolutions, great earthquakes, famines, epidemics and terrible hurricanes that will cause rivers and seas to overflow!»

«The world will be completely turned upside down by a new and terrible war.»

«The deadliest weapons will destroy peoples and nations.»

«**The dictators of the earth, true infernal monsters, will destroy the Churches with the Holy Tabernacle and will eliminate peoples and nations and things most dear**. During this sacrilegious battle, because of the fierce impulse and the relentless resistance of many, everything that has been done by man's hands will be destroyed.

Clouds with flashes of fire will finally appear in the sky and a firestorm will fall on the whole world.»

«The terrible scourge, never seen in human history, will last 72 hours.»

«The wicked will be pulverized, and many will be lost stubbornly in their sin. Then, we will see the power of light over the power of darkness.»

SR. AGNES SASAGAWA

Our Lady said: «As I have told you, if men do not repent and do not improve, **the Father will inflict a terrible punishment on all mankind. It will be a punishment**

greater than the deluge, such as one that has never been seen before. Fire will fall from heaven and wipe out a great part of humanity, the good as well as the bad, sparing neither priests nor faithful. The survivors will find themselves so desolate that they will envy the dead.»

«The work of the devil will even infiltrate the Church in such a way as to see cardinals opposing cardinals, bishops against other bishops. **Priests who venerate me will be scorned and opposed by their confreres... churches and altar sacked, the Church will be full of those who accept compromise** and the devil will put pressure on many priests and consecrated souls to abandon the Lord's service. The devil will be relentless especially against souls consecrated to God. The thought of the loss of so many souls is the cause of my sadness. If sin increases in number and severity, there will be no more forgiveness for them. **«Those who trust in Me will be saved.»**

WARNING SIGNS OF THE "CENTURY OF SATAN"

1. The wicked of the earth will be granted a long period of freedom on earth.
2. Premonitory punishments will arrive: unusual weather patterns, catastrophic natural disasters, lost crops, droughts, plagues, unusual diseases, will be signs that warn people to return to God.
3. Scandals of the Pastors of the Church: a punishment for the "scourge of degradation."
4. At the end of time, there will be false mystics, miracles and wonders; these false mystics will believe that what they see comes from God, but they will only be tricks and wonders created by the Devil.
5. People will become indifferent; apostasies will grow, and many will begin with the Clergy.
6. Our Lord and Our Lady have said that we will all feel an inner warning, before the punishment comes and that a grace of peace will be reserved for the Christian faithful who have not ignored the warnings.
7. Before the Civil War in France, there will be floods in the country that will delay agriculture; this will be a warning through nature.
8. Before the Civil War in France, the French army will be sent abroad to reduce the French security forces.
9. When France is ready for terror, there will be a huge storm as a warning for the civil unrest and civil war that will follow.
10. Jesus Christ warned that, 24 hours before Paris is blocked to perpetrate massacres, there will be Divine signs in the firmament.
11. **The first warning of Divine Intervention on earth will be the Civil War in France. The massacres, martyrdoms and genocide in Paris will be fueled by anti-Christian hatred.**
12. The Civil War in France, will begin in Paris with shouting and songs of hatred that will be confused with the weeping of poor people who will not have time to escape. Roads will be closed, passages blocked, and

many people will die in a painful massacre.

13. When the persecution of the Church seems to stop, the "burning plague" will break out: this will be a warning to the impious persecutors of the Church to change their lives, before they are put to death, in the Three Days of Darkness.
14. On June 15, 1882 Jesus Christ gave a warning to the French: **All those who are not devoted to the Sacred Heart of Jesus will die in the massacres of the Civil War and during the plagues.**
15. A warning sign of the Three Days of Darkness will be given by **four hours of darkness** (from noon to 4 pm) over Brittany (France). This will happen in winter and signal that the Three Days of Darkness are coming. In those days, the sun will look like a "veil of mourning," it will be obscured and without light. This darkness will cover Brittany for four hours, but there will be no pain or calamity ... simply a little fright.
16. On September 20, 1880, the Holy Spirit told Marie-Julie Jahenny: «There will also be **two days of darkness** in Brittany (France) distinguished from the catastrophic Three Days of Darkness that will be upon the whole world. **These two days will only be a warning to the faithful.** The sky will be purple and red and so low that you will not see the upper part of the tall trees. This darkening of the sun will provide us with the date from which we can count the days that are left for the advent of the Three Days of Darkness.»
17. On November 28, 1881, Jesus Christ said to Marie-Julie Jahenny: «The sun must be darkened before **the Three Days of Darkness, which will arrive 37 days after this darkening of the sun** and after the signs given by the earth and the announced storm.»

MARIE-JULIE JAHENNY

Marie-Julie Jahenny, the first of five children, was born on February 12, 1850 in **Blain**, north of Nantes in Brittany, France. Her parents, Charles and Marie Boya Jahenny, were hardworking peasants unaware that their first daughter would be chosen by Heaven for the special mission of spreading love for the Cross, to make sacrifices and suffer for the salvation of sinners, **to prepare the world for prophesied punishments**, and to announce the coming of the Great Monarch of France and the Angelic Pontiff. Of all the mystics, who have been granted revelations about our times, **Marie-Julie's revelations are, to this day, the most numerous and detailed.**

In February 1873, Marie-Julie fell seriously ill and it was then that Our Lady appeared to her, for the first time, foretelling her suffering. On March 15, Our Lady asked her if she was willing to suffer and endure her Son's pains, to save humanity. Marie-Julie agreed, and the stigmata began to appear on March 21, 1873.

The crown of thorns appeared on October 5, 1873; the wound in her left shoulder, (the shoulder) on which Christ

Marie-Julie Jahenny, the stigmatist who received most revelations about the Three Days of Darkness.

carried the Cross, appeared on November 25; On December 6, lash wounds appeared on her back and on January 12, 1874. She received wounds on her wrists and wounds to her heart. On January 14, wounds appeared on her ankles, legs and forearms and, a few days later, Marie-Julie received two strips of lashes on her side.

On February 20, 1874, Our Lady announced to Marie-Julie that she was to become Christ's spiritual bride, and a wound appeared around the ring finger of her right hand, as a special symbol of approval of her stigmata.

Finally, Marie-Julie received a special stigmata, unique in the history of the stigmatized, which was announced to her a month earlier: on December 7th, **the whole family and other people present were stunned to see a cross and a flower appear on Marie-Julie's chest with the words: "O Crux Ave,"** accompanied by the most extraordinary scent emanating from her body. After the ecstasy, the signs remained for the examination of the witnesses.

The stigmata bled every Friday and then, later, only on Good Friday, but the suffering of stigmatisation grew more and more, especially on Friday.

The authority of the local church, **the Bishop of Nantes, Mons. Fournier**, wasted no time in preparing an investigation to verify the authenticity of these miracles.

Dr. **Imbert-Gourbeyre**, a professor at the Faculty of Medicine at Clermont-Ferrand, was called to examine the appearances of stigmata and to make sure that these were not due to hysteria but were of Divine origin. The conclusion of Dr. Imbert-Gourbeyre, sent to the Bishop, was: **«You have a young woman with genuine stigmata.** There was no fraud in La Fraudais (where Marie-Julie's family lived).

Mons. Fournier wrote the professor a letter ending with the words: **«... She is sincere: what she manifests is supernatural. I see nothing but good, uplifting and in accordance with the principles of spirituality. Therefore, it is God who favors her; You can rest assured that everything will be fine.»**

Marie-Julie also obtained other signs of grace including her engagement to the Sacred Heart, the ability to distinguish blessed or unblessed objects, consecrated or unconsecrated Hosts, and the gift of discernment of souls. Marie-Julie also experienced complete and miraculous fasts that lasted for months and several years, living only on the Blessed Sacrament without any other addition of food or drink. She regularly witnessed the Passion of Christ and regularly suffered attacks from the devil as part of her life as a victim-soul.

In addition to these **graces, Marie-Julie was granted great spiritual knowledge through her visions;** facts that she could never learn on her own, especially bearing in mind the fact that she had attended school for only six months, which was only a necessity to receive First Communion.

Marie-Julie was also granted the gift of prophecy.

Marie-Julie was persecuted by successive bishops of the diocese, also suffering slander and persecution by clergy and some neighbors.

A Vatican Commission decided to send a Cardinal to Marie-Julie, to investigate her in person. Having carried out this task and after performing an exorcism on her, the Cardinal declared **that what happened to Marie-Julie was of a supernatural nature.**

Nevertheless, it happened that Marie-Julie was refused the sacraments by the local clergy, but she miraculously received communion and these facts were also observed by witnesses.

Despite the persecution suffered and the total indifference of the subsequent diocesan bishop, Bishop **Fournier's statement, regarding stigmata, ecstasy** and other miraculous phenomena such as supernatural events, was never revoked and **Marie-Julie Jahenny is still recognized and approved by the Catholic Church.**

Now let's give a summary of the prophecies, by Marie-Julie Jahenny, for each of the items listed.

A PERIOD OF MERCY ON EARTH

«Our Lord is the first to come with His Mercy, and then in His Just Wrath» (September 29, 1880).

In her prophecies, it is noted that the period of Mercy will last even in the time granted to Satan. God will only strike the earth when the crimes reach their peak, with the outbreak of civil and anti-clerical war in France. When this happens, **that will be the beginning of the time of God's Righteousness.**

Marie-Julie, in her vision, when Christ ascended to Heaven, **saw Satan appear before Him demanding more power.** He was promised a period of freedom in which to tempt humanity without limits. His evil conquests would become so great that his followers would surpass those of Our Lord, and the pinnacle of this triumph of Satan would be achieved with the outbreak of civil wars in Europe, the beginning of which will be the civil war that will begin in France and then spread throughout the country.

«Our Lord will grant complete freedom and power to the wicked for a certain period of time.» (August 19, 1878)

Marie-Julie was told that the wicked would have full freedom "within a short time." And this warning came five years before Pope Leo XIII received his famous vision of the "Century of Satan," in 1883.

«The duration of the full freedom granted to Satan is also a warning: if they are guaranteed great freedom, God will reserve for them a punishment corresponding to the freedom granted to them.» (August 18, 1878)

«The wicked will plot conspiracies against the Church to overthrow her.» (August 19, 1878) (October 14, 1878) (July 23, 1925)

«A time of martyrdom is coming.» (October 14, 1878)

In the Chamber of Hell in Paris, (i.e. the Paris Chamber of Deputies) laws will be passed, of such unprecedented sophistication and **wickedness, which will be directed against the Faith and the Catholic Church, in an attempt to erase all that is God's.**

«They will go so far as to erase the arts to rework them in a horrible form; everything they prepare or do is terrible.» (November 16, 1920).

Our Lord warns us that the politicians of the Chamber of Hell in Paris will destroy the arts with the purpose of erasing God and His laws from the minds and hearts of the people; and it is obvious that this concerns not only the visual arts, but also the Humanities and Liberal Arts, such as theology, philosophy, history, law, etc. Wickedness is described as “refined” to say that it is so smooth and thin that it is not noticed until it is too late.

In fact, we are seeing the results of this reality of “refined wickedness.”

Universities have become ultra-left liberals, and many so-called “Catholic Universities” are anything but Catholic.

«France will pay for its 200 years of “democracy” and its anti-Christian regimes that abolished the Catholic monarchy of France. But the monarchy will eventually be restored.» (April 20, 1874).

A bloody era is predicted, a century of new evil inventions never seen before.

«Satan and all the wicked are thirsting for Christian blood like never before. A time of genocide will come when evil leaders secretly agree to use the pretext of stopping the “rebellion,” to gather Christians (Catholics) and to let them enter the churches where they will **be martyred, in the place where the Blessed Sacrament is located.**» (October 23, 1878).

«The wombs of women will be “mercilessly hardened” against children» (December 17, 1878).

«Our Lady prays for France to save “the cradle of innocence” and allow the life of the “little angels,” for **the innocence of children brings mercy to the earth.**» (December 14, 1881).

«Parents will corrupt their children before they even reach the age of reason and they will be raised in a climate of anti-religious hatred. It would have been better if these children had never been born.» (September 24, 1903)

«Children will grow up so as to lose their innocence even before the age of reason; they will grow up as “adults.”» (October 2, 1903).

Children will not be educated to love Our Lady and her virtue of purity, but their upbringing will be aimed at the loss of children’s souls.

The Virgin Mary: «My beloved children, everything aims at an irreparable loss of salvation of children’s souls. The nourishment of these little souls should be the bread of love of their Immaculate Queen, the Queen of Paradise...

After the delivery of young teenage souls to Satan, the enemy of souls, I tell you that most of these children are already on the path of corruption, without their souls having received a single drop of the scent of my virtues of purity. It is truly a tremendous pain because if you knew their numbers, you would be terrified as if you were struck a mortal blow. Evil parents corrupt their children.» (February 8, 1904)

«The warning of the great punishments will come when the great attacks against the Church begin, which will be

accompanied by an indoctrination of children aimed at erasing the Name of God and all knowledge concerning Him.» (November 11, 1924).

«When the evil persecution against the true Faith and the genocidal revolution breaks out, it **will be corrupt youth who will shout “death to Christians” and “death to Christ.” They will be The Worst Enemies of Christ** and the most active in bloodshed, in the desecration of churches, cemeteries and the Holy Sacrament, and in breaking down and **desecration crucifixes.**» (July 19, 1906).

«In the past centuries of the earth, none will compare to this era» (December 24, 1984).

PROPHECIES ABOUT THE CATHOLIC CHURCH

«The Church will suffer three great attacks, but faith will not wither.» (March 19, 1878).

«The Church will be contaminated; the clergy will corrupt. Much suffering, torment and bloodbath will be necessary to purify it before triumph is granted.» (March 19, 1878).

«Much courage and blood will be needed to save the Church in danger.» (September 19, 1878).

Not only did Marie-Julie Jahenny predict a diabolical century, before Pope Leo XIII had had his famous vision of Satan who was granted a century of freedom to destroy the Church; Marie-Julie, cryptically, predicted that Hell would reduce the Leonine prayer (i.e. the removal of this prayer from Mass) to ashes and again, she predicted this, several years before the Pope’s famous vision. (see prophecy dated July 7, 1880).

«The corrupt clergy will be infected by the spiritual “Plague of Degradation,” the lack of true charity and love, and mutual respect. If the clergy do not correct themselves, God will punish him making them the subject of scandals. God will send a serious warning.» (August 5, 1878).

«You will see the scandals of the clergy with your own eyes. Pray for Divine Mercy! We have to expect to see everything. **The crime brought to the altar, the Church will fail in Her mission and will not seek to convert sinners** and the Lord is offended by those who should serve Him.» (September 29, 1879).

«A pope will suffer torment beyond his powers. He will be discarded and sidelined.» (**Card. Giuseppe Siri?**). (August 5, 1878).

Marie-Julie Jahenny predicted an exiled pope would suffer a long and painful martyrdom (due to his exile). This could be a prophecy of the pope himself “discarded” (**Card. Giuseppe Siri?**).

«He will not have a voice like the past pontiffs (an indication that his voice will be silenced). But he will continue to provide for his children and the infallible church.» (January 11, 1881).

The First Bowl of God's Wrath

Interestingly, when Fr. Luigi Villa, in 1956, received from Padre Pio the task of dedicating his whole life to defend the Church of Christ from the work of ecclesiastical Freemasonry, to encourage him, the Holy Friar said to him: «**You are a great friend of Card. Giuseppe Siri! ...**»

In his second meeting, which took place in the second half of 1963, Padre Pio, after saying to him: «**Courage, courage, courage, because the Church is already invading by Freemasonry!**» He immediately added: «**Freemasonry has already entered the Pope's slippers!**» When Fr. Villa told me about this second meeting with Padre Pio, he said: «**With these words, Padre Pio gave me a goal: Paul VI.**»

Padre Pio's assignment was for Fr. Luigi Villa to become the architect of the First Bowl of God's Wrath! When Pius XII decided to give the papal mandate to Fr. Villa, to carry out this task, he spoke with Card. Tardini, who was to communicate his decision to Fr. Villa's bishop. Talking to Cardinal Tardini on what to say to Mons. Giambattista Bosio, the pope said: «**Tell Mons. Bosio that I gave the papal mandate to Fr. Villa and that it is the first time that the Church gives such an assignment to a young Priest,**» and then added: «**And it is the last!**»

With these words, Pius XII recognized the true nature of the task entrusted to Fr. Villa and that this task was unique in the history of the Church.

The strange phrase uttered by Padre Pio: «**My mission will begin after I am dead.**» therefore acquires a particular meaning of his life and his holiness: only a Saint like Padre Pio could transmit to a young Priest such an assignment and only his sanctity could convince a Pope to give a «**papal**

mandate» to the young Priest, to complete the «**Mission of Padre Pio**» that would begin after his death.

To carry out this mandate, Fr. Luigi Villa created the Magazine «**Chiesa viva,**» in September 1971, about three years after the death of Padre Pio.

THE APOSTATE CHURCH

The suppression of the Church and the formation of an apostate Church will take place during the «**Three Periods of Crisis of France.**» (see below)

«**Before the punishments strike France, many souls will lose faith. France will be populated by masses of guilty men who, from the foundation of the Lodges, worked to glorify Satan by raising places of worship.**» (August 22, 1882).

«**Those who gather and fill the Lodges await the moment to rise up and throw the mud of scandal upon the Church.**» (September 29, 1879) (March 15, 1882).

«**Satan, full of euphoria, travels everywhere in the world ... and within his homes, where the disciples who follow his doctrine live, he reveals to them his Satanic secrets to losing their souls. Satan gives his advice and the bloodhounds of hell drink the designs of his doctrines made of spells and sacrilege.**» (June 5, 1904)

«**The suppression of God's works and the triumph of evil men will take place when devotion to the Sacred Heart is suppressed and fought against. Men will not want to admit that it is through the Sacred Heart that promised peace will come.**» (April 12, 1880).

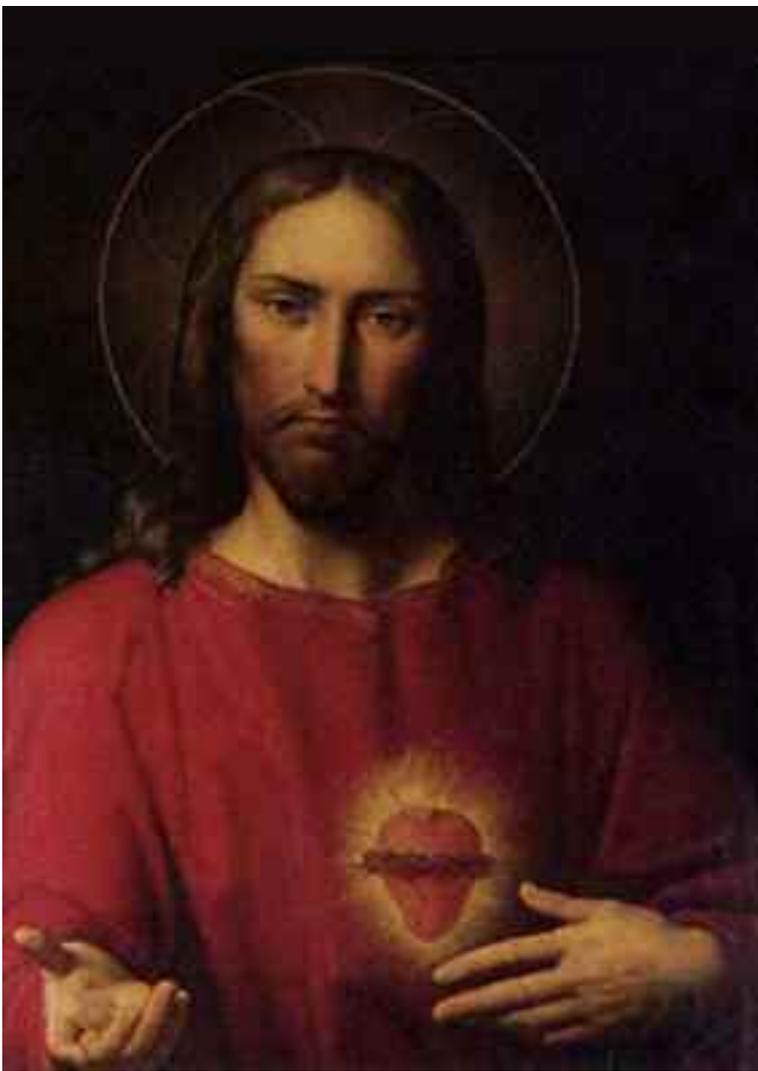

«**The wicked will manifest their fury against the devotion of the Sacred Heart.**» (Several dates).

«**Families will be forced to abandon religious educational institutions and replace them with secular schools. Religious, in this situation, will not be able to earn a living and will have to rely on Divine Providence.**» (September 29, 1879) (March 15, 1882).

«**The Church and the faithful will have to privately buy the properties for Catholic schools, churches, hospitals, etc. The government will not return what it takes. If the properties are private, it will be difficult for the government to appropriate them and influence what is taught in schools, etc.**» (October 11, 1881).

«**The Church will suffer such persecution that has never before been unleashed from Hell. The bishops having already fled, the churches having closed, the holy souls will weep over abandonment and ruins. There will also be a hellish attack on devotion to the Sacred Heart.**» (July 21, 1881).

«**An evil leader will rage three times against the Church and against the Religious who will be forced to hide in private homes of Christian families, but they will not yet be safe since the wicked will enter the houses to find them. This black persecution will last until the Great Monarch is sent by God.**» (November 30, 1880).

«Plots will be orchestrated by the wicked who will wait for the moment when their leader gives the order so that their plans can be put into action.» (November 11, 1924).

«Great persecution will break out; many religious will be martyred, and traps will be placed in monasteries and cloisters.» (March 19, 1878).

«The prophecy of the bloodthirsty century: Catholics will be surrounded on the pretext of stopping a rebellion to defend secular “freedom.” Catholics will be martyred in churches.» (October 23, 1879).

«The wicked will try to pass a law in France (an anticlerical law against the Church). God’s ministers will be robbed of everything, but the absolute necessary; they will be obliged to dress in common clothes to avoid persecution. The enemies of the Church will try to turn churches into theaters or places for hellish dances. There will be Priests who will not have the courage to defend the Faith and who will be paid to leave the Church.» (September 29, 1879).

«**The evil government of Paris will pass anticlerical laws against the Faith and the Church, with the intention of transforming sacred places of worship into theatres of infernal abomination.** The weak clergy will join the government. Many bishops will join the infernal regime, particularly in Paris, the South and the East of France.» (August 9, 1881).

«The south and east of France will become particularly evil. In Lyon, there will be blasphemous presentations of Mass, Satanic desecrations and visions.» (Different dates).

«The government will pass a law requiring bishops to send a summons, or an order, to priests, who are hiding in private homes of the faithful, to surrender ... Bishops will be forced to give an answer ... Then the evil legislators will order all religious to leave France.

The Jesuits will suffer in a particular way ... However, there will be some good people who will resist all these evil laws. Unfortunately, there will be many weak bishops who will fall and succumb to evil rule. Their weak faith will be a bad example and will cause the damnation of many souls.» (July 25, 1882)

«In many cities, bishops will hold meetings on what to do with these godless laws. However, only three bishops will remain faithful and endure what they know to be God’s will.» (October 12, 1882).

«Many priests will fall and send letters trying to influence the faithful, saying that there is nothing wrong with government laws. The Pope will try to appeal to the faithful not to follow their example and to stand firm in faith, but few will listen. Many souls will be lost.» (October 12, 1882)

«**The Sanctuary of the Sacred Heart** will be used for the diabolical Councils of these evil men, from whom they will plan their betrayals, create organizations to close churches, close religious orders and famous sites of apparitions.» (September 29, 1881)

«**In the Sanctuary of the Sacred Heart** they plot their last plans.» (September 29, 1879) (March 15, 1882).

«**The Sanctuary of the Sacred Heart** will serve as a theatre for all the wicked who are involved in human laws.» (January 27, 1882).

«**From the Sanctuary of the Sacred Heart**, they will approve the evil laws that will lead to the Apostate State Religion, which will be approved in June.» (Several dates).

«The place of prayer of St. Geneviève (her sanctuary) will become a theatre of dances and hellish crimes.» (January 27, 1881).

The suppression of church bells and funeral services will be imposed.

«They will erase all the memory of the Catholic Religion and create an impious religion.» (September 6, 1880).

«**Monasteries will be plundered, Masses parodied, funerals forbidden.**» (Several dates).

«However, the Virgin Mary will protect the places where her miraculous statues are venerated.» (Several dates)

«**False deities will be worshipped.**» (Different dates)

«The Pope will be attacked and taken prisoner, all ecclesiastical authorities will be persecuted; at first, they will be allowed to practice their ministry, then, they will be removed from their posts and then order will come for their departure. The wicked will take their place; **new types of ceremonies will be put in place but will be against the Faith and Divine laws. A new evil law will be passed that will require parents to let the evil authorities corrupt their children. But it will only last 44 days.** Martyr-

dom will take place during this period, after which the punishment of God will come.» (August 10, 1880)

«There will be few true priests because many will let themselves be corrupted and join the revolutionaries. They will look forward to abandoning their habits and will spread the horror and abomination among the population. In these days of terror, there will be priests, in France and abroad, **who will not hesitate to break the seal of the confessional, to strip the Faith and desecrate the Church.**» (September 19, 1881).

«The Church will be abandoned, deprived of the Pope, prayers, all offices, exiled from God and saints. They (certain evil forces or groups) will remove the crucifixes and statues of the saints from their shrines to break and desecrate them.» (March 29, 1879)

«There will not remain in France one religious house or monastery in which you can escape the tyrants that will be there in this era.» (June 15, 1882)

«At the time of the fatal events in France, there will be a large number of Apostasies, and the clergy will have been the first to have started many of them.» (November 14, 1884)

«There will be great apostasy. The infamy of corruption will spread throughout the world and cause major scandals. Woe to the priests who will ascend to the altars with corrupt intentions.» (March 19, 1878).

«Bad Christians will not be happy with the loss of their soul during apostasy. They will hunt for souls trying to get others to sin against the Christian faith and their duties.» (June 15, 1882)

«It's time for the great schism. A certain bishop will lead the schism and a group of his diocese will turn against the Church and refuse to submit to Rome. Some men will enter into a false religion, then many bishops will follow them with all the faithful. That is a false religion and it will be the French bishops who will start it and others will follow. These apostate bishops will be enemies of the Great Monarch chosen by God.» (October 26, 1882)

«Our Lady weeps because her warnings about La Salette have not been heard. Now she warns that as a result, bishops will become apostates, false apostles and break with Rome and the Pope; they will listen to the evil government and also promote schism and encourage the faithful to save their souls during persecution by joining the schism. Priests will be uncertain, and many souls will end up in the abyss.» (September 19, 1901).

«The Schism and the break with Rome: the bishops will indicate a council and send their requests to the Holy Father:

1. They will demand a reduction in his authority over them.
2. They will ask for a reduction in obedience to the Pope. They wish to be the authority and do everything in the church. In response, the Pope will request reform or obedience by letter or encyclical, but will not receive any response.
3. The subsequent request of disobedient bishops “will ex-

cite the little people of the earth.» The schismatics will ask for more freedom for the clergy, not only for France, but also for Italy, Belgium and many other nations.

4. The next request will cause dismay to the true faithful: these bishops will ask for the freedom of the clergy or the pope, that they may not be more bound to obedience to Him and that they be free to do what they want. A manifesto will be posted publicly inviting or calling on the people to follow the guilty authority of the time.» (November 2, 1882).

«Priests, in large numbers, will separate themselves from the voice of authority. There will be a scandalous freedom of disunity, of levity and that will spread to all the dioceses of France.» (April 24, 1884).

FRANCE WILL BECOME A MUSLIM

«A false religion, **resembling Islam**, will be forcibly imposed by the authorities. Catholics who have lost their Faith will enter it. It will be a “happy happy” religion of a “cheerful heart” that will be completely stripped of the Sacraments of the Church. To escape the death and suffering of persecution, many will enter this false religion. Many bishops will enter it bringing souls to Hell. During this period, young people will be spoiled, and the purification will be terrible.» (June 9, 1881)

«A new diabolical service of worship, a universal ecumenical style, will be introduced by Satan. **Ministers will wear red robes and cloaks, they will have some bread and water for service, but without a valid consecration.** They will be allowed to do this rite everywhere, under the open sky and in their homes.» (June 28, 1880)

(Note: **Wine is not mentioned as part of this service**, and this would fit very well with the new religion that will be imposed on people and of the Islamic type, in which the use of wine is prohibited.)

«Today, I give you a warning. **Disciples who do not belong to My Holy Gospel are making a great mental effort to create a second facsimile**, to realize their idea, under the influence of the enemy of souls: **A Mass that contains hateful words in My eyes.** When the fatal hour comes, when they test the Faith of My Eternal Priesthood, it will be these documents that they will use to celebrate, in the latter period.

The first period is that of My priesthood that has always existed after Me.

The second is the period of persecution when the enemies of Faith and Holy Religion will formulate, and impose by force, these documents as **the book of the second celebration. These infamous spirits** (or infamous minds) **are those who have crucified Me and who are waiting for the reign of a new Messiah to be happy.**

Many of my holy priests will reject this book, sealed with the words of the abyss. Unfortunately, (they) will be an ex-

ception and this book will be used.» (November 27, 1901 or 1902)

«Before the end of the century they will have already covered Our Lord with all sorts of insults, torn apart the Gospel and Religion, founding and transforming everything into a frightening form. **The Holy Sacrifice on the altar will have taken on a frightening shape.**» (July 21, 1881)

«Bishops will betray and join the “false church of state.» (July 21, 1881)

«The wicked will not stop on this odious and sacrilegious road. They will go further to compromise everything, at once and in one fell swoop, the Holy Church, the clergy and the faith. The bishops will be replaced by others formed from Hell, initiated to every vice and to all the wicked iniquities that will cover the souls of dirt... new prayers for new sacraments, new temples, new baptisms, new confraternities.» (May 10, 1904)

«Among the new bishops, **an entire generation will be without faith.** They believe in the power of Our Lord, but they do not ... for salvation, for good and for the protection of souls. **Those who spread this weak faith will not be forgiven.** The French clergy will be more guilty than the others and will be punished more than the others, but the clergy will grow up corrupt everywhere.» (August 9, 1881)

«Woe to the priest who does not consider the solemnity of his vocation. Bishops will be willing to abjure the true Faith to save their lives. The clergy will be the cause of the greatest scandals and will give the last sword blow to the Holy Church.» (1881)

«All works approved by the infallible Church will cease to exist ... When this happens, great signs will manifest themselves on earth and darkness will descend on the Church. And, in return, God will bring down the darkness on earth.» (July 1, 1880)

«**There will be war and fury against the Church.** Religion will be weaker and weaker. In a short time, it will be abandoned by the whole world and, in large parts of France, there will be no more shrines, bishops will flee and holy souls will weep on the abandoned ruins.» (July 10, 1879)

Satan will be allowed a complete triumph, but for a short time. Satan to Our Lord: «I will attack the Church, I will tear down the Cross, I will divide (or cause division between) people, I will deposit in hearts a great weakening of faith and there will be a great betrayal. I will become, for a time, the Supreme Master of all things, I will have everything under my empire, even Your temple and all that is entirely Yours.» (September 29, 1880)

«**Paris will be completely devastated by those sacrilegious men.** (the anti-clerical civil war and the disintegration of sacred places in Paris).» (July 25, 1882)

«They will not stop their sacrilegious outrages even when they see the arrival of the Great Monarch; they will persist in doing evil.» (July 25, 1882)

This is the time to declare which side you intend to be on: either to live and die in the Catholic Faith, or to take a stand for your enemies.

«It is time to look up to Heaven because in every corner of the earth there will be the Antichrist, as in the time of the last Judgment, which will travel the whole world to pervert, to weaken and to threaten the faith of Christians.» (September 20, 1881)

«The Antichrist has begun his appearance on earth, but he will multiply. Very soon, he will expand throughout the earth. He will possess souls and above all many priests, monks, and nuns. He will enter these souls; He will make them do unheard of wonders.» (October 19, 1911)

«Demons will come together, many in human form; they will do false miracles; many of these demons will even wear the robes of God's true servants; they will have a strange and fierce hunger for human flesh and blood; they will yearn for the death and bloodshed of the true faithful (i.e. they will plan the genocidal persecution of Christians.» (September 29, 1880)

Our Lord: «If you knew the infamous correspondences that are under the influence of Satan. They sell My Holy Church, they sell in secret the head of the priest, the sell in secret the poor earth that they subject to a horrible punishment. All is delivered up, everything is sold and plots being hatched, every day, the hunger for human flesh to devour, the thirst for human blood makes all their bodies seethe with unrest and a desire to reach the goal as soon as possible. All this is happening in the room of hell (Chamber of Deputies), under the chairmanship of souls sold to the spirit of evil.» (November 13, 1924)

«In the years in which universal Mass will be introduced, or about to be introduced, Satan will make "many revelations" by sending false mystics and visionaries. He will be so cunning in his plans that it will be difficult to unmask his fake messages, and it will seem that these mystics are truly authentic. Satan will attempt to lose people's souls through these false revelations, or waste time unmasking them all, or even just to cause nothing but struggle and contention between false mystics and the attempt of the faithful to expose them as false.» (June 28, 1880)

«There will be many possessions and diabolical obsessions, before the crisis breaks out, as well as many apparitions that will bring "happy messages.» (Different dates)

«**The devil will show up in various apparitions.** Woe to those who make deals with the characters in these diabolical visions. In the months that lead to the great crisis, many souls will be possessed, the world will go mad and the devil will be present to make people renounce their Faith and deny the Cross.» (December 14, 1881)

«When the great terror spreads and during the days of God's Righteousness, many priests will abandon faith for a more comfortable life (of the apostate faith); to save their lives, they will end up becoming traitors to their priesthood like Judas, and lose their souls.» (September 18, 1896)

«Do not be cowardly Christians. Those who will be cowards and will not remain in the Faith will be guilty like those who want to destroy everything and who will try to overthrow the Kingdom of Christ.» (June 15, 1882)

«**Don't follow the crowd. Many will abjure the Faith**

and cast the Cross to save themselves, during persecution. Do not follow their example, Do not trample on the Cross! Your courage will soften the executioners.» (February 2, 1882)

«Despite the attacks and plots to overthrow Her, the Church will remain infallible.» (August 19, 1878)

«If it had not been for the prayers and sacrifices of the faithful and also for the Masses, to retain the Righteousness of God, the punishments would have happened long before.» (September 29, 1879)

«Evil on earth will continue to grow and Divine Justice will be obliged to send more punishments. The sacrifices and prayers of the faithful will reduce punishment. Heaven will ask for sacrifices to appease Divine Justice!» (August 14, 1928)

THE PUNISHMENTS OF FRANCE

«Before sinister warnings appear on earth, everyone will feel in their hearts that "time must not be far away," before the punishments arrive and feel the Righteousness of God in their hearts.» (March 9, 1878)

«Everyone will feel a restlessness in their hearts before the punishments arrive.» (March 9, 1878)

«Punishments will begin when respect for the Sacred Heart is lacking and Charity is cooled.

However, the faithful who have accepted the warnings and who have conformed their lives to them will be guaranteed the grace of peace; despite knowing that the punishments are coming, they will have an inner peace.» (October 27, 1876)

«Marie-Julie Jahenny was informed that she would live until she saw the beginning of the punishments.» (She died in 1941, and therefore saw the beginning of World War II).» (October 27, 1876)

«Warning signs will be given in kind at the beginning of each year.» (September 20, 1880).

«Our Lord will give His warnings in the first months of the year, when it is not yet spring.» (June 15, 1882)

«The events of the punishments will be similar to those leading to The Day of the Last Judgment.» (August 26, 1878)

«Suddenly, many false demonic and visionary miracles will appear on earth. When this sudden proliferation of false mystics and creators of wonders appears, this will be a sign that God is preparing to strike the earth.» (August 26, 1878)

«The first to suffer the punishments, it will be France, being the eldest daughter of the Church and the nation destined to liberate and save the Church.» (February 10, 1876)

«The crisis will suddenly erupt and the punishments will be shared by everyone and will happen without interruption. **The world will become like a vast graveyard. The bodies of the good and the bad will cover the ground.** Famine will be great, and confusion will be everywhere.» (January 4, 1884)

«It will be the horrors of the revolutionary Civil War that will free France.» (June 15, 1882).

«France, for its purification, repair and atonement, will have to suffer through the great bloody war. **The Triumph will not take place until this suffering is completed.**

Jesus Christ, wishing the Triumph to reach its greatest rewards, will allow the sufferings of war to be intense, thus shortening the time while still having the full and necessary atonement.» (February 1941)

«A warning: shortly before the revolutionary plans of evil men are put in place, **Our Lady will appear in the surroundings of La Salette, to give a warning.**» (September 20, 1879) (March 15, 1882)

«There will be another warning: **Our Lady will appear in Amiens with the Holy Child, to warn the people.** A sign will appear in the sky and **a child's pain-filled voice will announce the horrors that are about to fall on the country. The baby will speak for 27 minutes.** The warning will not only be for France but will be "universal": A warning to all nations.» (November 16, 1882) (September 29, 1879) (March 15, 1882)

«This "unhappy time" of war and plague will have three Periods of Crisis.» (October 5, 1881)

FRANCE'S THREE PERIODS OF CRISIS

The Universal Revolution will begin in France and will include three periods of Crisis.

«At the beginning of the First Crisis in France, there will be painful news about the peoples of England, Persia (Iran) and Jerusalem»: «They will be subject to great wrongs.» (August 25, 1882)

At the beginning of the First Period of Crisis «There will be a New Kingdom for English land and the choice will be made when, suddenly, **death strikes those who hold the helm of this kingdom.** The difficulties will begin for this land, which will be divided into four parts, because no agreement can be reached. The Catholic proposal will be rejected.» (August 25, 1882).

«England will betray its people under the empire (or under the influence) **of a queen;** after the Queen has left the throne, things will not go as the Lord demands (or requires).» (May 18, 1881)

THE FIRST PERIOD OF CRISIS

«The First Crisis will not be everywhere, but will be located in France. The next two Crises will expand everywhere. Violence and evil will come in the last two periods of crisis.» (June 15, 1882)

«The First Crisis will last 3 months, while the beginning of the Deadly Revolutionary Crisis will last 4 weeks. It will be during these first two crises that the "foreigner" will be called to enter France and foreigners will not be deaf to the call. They will have the freedom to do what they want during the first fights and will not be punished for the crimes they commit. The surrounding countries will also join the bloody revolution.» (May 9, 1882)

«Less than desirable foreigners will be brought in and France will not be able to reject them. **When this happens, the nobility of France will be lost.** When these undesirable foreigners enter France, sacrilegious attacks will occur.» (November 30, 1880)

«The largest punishments will begin in Paris.» (December 8, 1874)

«Paris will have most of the punishments that will strike France.» (October 27, 1876)

«24 hours before the uprising breaks out in Paris and Rome, there will be signs of warning in the firmament.» (December 18, 1874)

«Plagues will break out, followed by corruption and anarchy. The attack on the Church will take place when, during anarchy, the wicked put the funeral cloth on the Church.» (March 19, 1878)

Friends of the Marie-Julie Association made the following observation: «There will be torrential rain. Then, when the security forces in France find themselves reduced in number, **for the sending of a large part of the French Armed Forces abroad,** to the East and to Arab lands, **the**

infamous laws against the Church and against religion will be promulgated and ties with Rome will be severed. The power (of politicians) will be exercised over the clergy by beginning its oppression.» (Observation given April 20, 1882)

«The evil conspirators will plan the revolt; they will hide the explosive under the walls of Paris (...) ardent Hell will begin, with the destruction and death of many.» (June 1, 1877)

«Blessed are those who will stay away from the walls of Paris, when the horrors will break out. **The genocide of Christians and then the complete destruction of the city will begin.**» (September 29, 1880)

«**Pray for Paris. Only a few souls manage to escape.**» (September 20, 1881)

«**Stay away from Paris, which will be described as Babylon.**» (July 23, 1925)

«**Civil unrest will be provoked by the rulers. They will deprive workers of their work and employment.** When this happens, the unrest will begin by agitators that will cause blood, murder, and fire, with the use of explosives, to destroy the “strongest walls that have ever been built.» (November 23, 1882)

«**Civil unrest will begin with economic hardship.** France will be inundated with people out of work, people unable to find “asylum” or “refuge,” and agitators will travel the country inciting workers to revolt.» (September 29, 1879) (March 15, 1882)

«As soon as the evil conspirators have lit the spark that will cause fire, they will flee and take shelter. **They will open all the gates of France to all those who wish to occupy France.**» (September 20, 1881)

The Virgin Mary: «The French people will be very unhappy. All doors will be completely opened to foreigners of all tongues and to all those who wish **to enter this cursed Sodom (Paris) above which the Justice of my Divine Son is suspended.**» (January 5, 1904)

«**Screams of despair will explode, in the months of the Sacred Heart and the Most Precious Blood (June and July). This will be a sign of the beginning of the Civil War in Paris.**» (April 27, 1877)

«The bloodbath will begin and **the government, when it sees the beginning of the carnage, will flee, disappearing like a bird in another nation, so as to leave France at the beginning of its Revolution and with nothing to stop it.**» (April 27, 1877)

«**And this will happen in June, just when the wicked will pass a law that will make the new Apostate Religion legal.** The clergy who accept this religion will have to swear loyalty to the (new) form of divinity...» (Several dates)

«The guilty men, who started the massacres, will immediately disappear (...) As soon as they depart, resounding cries will return to Paris. **It will be the screams of godless people who will celebrate their entry into this bloody hour.** These screams will continue for several days and then spread across the nation. Do not build a house or stay

in France, because it will be lost. Only Brittany will be spared.» (September 20, 1881)

«The screams of Paris, which will start the carnage, will begin first with a horrible blasphemy, followed by cries, hateful songs and confused screams. Poor innocent people stuck in the city won't have time to escape. **The roads will be closed and the passages blocked: this will be the time of the massacre.** There will come a terrible thunderstorm with lightning that will last two days, **but nothing will stop the massacre which, too, will last two days. Christians will die shot and guillotined.**» (December 23, 1881)

«**All the children of God, good and bad, will rebel.**» (October 27, 1877)

«**France will be marked with a red sign of the return of terror.**» (June 1, 1882)

«The guillotine will return.» (July 25, 1882)

«During these massacres, the earth will be inundated with blood as it did during Noah's time when the earth was flooded with water.» (June 15, 1882)

«A terrible prodigy will appear during the crimes and massacres: **a black and blue rainbow will appear, and a red rain will fall that will coagulate on all the houses,** adhering like a paint. It will fall on the earth, but you will not be able to drink it. Then, in this red rain, a sign of terror will appear: **A cross in heaven will form, an image of Christ.** Everyone will be hit by a brand of terror that will be unable to remove. After three days, the rain will pass through the world.» (April 8, 1880)

«A shower of blood will fall from an extraordinary cloud **and coagulate on the earth for 7 weeks.** A terrible “fire” will come from the earth and send terrible heat and a poisonous stench. **My people will remain locked up for seven weeks.**» (March 9, 1878)

«Then, the churches will be closed and looted, the sacred statues overturned, the crosses torn down, the tabernacles violated.» (April 27, 1877)

«The Blessed Sacrament will be desecrated, trampled and thrown into the mud. The faithful and priests will try to rescue Him, gathering Him in the streets and carrying Him hidden on their breast.» (April 27, 1877)

«But this evil time will be short.» (October 24, 1877)

«After the first revolutionary crisis in Paris, there will be a “respite.” Then those who have declared themselves “winners,” with (the help of) “men of science” will provoke a “glow” that will shake the “Great City.» (Paris) (will it be a bomb for biological warfare?) (September 28, 1882)

«At some point during the Civil War, the anger of the wicked will seem to stop and pause. This will be the moment when, suddenly, a terrible plague called the **burning-faced plague** will break out.» (September 20, 1880)

«This disease will attack the heart first, then the mind and at the same time, the tongue. It will be horrible! The heat that will accompany it will be a consuming fire, so strong that the affected body parts will be of unbearable redness (red spots). After seven days, this disease, like the seed sown in a field, will quickly increase and make immense progress [i.e. take over the body quickly]. There will be only one remedy that can cure this **burning-faced plague**; a remedy that will have to be taken in time or will not work. This remedy is White Hawthorn Leaf tea.» (August 5, 1880)

«This plague will strike so fast that people will not have time to prepare their souls for the encounter with their Creator.» (November 30, 1880)

«Pestilence and diseases never seen before will appear

in France. **The Great Plague will start from the Centre of France (Paris).**» (June 15, 1882)

«Epidemics will also be terrible in the south of France: in **Valencia, Lyon, Bordeaux** and **the lands leading to Paris**. Very few will escape. The corpses will spread a stench that kills.» (October 5, 1881)

«The “**burning-faced plague**” will also wipe out evil people at the same time, but the people of God will know the remedy of the White Hawthorn, and will also have the Divine Heart, the Immaculate Heart and the Cross as a sure haven; plus the Crosses of Forgiveness, medals and our sacramentals. God will also hit the bodies of the wicked and reduce them to dust, their corpses will be too (...) corrupted to be left (in such a state). God will literally reduce them to dust, so the earth will not be contaminated by them and will be left to the predestined who will store it.» (July 23, 1925)

The prophecies then indicate **God’s wrath towards the wicked in government in the “Chamber of Hell”** (The National Assembly of Paris) who seek to set themselves up as winners over God and His Laws. **These evil ones will make more infamous laws than the previous ones and send letters and convocations with requests for reinforcements, to continue the bloodshed** (of Christians). These evil ones in power will be the first to taste The Divine Righteousness of God and suffer His punishment, first in punishment and then **with a terrible earthquake that will shake the ground** (lifting) **it to heaven and then** (falling) **swallow these evils, burying them and sending their souls into the Abyss.**

«In Paris, there will be a huge collapse of the land that will swallow entire buildings.» (November 16, 1882)

«**The National Assembly and Paris will be annihilated by a fire that will fall from Heaven; the fire of hell and Heaven will come into contact with each other; even water will look like fire; the city will collapse and look like a huge sand pit or quarry. These signs of destruction will remain so until the End of time.**» (Date unknown)

«**The man cursed by Heaven** (the evil leader who has the greatest political responsibilities in France) **will be the last to sink.**» (September 29, 1879) (March 15, 1882)

THE SECOND PERIOD OF CRISIS

«**This period will last 45 days**, the period in which the invaders will invade France. They will enter the diocese from where Brittany begins. They will also invade Orleans and large areas of territory and then, in one fell swoop, they will also reach Paris, right in the midst of the crisis.» (September 28, 1882)

«Brittany will be spared the biggest impact of the attack, but it will still have to suffer. The “barbarians” managed to cross Brittany in an area north of the territory of Rennes.» (July 25, 1882)

THE THIRD PERIOD OF CRISIS

«It is difficult to pinpoint the beginning of this third period but, during its final phase, the enemies (of God) will try to place a usurper on the throne of France, but without success. On the contrary, it will be such a failure that it will show that it is impossible to keep him in power. **The contender and his followers will try to prevent the true King from entering France.»** (May 9, 1882)

The Marquis de Franquerie, in his book on Marie-Julie Jahenny, divides the Third Period of Crisis into three phases:

1. The first phase, long and painful occurs when Divine Vengeance manifests itself by annihilating the guiltiest men;
2. The second phase will be shorter, but more formidable and more sinister;
3. The third phase will take place when all is lost, from top to bottom and St. Michael the Archangel will wait with his armies to fight and achieve victory (August 1, 1905)

«Jesus Christ looks with disapproval at the “**Chamber of Hell**” (i.e. the Chamber of Deputies of France) where infamous laws have been passed. France will be invaded by foreigners who, with their armies, will tear apart and tear down its sacred temples (churches).» (August 31, 1900).

«This will be the last great effort of the wicked: they will try to desecrate all that is respectable on earth and even put friends against friends. **In the end, Jesus Christ will put an end to all this.»** (October 27, 1877)

The Sacred Heart: «When the time of purification of the earth is near, that is, when minds revolt against each other, when there will be neither peace nor justice among My Christians, not in the world, but in My Christians, the hour of My Justice will be close. I will purify the earth of all those impure and unjust souls who insult and outrage Me. I will strike down their bodies so hastily that it will be as fast as lightning ... then My Anger and My Justice.» (November 13, 1924)

«**While these unfortunates rush all my people to the grave, then the world will be under the vengeful lighting of Heaven.»** (August 9, 1881)

«Pray, this is the only remedy, which will be the strong food of souls.» (October 11, 1904)

«The Church will be forced to hide; during this time you will not have the Bread of the strong ... No apostles, you will have only your faith as food, my Divine Son as Sovereign Priest to forgive you. (that is, to make a perfect Act of Contrition) ... My dear children, **all the souls living in His Divine Heart will run no danger.** They will only have a faint knowledge of His anger. They will be enclosed in this immense sea of prodigies and power, during these great blows of Divine Justice.» (August 17, 1905)

«**Those devoted to the Sacred Heart will be sheltered. The Sacred Heart will be a shelter.»** (July 30, 1925)

The Chamber of Deputies of France, which Our Lord calls: “Chamber of Hell” because infamous laws have been passed there.

SOME PROPHECIES AND SUPPLICATIONS FOR FRANCE

«**France will lose half its population.»** (September 16, 1904)

«**Four large cities** (of France) **will disappear**; there will be villages without a soul.» (16 September 1904)

«**Those destined to remain alive**, during the punishments and wrath of God, **will see things never seen in any other century; punishments will be so great that the survivors will envy the dead.**» (September 29, 1878)

«The righteousness of God will spare nothing. **God is cultivating the earth to plant a new seed.**» (May 25, 1877)

Here are some pleas from the Virgin Mary about the future of France, communicated to Marie-Julie Jahenny:

«**Pray for France. I will save France.** Faith is not yet dead, she is only sleeping, but pray to awaken it.» (March 18, 1874)

«**Only prayer and penance can save France.**» (September 29, 1864)

«**France must rekindle its famous devotion to the Blessed Sacrament.** This will reunite France with Heaven.» (September 10, 1874)

«**France must pray three prayers**, three times a day, for its liberation: the Magnificat, an Ave Maris Stella and a Stabat Mater.» (March 25, 1874)

«**We must pray to God that He may send the Great Monarch.** Saint Louis IX revealed a prayer to be offered to God to obtain intercession for this purpose.» (August 25, 1874)

«Saint Michael the Archangel and the Holy Spirit call France, purified, as “New France.”» (September 29, 1878) (December 28, 1880) This is also confirmed by Our Lady Queen of France.

«If the triumph is awarded thee [France] so fast, it is the grace of Mary, to her tears, her supplications.» (October 1, 1875)

«Our Lady affirms that she will defeat the wicked and lead them to the feet of the Great Monarch. **Her Triumph will come through the Great Monarch.**» (May 23, 1874)

«The Triumph of the Immaculate Heart will come with France and the return of the White Flag (the flag of the kings of France with lilies).» (July 3, 1874)

«Do not expect peace to come from man. **Only the Sacred Heart will be able to save France.**» (August 5, 1879) (September 7, 1939) (February 1941)

«Jesus Christ has great surprises in store to confuse those who refuse to believe in the existence of the supernatural.» (February 1941)

«The Immaculate Heart and the Sacred Heart will protect the faithful during punishments and ruins. They will proclaim the victory of the Cross. “Dear children, do not tremble.” My Mother’s heart will save you with the Divine Heart and the despised Cross will shine in the firmament in a white and golden cloud and a ray of love will form the words: **Right souls, souls chosen to live again after these disasters, go to the ruins that the punishments have struck, keep in your heart the tree of life (i.e. the Cross) the carrier of the Savior of the world, the choice of His Love.**» (July 21, 1925)

«To Marie-Julie Jahenny, the Holy Spirit said that she would intercede for the Triumph of France when she goes to Heaven. Marie-Julie died in 1941.» (December 16, 1880).

«Again, Marie-Julie was told that she, from Heaven, would see the triumph of the Church on the forehead of **Henry of the Cross** (i.e. the Great Monarch) as well as (would see) **the faithful Pope** (i.e. the Angelic Pope) place his consecrated hand on his head (of Henry of the Cross).» (February 4, 1882) (February 14, 1882)

«**France will not see the Great Monarch and the restoration of the throne** until after suffering punishment, strange lightning from heaven, unleashed elements, civil war, beatings, bloodshed and massacres.» (November 5, 1875) (February 12, 1876)

«I will still allow Myself to be touched (towards France), but only after the destruction that I promised. **Those in the middle of the ashes I will spare for the glory of France.**» (October 24, 1877)

THE TRIUMPH OF THE IMMACULATE HEART

Here are the statements made by Mary Immaculate, Our Lord, the Holy Spirit and St. Michael the Archangel on France that will rise from the rubble.

«From now on it is up to thee, My Mother, to thee alone, to command and fix the hour of the Victory of thy beloved Daughter!» (May 24, 1875)

«The punishments due to France will be mitigated for her devotion to Mary Immaculate, and Our Lord will not strike her as hard as He should.» (September 7, 1939)

«Our Lord has in mind to rebuild a “New France” for His Mother.» (September 7, 1939)

«Our Lord refers to a “New France” again in February 1941.» (July 23, 1925)

THE GREAT MONARCH

«We must pray to God that He will send us the Monarch, and especially pray to St. Michael. Not enough prayers have been recited for this request.» (March 25, 1874)

«We must pray to God that He will send us the promised king. **Saint Louis IX revealed a prayer to be offered to God to obtain intercession for this purpose.**» (August 25, 1874)

«**He** (the Great Monarch) **is the beloved of Our Lady as if he were her son and especially protected by her.**» (June 15, 1875)

«**He will be like another Saint Louis IX.**» (March 28, 1874)

The Identity of the Great Monarch (King of France)

«I wanted to give France a King whom she refused, but the one I want to give her, she will accept.» (June 21, 1874)

«The Called One of God, the Rejected and the Abandoned by the great part of men. It is at that moment when the voice of God will call him.» (August 25, 1882)

«He will live in exile.» (December 31, 1874)

«He is Henry V, Henry of the Cross» (March 25, 1874) (November 1874) (June 1, 1877) (February 4, 1882)

«He is the exiled “The Miracle Child.” All prophetic words refer to him. The Miracle Child of Exile will return.» (March 22, 1881)

«He is the exiled, one day called the “Miracle Child.” Much later, they will know the depths of his heart. He was reserved for the Great Epochs.» (September 6, 1890)

«The exiled king will return to claim the throne of France. Men will say that it is impossible for him to return, and we ask them: “Are you prophets?”» (September 29, 1878)

And again: «Let men affirm and say that he will never return. Listen to them and then ask them if they are prophets!» (September 6, 1890)

«The king chosen by God will return to claim the throne, even if the whole universe is determined and convinced of the impossibility of his return; in fact, this is impossible for man. But only God can bring him back with His Divine Power. How this will be accomplished is hidden in the eyes of those blinded men who do not want to recognize the king chosen by God.» (July 19, 1881)

«The Great Monarch will not be a Bourbon suitor, not even a descendant of Napoleon Bonaparte or Louis Philippe (House of Orleans), nor a descendant of the Naundorff's.» (March 28, 1874)

Has this king been revealed? Yes: **The Great Monarch is none other than Henry Charles Ferdinand Maria Dieudonné d'Artois, Duke of Bordeaux and Count of Chambord**, who has been called **Henry V**, the “Child in Exile,” the “Miracle Child.”

THE ARRIVAL OF THE GREAT MONARCH

«The King will not come to reclaim the throne and save France until after France has suffered its crisis.» (June 21, 1874)

«The **Sacred Heart** will take the time of punishment to bring the promised King more quickly.» (December 1, 1876)

«When the King arrives, France will be weakened and depopulated because of the punishments.» (September 29, 1878)

«The Great Monarch will not arrive until the “current throne” in France (democratic government) is completely wiped out. The Great Monarch will come after some time after the fall of a man described as “pillar of mud” sitting on the “throne of today” (i.e., a democratic leader) who will be wiped out along with all his rulers.» (September 29, 1878)

Note: The term “pillar of mud” is considered a secret prophecy that refers to **Nicola Sarkozy**, former President of France. Sarkozy’s father was a Hungarian aristocrat whose ancestors were made noble by Ferdinand II of Habsburg in 1608. Interestingly, the words “**Sar**” and “**Kos**,” in Hungarian, mean “**pillar**” and “**mud**” respectively. Since Nicola Sarkozy was “wiped out” at the end of 2012 and in January 2020 a process was announced concerning him and beginning in October this year, it seems that the punishments of France and the return of the King are in the period following and very close to what we are experiencing.

«A mystic in Marmoutier, near Tours, with a sharp and penetrating scream, will announce the beginning of the massacres that will strike Paris and the arrival of the Great Monarch. **When this prophecy is announced, the Great Monarch will enter the stage.**» (August 25, 1882).

«Great miracles will manifest themselves upon his arrival. He will be described as “a man enveloped in miracles.”» (December 28, 1880)

«About two hours before God “lifts the veil” (i.e., let the Great Monarch intervene) **a miraculous sign will appear in the sky** that will alert the King’s friends to be ready. These friends will bring a “Holy Benediction” to the King who with dust on their foreheads, humbly bowing with all his Court under the call of the Lord ... » (July 8, 1882)

«The “servants and victims” will bring the spotless **White Banner** to the Great Monarch. These virtuous servants and friends who will fight with the King will be honored: their names will be imprinted on the Flag and the whole of France will honor them in future ages.» (July 8, 1882)

«In this miraculous sign (appearing in the firmaments), there will be spots and warning signs in the sun.» (October 4, 1929)

«The Soldiers of the Cross will enter Brittany and join the king’s armies as soon as they enter France. They will join under miraculous signs of fire in the sky. There will be frightening bloodied red marks in the sky that will appear on a Friday morning. Then, at nightfall, west of France, a white light will appear; a huge white sign surrounded by a curtain of diamond fringes, which will remain (visible) for three-quarters of an hour. “Your homes will be lit up like the sun.” The streets will be as bright as they are on an ordinary day.

After half an hour, to the west, a red bar will form, in the form of branches, and drops of blood will escape it. This red bar will surround the whiteness of the sign and will invade the brightness of its light (a symbol of the attack of evil).» (November 21, 1882)

«A black stripe will then appear representing Lucifer and his followers. This strip will be wider than the other two signs, for it represents the followers of evil who exceed in number those of good.» (October 4, 1929)

«However, the Great Monarch will triumph. From the West, the white light will grow a little, while the red bar will dissipate, as a symbol of the victory of the white light (that is, the victory of the Great Monarch). **This will happen on a Saturday day between 5am and 6am.** The Soldiers of the Cross and the King’s armies will join under the Star of Victory. The star will be square in shape and miraculously show, in its center, a crown and a scepter that will be well distinguished by all the peoples of the earth.» (November 21, 1882)

«The arrival of the King, described as a radiant star coming from exile, will be a sign given to the obstinate Jews of Christ’s power. The Great Monarch will arrive amid the storms and signs of God’s wrath to open their (Jews) eyes.» (January 18, 1881) (February 28, 1882)

«The signs that will accompany the arrival of the Great Monarch will look like the signs of terror that appeared on Good Friday (the sun obscured, the earth shaken, and the resurrected dead that appeared to many).» (February 28, 1882)

«The true ministers of God (bishops), who had hidden themselves, during the persecution, will return to the King’s call, but very few will answer this call: I saw only four.»

«The **Sacred Heart** will appear bringing to the Great Monarch the **Banner of the Sacred Heart.**» (December 1, 1876)

«The Dove of the Holy Spirit will also appear bearing the **Banner of the Sacred Heart. He** (the Great Monarch) **will establish the Kingdom of the Sacred Heart in France.**» (July 17, 1874)

«**The King will arrive in the name of the Sacred Heart and wear the emblems of the Sacred Heart on his chest.**» (September 19, 1901)

«The Great Monarch will also carry the **Banner of the Cross.** Victory will come through the Cross.» (May 11, 1877)

«The Great Monarch will arrive during the great revolts and civil wars in France. He will arrive a few weeks before peace, which he will do in the midst of the revolts.» (March 28, 1874)

«In reality, the Great Monarch will arrive in the middle of two weeks of terrible fighting, during which there will also be terrible chastisements.» (October 1, 1875)

«The murderers of the country (i.e., the evil conspirators who destroyed France) will raise a “thick dust” against the entry of the King “Miracle Child.”» (March 22, 1881)

Note: The “**thick dust**” is a reference to the entry of foreigners who will be allowed to attack Catholics during the First and Second Revolutionary Period.

«Foreigners will have already invaded (France) with their army.» (September 18, 1902)

«There will be many battles, struggles, dethronements, bloodshed and unworthy revolts, before the Great Monarch takes the throne of his ancestors.» (December 28, 1880)

«God will stop the invaders, then raise the Great Monarch.» (September 18, 1902)

«He (the King) will come from the “part of the Levant”

(he refers to the Mediterranean eastern littoral of the between Anatolia and Egypt.)» (May 9, 1882)

«The King will depart from a land close to Italy.» (July 21, 1881)

«Henry V (the Great Monarch) will march first, Christ will show him the path to take. The King will come from the East and head for the South. The King's friends will follow him.» (November 1874)

«He (the King) is also described as coming from the northern borders.» (March 22, 1881)

«He (the King) will cross the East and come out of the lower part of the north.» (September 18, 1902)

«Three candidates will contest the Crown of France, but the rightful king, Henry V, will be the winner.» (November 1874)

«The first day of the battle, in support of Henry V, will be terrible and will be fought in the heavens. The next day, the battle will be fought by men.» (October 1, 1875)

«The battle that will take place later to free the Pope in Rome will not be as terrible as that fought for King Henry V.» (October 1, 1875)

It will then be during the Third Period of Crisis that salvation will come, when France is handed over to the Great Monarch.

«A weak contender will try to stay on to the throne but will fail, because people will recognize that he is not the real King. The followers of this contender will try to prevent entry to the Great Monarch.» (May 9, 1882)

«This weak contender for the throne will be a descendant of the Orleans branch who will try to take the throne, but Heaven will not be happy with this choice because his ancestor had become a traitor. He had become a Freemason and had taken part in the French; He was therefore guilty of the death of King Louis XVI and Queen Marie Antoinette. This contender of the House of Orleans will not ascend the throne.» (September 6, 1890)

«The true King will arrive in the midst of the storm (wars and terror) and will have enemies who will face him when he comes to take possession of the Throne and France, but Our Lady will protect him.» (September 6, 1878) (September 6, 1890)

«Saint Michael the Archangel will help him defeat the enemies of France.» (September 29, 1874)

«Saint Michael the Archangel will rebuke the Freemasons for seducing France and **declare to reduce Freemasonry to ashes.**» (December 26, 1877)

«St Michael the Archangel will keep God's enemies under his feet, along with everything to do with Freemasonry; he marched with the Great Monarch to the borders of France.» (September 29, 1878)

«The King's enemies will face him with a legion north of the borders, but their eyes will be veiled as in the days of darkness. And so, the King will pass in complete safety.» (March 22, 1881)

«Two leagues from the center (of Paris), the soldiers of the enemy will reunite with the "Democratic Leaders," but God had already decided to blind them, in the great city, as a mark of His Justice.

Lily and Cornflower.

However, another army will be formed, even more powerful than the previous one, but the King will pass without danger. In his march, of about 12 leagues, to France, the King raises the Banner with the Lilies to protect him and his soldiers. They will trample the enemy soldiers who have been blinded, thus passing in complete safety. The King will come to the Throne and be crowned, even before the end of the battle. The contender, who will seek to take his throne, is renounced in shame and confusion.» (May 9, 1882)

«Details of the battle: St. Michael the Archangel will indicate two stages of the battle, or two battles.

He will show the **Banner of the Sacred Heart** together with the righteous men who march under it. The Banner is shown in the act of falling twice in front of enemies. The first fall of the banner will take place on the righteous giving them protection. The second fall of the banner symbolizes the period of suffering of France when there will be no more priests, Masses or Holy Sacraments, etc. (In fact, at the outbreak of the anti-clerical civil war in France, the true Church is forced to hide).

This seems to reveal that **the Great Monarch will not arrive until religion is suppressed in France.**» (September 29, 1880)

«Enemies will not perish during the first battle, but after the second. A small number of worshippers are destined to survive and proclaim the Great Monarch and see him enter his glory. These few faithful, who will have received the grace of protection during punishments and plagues, will be particularly destined by God and will see great miracles.» (September 29, 1880)

«A revealed prayer will suppress and disperse foreign enemies.» (October 1, 1875) (October 2, 1875)

«St. Michael the Archangel, with his **Banner of the Sacred Heart**, will overturn the results of the battle, with miracles.» (July 23, 1925)

«The King's allies will stumble upon the bodies of their enemies.» (September 29, 1878) (September 6, 1890)

«Saint Louis IX will be granted the grace, by Our Lady, to help the Great Monarch re-establish the throne of France.» (August 25, 1874)

«The end of the wicked will come at the end of the Third Crisis, **when the King is crowned.**» (August 17, 1905)

«The Bishop, destined for the coronation of the Great Monarch as King of France, will not be of Paris but of the Diocese of Aix; he will be young, he will not be 45 years old yet. He will be a “glorious son of God,” a true Pastor and not a “pastor of those days,” when the bishops abandoned their episcopal see. **The coronation will take place on the ruins of the Centre of Paris.**» (May 26, 1882)

«Peace will come so quickly, that it will appear as a miracle of God. People will marvel at the speed with which peace will be made.» (February 18, 1876)

«**France will be represented by Giglio** (the flag of golden lily flowers in the white field) and so **the Lily will be Resurrected.**» (August 5, 1879)

«**Then, God will heal the Monarchy and the Great Monarch will enter his kingdom.**» (February 28, 1882)

THE PUNISHMENTS OF ROME

The uprisings in France and the crisis in Rome will take place almost simultaneously, while God’s punishments will be universal and will affect the whole world.

Prophecies of Marie-Julie Jahenny

«Satan will be granted his last triumph: **bloodshed, massacres, the persecution of the Church to the places where it will be forced to hide ...**» (September 29, 1880)

«As soon as the revolts begin in France, **the storm will unleash on Rome, with civil uprisings, which will be worse than those in France, for the godless will attack the Holy See.**» (December 8, 1874)

«**Rome will suffer a continuous terror for three and a half years.**» (January 25, 1881)

«**There will be three terrible years.** Italy will suffer from the presence of two evil political leaders; one apparently Italian who will be a tyrant and will reign for a year and a half. He will be followed by a second leader, but this second tyrant will not be Italian. He will be called “Archel de la Torre,” coming from southern Persia (Iran). He will reign for a year and a half. The last three years will therefore be the most terrible.

There will be an insurrection, no doubt as a counter-revolution to the reign of Archel de la Torre. **The last of these three years will see the martyrdom of a Pope.**» (Text of an undated fragment)

«**In the first half of the third year, three popes will follow.** The first will be a martyr. His nearest servants dare to write shameful articles about him to save his life and, in the end, become his tormentors and murderers. He too will suffer when he sees the revolt that struck Rome. In particular, he will suffer terribly for three weeks, but without seeing the end of the persecution.

Even the **second pope**, who succeeded the first pope, will not see the end of the revolt. **The third pope** (despite being very old) **will live longer and see the end of the revolt**, but it will be difficult to find him in the midst of so much rubble.» (June 6, 1882)

«**The third pope will be the saint of the three**, but he will not have finished reigning his third year before God calls him for his reward and after these three popes the Church will remain vacant for several months.» (May 16, 1882) (September 29, 1882)

«Several calamities that had been reserved for Rome, will be spared **for the canonization of Pius IX.**» (October 24, 1878)

«Corrupt clergy will be punished.» (December 18, 1874)

Catherine Emmerich, on October 1, 1820, revealed: «We must pray that the Pope will not leave Rome because if he did, countless evils would ensue. I now see that in Rome the Catholic Church has been so deftly undermined that **only a hundred priests remain who have not been deceived.**»

The **Holy Pope Pius X**, on May 29, 1909 in Assisi, during an audience for the General Chapter of the Franciscan Order, had the following vision: «What I have seen is terrifying! Will I be the one or will he be my successor? **What is certain is that the Pope will leave Rome and that from the Vatican he will have to pass over the dead bodies of his priests.**»

Shortly before his death, the Holy Pope Pius X had this other vision: «I saw one of my successors (with the same name “Giuseppe” (Joseph) who was fleeing over the bodies of his brothers. He will go back to some hiding place but, a short time later, **he will die of a cruel death.**»

It is very likely that this is Pope Benedict XVI, whose first name is Joseph (Joseph). In addition, there are other prophecies, which refer to the time when the period of crisis will begin in Rome, which mention and highlight a **white-haired Pope, whose surname begins with the letter “B” and who will be rendered powerless.** Finally, a pope fleeing on the bodies of his priests seems to refer to an invasion of Rome and the Vatican, and this too conforms to prophecies of the past.

St. John Bosco, on the eve of the Epiphany of 1870, received from Our Lord a revelation concerning France and Italy.

Jesus Christ said that **he would visit France three times with the scourge of His wrath**, for she no longer recognizes his Creator. With the **first visit**, He would destroy her pride, her crops, her cattle and her men; with the **second visit, Paris, the brothel of Europe**, would lose her political leaders and plunge into chaos; with the **third visit**, He would bring France under the yoke of foreigners who would see burning palaces, ruined houses and soaked in the blood of their inhabitants. Our Lord also warned that a great warrior would arrive in France from the north, with a banner and the inscription: “Irresistible is the hand of the Lord.”

Later, Jesus Christ spoke of Italy: «**Country of blessings, who plunged you into desolation? Not your enemies, but your friends.** Don’t you feel that your children beg for the bread of faith and that there is no one to give it to them? ... My hand will be heavy on both the flock and the shepherds. Famine, plague and war ... **And what will happen to you, ungrateful, effeminate, proud Rome? ... O Rome, four times I will come to You!**

The first time, I’m going to hit your region and its people. **The second time**, I will bring massacres and destruction to your doors.

The third time, I will come and demolish your defenses and your defenders. At my Father’s command, terror, dismay and desolation will reign. My wise followers will flee, but My law will still be trampled underfoot.

Therefore, I will come **the fourth time**. Woe betide you if My law is still unheeded. There will be defections between the learned and among the ignorant. Your transgression will be erased from your blood and that of your children.

War, plague and famine are the scourges of human pride and malice. Where are your magnificent villas and palaces, you rich people? They’ve become the garbage of the squares and the streets. And you priests, why do you not prostrate between the vestibule and the altar, crying and praying that the scourge will cease? **Why do you not take the shield of faith and preach My Word from the roofs, in houses, streets, squares and even inaccessible places?** Do you not know that this is the terrible double-edged sword that kills My enemies and appeases the wrath of God and man? **These things shall inexorably all come to pass, all in succession.»**

Our Lady of La Salette summarizes the “punishments of Rome” in three words: «**Pagan Rome will disappear!**»

Italian Parliament.

ROME AND THE ANGELIC POPE

Catherine Emmerich, on January 27, 1822, thus presented the Pope who is to arrive: «I have seen a new Pope who will be very severe. He will drive away the cold and lukewarm bishops. He is not a Roman, but an Italian who comes from a place not far from Rome and I think he comes from a devoted royal blood family. But, for some time, there will still be a lot of fighting and unrest.»

Marie-Julie Jahenny: «Our Lady will free a Pope (the Angelic Pope) held captive in Rome, sending the Great Monarch to his aid.» (March 25, 1874) (December 6, 1874) «The **Sacred Heart** also announced that the Great Monarch will save the Pontiff.» (July 17, 1874) «**The Triumph of the Pope (in Rome) will take place after the Triumph of France.**» (August 2, 1874) (December 6, 1874)

«The Pope (the Angelic Pope), with the support of only a few bishops, will send a communication to the Great Monarch, asking for his help.» (February 18, 1876)

«At this point, the Pope will be threatened. You will want to kill him and, if he is not martyred it will be only by a shining miracle never seen before. The Great Monarch will take care of the defence of the Holy See as soon as peace in France is assured.» (September 29, 1878)

«When Rome is chastened and the Pope (the Angelic Pope) is held captive in Rome, **he will be comforted by a shining miracle**: some of his faithful ministers, who have taken refuge in a closed church, near the Vatican, **will see a Crucifix that will miraculously pour blood from the Five Wounds.** The Blood will flow so rapidly that two Angels will collect it in two cups surrounded by a halo.

St. Peter’s chains will also be miraculously brought to Christ on this bloody Crucifix. This miracle will touch the hard hearts of the wicked so much that they will grant

the Holy Father some freedom. The angels will take the two cups containing the Blood, flowed into them, and place them on the altar, when the Holy Father celebrates Mass; the same altar used by Pius IX. The Holy Father will climb the steps of the altar at the same time that Our Lord suffered in the Garden of Gethsemane and drink from one of the two cups. In the Blood of the other cup, he will see miraculous writings saying that the French will come to his aid: **“Courage, very August Pontiff, the blood of the French, who are also your children, will come to offer itself to the point of death for your defense.”**» (May 4, 1880)

«The Great Monarch will come to free the Pope and he will temper the tip in the blood of the Romans, in the defense of the Sovereign Pontiff, the bond of all the faithful.» (March 22, 1881)

«Special prayers of thanksgiving for the Triumph, will be revealed by Heaven.» (December 6, 1874)

«He (the Great Monarch) will receive a blessing from the faithful Pope (the Angelic Pope).» (February 4, 1881)

«After receiving the blessing, the Great Monarch, with all his followers, will bring the White Banner (with lilies) back to France into the small house of Marie-Julie, in **La Fraudais** (north of Nantes), **the place from which all the messages that have foretold the arrival of the Great Monarch have come.** The chosen one of My power will set down the white banner, the sign of victory at La Fraudais.» (February 9, 1882)

Father Dolindo Ruotolo (1882-1970), a great friend of Padre Pio, had foreseen a terrible period of heresies, confusion and apostasy in which **the Church would even fall prey to pagan spirits and raise altars to the deity “Earth,”** with reference to the **“Cult of Nature”** better described as the **Cult of Satan.** After the recent scandal of the **Pachamama Cult** (October 2019) held in the Vatican, during the Synod of the Amazon, and with its **Rite of Worship of Nature,** it seems that this prophecy of Father Ruotolo has found its definitive confirmation.

Father Ruotolo, however, also prophesied the arrival of a Pope who will restore the Church; a Pope full of zeal and love, a true gift of God to the Church and to the world. **He will face the renegade and perverted Christians who raise altars to the idols of Mother Earth and their passions, with the aim of undermining Christianity to its foundations.** This Pope will break down apostasy and act against perverts and their erroneous altars and reveal their pitfalls in a powerful voice.

He will gather the best of Christians and begin the conversion of the world. He will suffer terribly, but he will lead the Church to victory and triumph. He will find himself in insurmountable difficulties, but he will overcome them, giving back to the Church independence and freedom.

This Pope will not be afraid of the sinners who dominate the earth. **He will consider their glory as dung, and their power as that of a worm, or rather as dust** rising for a short time and then returning to earth. He will unite faithful souls in one body and one block, claim the rights

of the Church among nations, and **bring all peoples back to God.** There will be martyrs, but their blood will be the seed of new Christians. All pious souls will join this Pope, especially those consecrated to God, and crush the wicked, re-establishing the Law of God in the world.

Some prophecies of Marie-Julie Jahenny about Italy, England and Spain in this glorious historical period dominated by the Great Monarch and the Angelic Pope: **«Italy will have a Catholic King.»** (Fragment of undated text)

«England will convert after the punishments and suffer, without receiving help from France, until France and Italy are safe. Then, with true charity, the French will help the British to put an end to their problems.» (Undated text fragment)

«The King of Spain will be forced to leave his kingdom for a few months, because of his persecutors, but he will return. This return will be a real triumph that will revive his Faith and Hope. He will call “brother” the Great Monarch; he will not be afraid to call highly the brother of the true crown, sharing with him hope and flag.» (May 16, 1882)

THE FOUR HOURS OF DARKNESS (In Brittany)

«Before the Righteousness of God strikes the earth, there will be luminous forerunners.» (October 27, 1877)

«God will give his warning signs in nature during the first months of the year when the days are short, but they are beginning to lengthen.» (June 15, 1882)

«Brittany will see the first warning, still in the difficult season when the wheat has not yet reached the third growth node (winter wheat, that is, we are talking about the months of February and March). Then there will be the **Four Hours of Darkness** that will last from the 12th to 16th hour, in which the sun will be veiled as in mourning, the darkness will be so intense that nothing can be seen.

This is just a warning; no destruction will happen, but it will be a warning that the Righteousness of God is coming.» (October 5, 1882)

An earthquake will terrorize England and France.

«**The earth will tremble in these places for six days.** There will be a day of rest and then, **on the eighth day, the tremors will resume.** France and England will respond with their cries of despair ...» (March 8, 1881)

«There will also be a “strange thunder” that will not seem normal, followed by lightning without thunder that will last for half a day. This will come from a natural and not supernatural origin ...» (March 19, 1878)

«This is one of the first warnings that will occur at the beginning of the year, during the cold months.» (June 15, 1882)

«Part of Brittany will be put to the test, but without reaching those of the whole of France ... there will be a great fright because, for a whole day, the fire of lightning will do much damage, even in the private homes of sinners, and thunder will act as a reproach.» (June 15, 1882)

«Thunder and earthquakes will increase. **There will be a big earthquake, but this time it will last 43 days;** it will raze many buildings in Paris and a Mega Tsunami will occur.» (September 29, 1879) (March 15, 1882)

«**In the end, Paris will be destroyed by a hailstorm of fire.**» (April 27, 1877)

«Catholics and Christian families: stay away from this city of Sodom that will be destroyed by the righteousness of God.» (April 6, 1877)

«**If Paris does not convert, it will be burned,** the heat will be so intense that the stones will be crumbled and can no longer be reused.» (November 28, 1881)

«**Fire from heaven will fall upon this Sodom and mix with the fire of hell.** Water will also take on the burning nature of fire. **The National Assembly will be destroyed and the city will look like a huge sand pit or mine. This sign of destruction will last until the end of time**» (unknown date).

«Only 88 people will be saved during the destruction of Paris.» (August 9, 1881)

«The Church of Our Lady of Victories will not suffer any harm from the destruction of Paris.» (January 27, 18...)

«The good will suffer together with the culprits... for Heaven needs sacrificial suffering for God to spread His grace, to purify and restore His Kingdom.» (July 25, 1882)

«**The punishments will be so great that France will be depopulated,** especially Paris, the major cities and those in the south of France. Only a few, who will have hidden under the ground, will be saved. **Pray for a “Miserere” for Paris, Lyon and Toulouse.** No coffins for people and massacres will be immense. A person will have to travel leagues before seeing another soul.» (September 20, 1881)

Our Lord: «**Do not expect improvement, on the contrary, you will see evil growing continuously, unjust disorders multiplying... until the time that I rise up in My turn.**» (August 4, 1904)

The red arrow indicates

Marie-Julie Jahenny's family lived.

Detailed small map of Brittany (France).

THE TWO DAYS OF DARKNESS (In Brittany)

Our Lord: «The people of the earth will have become so evil and corrupt, and they will have such a lack of faith that even if God and Our Lady were to work wonders superior to those already seen in Judea, at the time of Jesus' life, or any miracle of the past, they would not convert. Thus, **God will not send wonders but blows and decimations, to purify a generation without faith.**» (September 16, 1904)

Our Lord: «**The Bread of Eternal Life, the Bread that sustains My suffering souls, the banquet that strengthens them will be lost on earth, but not for long.** I will leave the wicked an hour of power and strength; to increase their numbers, they will gather all the outcasts of the eternal abyss and all the damned who are on earth in human form, to destroy and annihilate everything. I will leave them this painful and difficult hour. But this hour will be followed by a “**profound darkness.**” The whole sky will be covered with clouds and your blessed candles will serve in the day and My blessings will be abundant. My peace will be with you in this dark night, I will launch all the features of My Justice. I will blast the losers of souls. I will sift the false consciences. I will annihilate the wicked.» (November 13, 1924)

To tell us the time of that “**profound darkness,**” God will send a great warning, namely **the darkening of the sun for the duration of Two Days in Brittany** (France).

The Holy Spirit told Marie-Julie Jahenny: «There will also be **two days of darkness** in Brittany distinguished from the catastrophic **Three Days of Darkness** (which will be all over the world). These two days will be like an authentic test of His goodness, to warn of the looming

Wrath of God on earth. You will not be able to free yourself from the darkness.

So far, no soul has spoken about it, because not many people have been informed. To resist all these events, **holy water and candles, but made of beeswax**, will be a strength and consolation. All those (candles) that will not be of this material (wax) will not be able to help. The sky will be red and purple, the sap of fruit trees will be burned and will not produce fruit the following year. A black rain will fall like a blazing hail, but without destroying the homes of the faithful and without destroying the land that will produce food for them.

Brittany will live these two days differently: in these two days of darkness, under the lowering sky, it will seem that there is light, but no one will be able to see, because no one will be able to expose themselves outdoors, when they open the door (at home), because there will be an envoy from God, in the form of flashes of heat, who will obscure the human eye. The Lord urges me to convey his words and desires. During the day, this darkness will be bearable, while it will not be at night ... While the day will be calm, the night will be violent, and during the two nights, you will hear cries without knowing where they came from (...) During the day, they will be able to go without it, a grace that comes from beyond the Heart of God.» (September 20, 1880)

Our Lord: «The sun shall be darkened before the **Three Days of Darkness, which will come 37 days after this darkening of the sun** (in Brittany-France), and after the announced signs of the earth and the storm.» (November 28, 1881)

THE THREE DAYS OF DARKNESS

The Three Days of Darkness, as God's punishment of perverted humanity, are announced and described, though in succinct form, in several passages of the Old and New Testaments by the authors: Job, Isaiah, Jeremiah, Ezekiel, Joel, Amos, Sophonias, Matthew, Mark, Luke, Acts of the Apostles and Apocalypse of St. John.

PROPHECIES OF MARIE-JULIE JAHENNY ON THE THREE DAYS OF DARKNESS

Here is a summary of Marie-Julie’s prophecies about the events preceding, announcing and characterizing the advent of the Three Days of Darkness and the messages she received from Our Lord and the Virgin Mary

1. The Three Days of Darkness **will begin by darking all over the earth.**
2. The Three Days of Darkness **will begin 37 days after the end of the Two Days of Darkness** (darkening of the sun in Brittany-France).
3. The Three Days of Darkness **will begin on a cold winter’s day.**
4. The Three Days of Darkness will be **a Thursday, a Friday, and a Saturday** (the days of Jesus’ Passion).
5. The Three Days of Darkness will be preceded by **an extremely hot wind coming from the south.**
6. The warm wind will be followed by a **terrible storm,** of unprecedented proportions, which will shake the mountains and with **heavy hail stones that will dig deep into the ground.**
7. **Lightning** will follow, coming from a mass of clouds of fire, which will cross the sky and turn everything into ashes.
8. The air will be filled with poisonous gases and vapors and **gigantic tornadoes will destroy everything.**

Our Lord: «I will come into the sinful world in a frightful roar of thunder, **on a cold winter's night**. An extremely hot southerly wind will precede the storm, and heavy hailstones will dig deep into the ground.»

Our Lord, «**When on a cold winter's night**, you hear thunder so loud that it shakes even the mountains, then quickly close all the doors and windows. Your eyes must not profane the terrible event with curious looks (in other words: do not look out otherwise you will die on the spot). **Gather in front of a Crucifix. Put yourself under the protection of My Most Holy Mother. Do not let any doubt enter your hearts as far as your salvation is concerned. The more confident you are, the more inviolable the protection with which I wish to surround you. Light the blessed candles, recite the Rosary. Be persevering for three days and two nights. The following night, terror will diminish.**» (“World Trends” Newsletter, Issue 47 B, by Yves Dupont. His sources are the books of prophecies of Marie-Julie Jahenny, Rev Fr. Roberdel).

Our Lord: «**The Three Days of Darkness will literally be hell on earth when Satan will travel the Earth**. The lights of heaven will be extinguished, and the Angels will be dismayed.» (October 27, 1876)

Our Lord: «**No one outside this shelter can survive**. The earth will tremble because judgment and fear will be great. Yes, we will listen to the prayers of your friends (of Marie-Julie) and they will not die. We will need them to publish the glory of the Cross.» (December 8, 1882)

Our Lord: «**It will be blessed candles, made with 100% beeswax that will protect you from demons** that will scream all over the world, during the Three Days of Darkness.» (May 23, 1876)

Our Lord: «**Candles are indispensable: their light will be the only thing that will protect you from the fire** that will fall from Heaven and from the flashes that will enter the houses.» (March 24, 1881)

Our Lord: «**Lightning will succeed in rapid violence. Fire from heaven will travel the earth to an appalling width**: vengeful lightning will burn everything that produces fruit. The cultivated lands will be devastated by the power of this fire; the grasslands will be burned and reduced to a completely bare land. The fruit will not appear; all branches of the trees will be dry to the trunk.

For three days, heaven will be in focus along with divine wrath. The land will not produce food for many years to follow; fruit trees will not bear fruit for three years.» (November 30, 1880)

The Virgin Mary: «**There will be three days of physical darkness. For three days, minus one night, there will be continuous darkness. Blessed candles will be the only source of light, in this terrible darkness, and a single candle will suffice for the duration of the three days, but in the homes of the wicked, they will not give any light**. Lightning will enter your homes, but they will not blow out the candles, nor will the wind or the storm be able to extinguish them. During these three days and two nights, demons will appear in the most horrible forms. The most horrific blasphemy will be in the air.

Red clouds will cross the sky. The thunder crash will shake the earth. A sinister lightning strike will cut through the dense clouds, in a season when lightning never appeared. The earth will be shaken from the ground up. The sea will raise rough waves that will spread across the continent (tsunami). **Blood will flow in such abundance that the earth will become a vast cemetery**. The corpses of the wicked and the righteous will cover the ground. The famine will be great. Everything will be in turmoil and **three quarters of humanity will die**. The crisis will suddenly break out. **Punishments will be shared by all over the world and will succeed one another without interruption.**» (January 4, 1884)

The Virgin Mary: «The earth will be covered in darkness and Hell will be loosed on earth. **Thunder and lightning will cause all those who have no faith or trust in my Power to die of fear**. During these three days of terrifying darkness, you must not open the windows, because no one will be able to observe the earth and the terrible color that it will have, in those days of punishment, without dying on the spot. The sky will be on fire, the earth will split ... **During these three days of darkness, let the blessed candles be lit everywhere; no other light will shine.**» (September 20, 1882)

The Virgin Mary: «My children, mind my words ... In these days of mourning there will be another earthquake as strong as many others, but less strong than in many other places. It will be easy to observe: **Everything will tremble except the piece of furniture on which will burn the wax candle. You will all gather around with the Crucifix and my blessed image**. This is what will drive fear away from you, for these days will cause many deaths. Here is proof of my goodness: to those who have my devotion, who invoke me and who keep in their home my holy image, **I will preserve everything that belongs to them**. During these three days I will protect livestock from hunger. I will take care of them **because there must not even be a door ajar**. Hungry animals will be content to see me, without the need for food.» (September 20 ...)

Our Lord: «**The earth will be depopulated by two-thirds to three-quarters, but God will repopulate in the peace and tranquility.**» (September 29, 1879; March 15, 1882)

SPIRITUAL BEHAVIOUR

Spiritual behaviour rests on the virtues of **Faith** and **Charity** which impose on us the obligation to think about our salvation and that of our neighbour, behaving as follows:

1. Since **putting one's spiritual life in order requires will**, determination and a certain time, it is important not to wait until the eve of the punishment of the Three Days of Darkness, before beginning to pray, repent, confess, and return to the Faith, to be in union with Our Redeemer and with Our Father who is in heaven.
2. For those who already have a Christian spiritual life, **there is an obligation to pray, to try to guide and help family members, neighbors, even those faraway our enemies**, so that they do not put their eternal soul at risk for disbelief, insensitivity, or excessive delay, risking their eternal salvation, on the day they face the righteousness of God.
3. When we are enveloped by the darkness of the Three Days of Darkness, we must remain at home, pray, do penance, acts of reparation, possibly fast, strengthen our faith in God, and **keep firm the certainty that we will always be beneficiaries of His protection.**

The sacred images and objects that we will have at our disposal and the acts to be carried out, in order to live and manifest our spiritual life, linked to faith in Jesus Christ, are divided into three periods: before, during and after the Three Days of Darkness.

BEFORE THE THREE DAYS OF DARKNESS

1. In the house, there must be an image of the **Sacred Heart of Jesus**.
2. The importance of devotion to the Sacred Heart is defined in unequivocal terms by Jesus Christ when, on June 15, 1882, He gave this warning to the French: **«All those who are not devoted to the Sacred Heart of Jesus will die in the massacres of the Civil War and during the plagues.»**
3. Especially useful is the creation at home of a small sanctuary with the enthronement of the **Sacred Heart of Jesus** and the **Immaculate Heart of Mary**.
4. The consecration of the family and the house to the **Sacred Heart of Jesus** and the **Immaculate Heart of Mary** is also extremely useful.
5. **Holy water will be a strength and consolation** to resist all the terrible events that will happen in the Three Days of Darkness, and which will be used to frequently bless and spray places, objects, and people.
6. **Several blessed candles** must be procured that will give light, protection, and consolation to create a protected environment to withstand all the terrible events that will happen in the Three Days of Darkness. Blessed candles, which **must be 100% beeswax**, in fact serve not only to illuminate the house, but also to

protect the house from thunder, lightning, earthquakes and the screams of demons unleashed on the earth.

7. On the advice of Jesus Christ, **blessed candles (100% beeswax)**, must be lit in every room of the house, and must never be extinguished, for any reason.
8. **Crucifixes** on the walls and smaller Crucifixes in hand, for blessings.
9. **Medals of Our Lady** and any authentic and scapular relics.
10. **Statues or images of Our Lady**, present on the walls or in the room where the blessed candle is lit.
11. **Rosaries** in the room where you pray.

DURING THE THREE DAYS OF DARKNESS

1. Bless and spray places, objects, and people frequently with blessed water.
2. Make the Sign of the Cross often.
3. Wear Medals of Our Lady, Crucifixes, and any authentic relics.
4. Wear scapulars and keep them on.
5. Recite the Rosary and pray incessantly.
6. Prayers offered by the sick, children, the elderly and the suffering will have great value.
7. Immediately do acts of forgiveness and reconciliation in mutual charity.
8. Particular attention must be paid to **full trust in God, in Jesus Christ and to the protection of the Virgin Mary, St. Joseph, St. Michael the Archangel and the Angels.**
9. This full confidence will give special protection that will allow us to ignore the roar of thunder, the flashing of lightning, and the crash of earthquakes, the cries of those who will come out of the house in despair and the screams of demons full of fury. The greater and firmer our faith and trust in God, the greater our ability to ignore and overcome all these terrible trials will be.
10. Remembering Noah and the days of the universal flood, we will have to keep firm the certainty that, in

the end, the wonderful rainbow of God's Mercy will appear in heaven after these terrible Three Days of Darkness that will bring us the **Kingdom of the Sacred Heart**, or **the Era of Peace**.

AFTER THREE DAYS OF DARKNESS

After the punishment of the Three Days of Darkness, the beginning of the **Kingdom of the Sacred Heart** will be full of trials and a hard life, suffice it to say that, for about three years, the earth will be burned and will not produce. We shall then turn to Our Lady, who seems to have shown us this way when she said these words: «For two or three years, France will feel the ruins and deep misery. The misery will be great, **although this will be spared to my people. Prayers will bring blessings. My Son and I will have mercy on this long penance.**» (November 30, 1880) Here is an example of this piety: «When the Great Monarch enters his kingdom, **God will purify the land contaminated with a heavenly dew. The penance of the survivors will erase the perverse signs left by the wicked.**» (February 28, 1822) (August 1920) It will be like a "refinement" of "gold"; but we will be happy, living in charity, peace, and the unity of a New People, in a Kingdom of love and mutual help and affection.

ORGANIZATION OF THE MATERIAL GOODS

The organization of material goods are based on the virtue of **Prudence**, which plays an important role in Divine Providence. Many signs and warnings will become visible to those who will be able to discern, when the time of darkness draws nearer. It cannot be limited to the period of the Three Days of Darkness, but, as it happens on the eve of major hurricanes, floods or tornadoes, the populations concerned

do not just organize themselves for the limited time of the disaster, but for a time when, predictably, they may be left without food, without energy and in the absence of other public or private goods and services.

After the Three Days of Darkness, for the devastating effects that will take place outside our homes, little will remain of anything, depending on the conditions of the nation in which you live. And such scarcity and limitations could continue for some time.

It is therefore necessary **to use prudence** and make plans in anticipation of this time when we will have to face different difficulties, **without losing the serenity of a good conscience that has confidence in God's goodness and in His providence and protection.**

Even with material organization, for clarity, we have divided them into three periods: before, during and after the Three Days of Darkness.

BEFORE THE THREE DAYS OF DARKNESS

The main material aspects, to be taken into consideration in identifying the conditions, needs, precautions and the passage of time during the Three Days of Darkness and the period that will follow, are listed below.

Light in the house

1. Humanity has never known an absolute darkness like the one it will experience in the Three Days of Darkness
2. The total lack of light in the house, that is, the darkest blackness that prevents us from seeing our hand, even if placed before our eyes, could lead to despair and dramatic decisions or decisions that can cause death of more people.
3. Just think of a house in which there are children, elderly, or even sick people, in discomfort and panic of being suddenly immersed in complete darkness. The cries of children because they cannot see their parents and who feeling out of sorts, take careless steps and fall, hurt themselves without being able to see anything and without being able to do anything, because it is impossible to realize the situation that has arisen, without being able to contact those who could provide advice, or help; without being able to consult a doctor or not being able to go to a place of treatment or a hospital.
4. This situation of despair can easily lead to the impulse to open the front door to go outside; this would result in an almost instantaneous death and, if the door remained open, it would also cause the death of all the people present in the house.
5. Many prophecies affirm that, in these three days, we will not even have an artificial light!
6. To illumine the house and to have protection, the presence of **blessed candles** is of vital importance! Our Lord said that the only light will come **from the blessed candles that must however be made with 100% pure beeswax**, also advising to light them in

every room of the house, because candles will not only have the task of shedding light, but also providing protection to the house and to people; **protection that will be all the greater the more we place our trust in Jesus Christ and His Immaculate Mother.** These are the words of Our Lord: «**The more you trust in Me and My Mother, the more inviolable the protection with which I wish to surround you. Light the blessed candles, recite the rosary. Be persevering for three days and two nights.**» The following night (at the first), terror will diminish.»

7. The light and protection of candles, however, will not work, if the enemies of God are in the house!
8. The candles purchased, with the declaration that they have been made 100% beeswax, should preferably be blessed on Candlemas Day (February 2), or blessed by a Priest.
9. In addition, we must not forget a couple of boxes of matches that, out of prudence, should also be blessed!

Temperature in the house

1. In the darkness of the house, cold is also added: a cold that we have never experienced, not only because the Three Days of Darkness will take place on the coldest days of the year, but because, for three days, there will be no Sun on earth.
2. In addition, there will be no electricity, therefore: lights, heating, air conditioning, fans or any other type of heating will not work.
3. The wood stove of whatever kind will not work either, because this would make “light,” while only blessed candles will shed light in the house and nothing else!
4. Since “heating” the house will not be an option during the Three Days of Darkness, the only solution is to reduce the dispersion of the heat of the house and have insulated clothing from head to toe, especially for children, the elderly and the sick.
5. Regarding the temperature in the house: Given that we will know the day on which the Three Days of Darkness will begin, with an advance of 37 days, it will be possible to heat it with greater intensity a few days before, so as to heat the walls and possibly the roof, without ever forgetting to place our trust in Our Lord and His Immaculate Mother, for our protection, will surely also include the problem of temperature in the house.

Water and drinks in the house

1. It is likely that, due to the lack of electricity, there will be no running water, therefore we will not have the opportunity to take a shower or a bath. Washing machines or dryers will not work. Dishwashers will not work or even the water supplied for flushing the toilets will not be available.
2. It is therefore essential to have a water supply to be used for various needs, using containers, bottles, plastic bins or even by filling the bathtub.
3. Provide drinking water, considering a daily personal consumption of at least two liters of water.
 4. For drinks, make provisions of other liquids to drink such as fruit juices, milk powder, bottled or canned juices. It is advisable to keep liquids in a certain abundance, to supplement the water supply.
 5. To clean the toilet from time to time, arrange a bucket for this use, or in some cases, stock up on those toilet bags that are used on planes.

Provisions during and after the Three Days of Darkness

1. Again, since we will know in advance of 37 days, the advent of the Three Days of Darkness, we will have to obtain a reasonable amount of food for our use in these three days and for a certain period that will follow. Foods should therefore be long-lasting, also bearing in mind the fact that it will not be possible to heat or cook them.
2. Therefore, stock up on packaged non-perishable, dry, canned, or jarred basic necessities (bread, crackers, biscuits, peanuts, peanut butter, jams, etc. ...). Different types of fruits, vegetables to eat raw and canned vegetables, meats, fish, cereals, beans, oils, cheeses, light drinks for their water content.
3. Also stock up on napkins and damp cloth wipes and toilet paper.
4. Knowing the date of the Days of Darkness, it will also be easier to plan for the consumption of foods already in the house and those that you will have to buy or find for the period and for what [the period] will follow.
5. There will be no fire for wood stoves, no gas and probably no water services.
6. There will be no cooking with fire, no microwave ovens, toasters, mixers and all the rest; no tea, hot coffee, or tea and iced drinks.

7. Refrigerators and freezers will therefore not work on dark days, and probably even in the following period, due to the possible lack of electricity. It will not be possible to maintain the temperatures necessary for food storage, therefore, you will have to choose the foods that can withstand the predictable winter temperatures.
8. One must bear in mind the special needs of infants, children, the elderly, the sick, possibly present in the house, and even poor relatives and neighbors, in the period following the Days of Darkness.
9. For newborns, there will be no possibility to warm milk or any other solid or liquid foods. However, if the mother is breastfeeding the newborn, there will be no problem.
10. Even children up to a certain age, will need to have food that cannot be cooked or heated. It would therefore be useful, before the Days of Darkness, to accustom children to eat certain foods that do not require cooking or heating.
11. Even for the elderly you will have to prepare those foods that they consume normally, but avoiding those that need heating or cooking, and accustoming them in advance to eat those foods that do not require this.
12. For the sick, young, or old, in addition to accustoming them in advance to certain foods that do not require heating or cooking, the most important medicines in such quantities as to be available for a sufficiently long time after the end of the Days of Darkness should be on hand.

Links with the outside world

1. Since connections with the outside world depend almost exclusively on the presence of electricity, televisions, radios, electric clocks, and any other system that allows a relationship with the outside world will no longer be available. It is also possible that even the normal batteries, even small ones, that we use for mobile phones, smartphones and any other communication device that uses them, may not work.
2. Lacking communication with the outside world, any connection, personal, public, or social service that we normally rely on will be lacking.
3. Therefore, during the Three Days of Darkness, we will be alone at home and immersed in a darkness that will be the symbol of the absolute lack of external moral and physical support; a void that should lead us to turn to those who, in our home, will observe us in the depths of our soul, always waiting for us to understand

who we should address with full confidence, not only in these terrible Three Days of Darkness, but always throughout our lives.

4. Humanity will be stripped down to a few basic things and will understand how much it depends on God: what many of us have forgotten.

Domestic and farm animals

1. For pets, who will have to stay inside the house, their food and water will have to be provided in advance, also providing for a period beyond the Three Days of Darkness.
2. For farm animals (poultry, ducks, geese, rabbits, etc...) and breeding animals (sheep, cows, donkeys, horses, etc.) living outside the house, it will be a must to lock them in a closed and sheltered environment, with windows and doors always closed and provide in advance for fodder that must be accessible to them. Any windows or windows should be obscured in order to spare animals the fright that will produce flashes and fire that will fall from the sky to earth.

DURING THE THREE DAYS OF DARKNESS

1. Upon the arrival of signs announcing the advent of the Three Days of Darkness, one must close the doors, windows, lower the shutters, or any protections built specifically for this purpose, activate the windows coverings, skylights, or other transparent surfaces. Then pull the curtains or any coverings provided to prevent the view to the outside and used to increase the thermal insulation of the rooms and finally, always remain inside the house for the duration of the three days.
2. It must be remembered that **“nothing will shed light but blessed candles,”** but only those **made with 100% beeswax,** and lit by the children of God and not by His enemies.
3. The cold in the house will be intense, since the Three Days of Darkness will begin on a cold winter’s day, and we do not know what it means to live, in winter, for three days without the sun warming the earth. However, one must expect a very intense cold. Since windows are mainly the areas of heat dispersion with the outside, it will be possible to use insulation already planned for in advance or in emergency, such as insulating panels of polystyrene or other plastic material, or newspaper, blankets, rags, or towels to be

placed at doors and windows. It is preferable that these materials are prepared in advance to be put in place in the shortest possible time and without the need to leave the house.

4. Always stay away from the windows and do not even try to look outside!
5. Never open the front door for any reason, much less to try to see what is happening outside, because one would be immediately killed! To prevent everyone - children, the elderly or sick, from carelessly or hysterically opening the door, it would be useful to block this, and any other openings to the outside, with tables, furniture or other heavy sizeable to ensure that they are not easily removable.
6. The Three Days of Darkness will be a 72-hour long night. Therefore, one would no longer have a view of the sunrise or sunset and it will be impossible to realize the passage of time. Therefore, a manual clock, that needs to be wound regularly should be used. One should keep track of the number of hours and mark the hours on a sheet of paper.
7. Since it will be unlikely to have a normal night's rest, it will be necessary to organize a type of shift schedule for intervals of a few hours of sleep. Therefore, depending on the number and type of people present in the house (children, the elderly or the sick) shifts will have to be established to schedule the members who will have to stay awake, to prevent something from happening to the candles and to manually wind the clock, and record the passing of the hours.

AFTER THREE DAYS OF DARKNESS

1. When we open the front door, after making sure that we have spent the 72 hours of darkness, and perhaps even aided by any light streaming at the edges of the windows. In the presence of a bright and warm sun, we will realize the sad reality that surrounds us.
2. Let us not be surprised if, everywhere, we see the corpses of those who did not believe in the coming of this chastisement of God, or even those who, with an act of despair, opened the front door and found an instant death.
3. That of corpses all over on the roads and other sad scenes that we will see around our house, however, must not make us forget that this is the first day of a new period; in fact, on the same day the new Era of Peace will begin.
4. In this Age of Peace, the Church will rise again, spread throughout the world, converting many peoples all over the world, and flourishing again more glorious than ever before, as from Jesus' promise: «Behold, I am with you, all days, even unto the consummation of the world.»
5. This is the promise that Christ wanted to be reconfirmed by His Mother who assured us that Her Immaculate Heart would triumph and that there would be a new Era of Peace.

REMEDIES FOR CHASTISEMENT INFECTIONS AND DISEASES

Heaven made it known to Marie-Julie Jahenny that among the punishments, which will strike the earth as punishment for sins, **there will be a multitude of diseases that medicine will not be able to cure.**

According to Marie-Julie Jahenny's various prophecies, these diseases will appear before and during the civil wars that will break out before the dreaded Two and Three Days of Darkness.

We report the list of remedies revealed to Marie-Julie Jahenny, bearing in mind that, when modern medicine fails, **we have the Lord's natural pharmacy to which we can always turn.**

Our sacramentals are also powerful healers, when used with faith, as long as medical treatment is not neglected in the first place. In fact, the Church obliges us, first, to listen to and follow the medical advice. **These remedies, however, will be useful for the time when we will have no medical support and when new diseases unknown to us arise.**

Remedies for diseases and those of a spiritual nature, which were transmitted to Marie-Julie Jahenny by Jesus Christ and Our Lady, are listed below.

Remedy No 1 Prayers to be recited to Our Lady, while using herbal remedies

These prayers were given to Marie-Julie Jahenny by Our Lady. The Most Holy Mother to Marie: «O my beloved children who use these little flowers and plants (Hawthorn and St. John's Wort) address me with these words: **Holy Queen of Heaven, Health of the sick, Prodigy of power, spread your blessing in this infusion. Most Powerful Mother, show us that you are Our Mother, lifting us from our miseries.»**

My beloved children, taking this little flower, invoke me thus: «**O Mary Immaculate, O Our Mother, O Our Mother turn to us and let your blessing manifest itself in this suffering.**» Our Lady, having told her that before her will, there is that of the Divine Creator who is King, Father and Infinitely Good, stated: «**My little children, the best prayer that gains the most and obtains the best result are faith and trust.**»

A brief prayer to Our Lady, for those who care for the sick: «**O my good Mother, look at my little work for the sick and afflicted one, and bless it.**»

Remedies

No. 2. Remedy for Burning-faced Plague

No. 3. Protection against Burning-faced plague

No. 4. Relief during the Burning-faced Plague

May he who chooses his abode in **Brittany (France)** be prepared to face the Burning-faced Plague.

According to another prophecy by Marie-Julie Jahenny, this type of plague will spread so quickly that there will be

Hawthorn

no time to prepare for death. There will be no time to have a priest for the Extreme Unction or, if there are still priests, they will be so busy that they will not be available for this rite. To receive forgiveness of sins on this occasion, Heaven prepared the **Cross of Forgiveness**. If instead, you notice the symptoms in time, here is the remedy that you must take:

The Hawthorn Remedy and how to prepare it.

It is a very detailed text that describes all aspects of the use of **Hawthorn** as an herb to cure plague from the Burning-faced Plague that will spread in Brittany.

Let us leave out this long description which illustrates its use as a medicine, since this remedy concerns only a type of plague that will spread only in the region of Brittany region (France).

The text ends with this recommendation:

Warning: It may happen that you have to use this leaf remedy and make tea, and perhaps you may need to vary the intensity and dosage, to make attempts or correct errors, therefore, **DO NOT RELY on capsules or tablets sold by herbalists**. Our Lady said to take the leaves and make tea. And there must be a reason for saying that.

Remedy No 5

St. John's Herb

Remedy No 7

For cholera

Marie-Julie Jahenny was told: «For cholera, the infusion of Hawthorn leaf has been recommended.»

Remedy No 8

For unknown fevers

Marie-Julie Jahenny was told: «**For known fevers the humble violet, the perfume and virtue of humility will have their effect.**» (Of interest: new research has found the presence of a glycoside of salicylic acid, **natural aspirin**, good for fevers, which has substantiated its use as a medicinal remedy for **headaches, muscle pain** and as a **sedative** for centuries).

Remedy No 9

For physical and spiritual relief during the suffering

To Marie-Julie Jahenny Our Lady said: «My dear little and beloved souls, against the great calamities you will put the **Medal of My Sacred Heart** in a glass of water or in a spoon, as you prefer; you will invoke My Adorable Heart. I will relieve you from the attacks; I will console you in your sorrows and sufferings.»

Remedy No. 10

To dispel fears and fright, especially during wars

Our Lord to Marie-Julie Jahenny: «In order to dispel all fears and all fright, you must touch a sacred **Image of Mary Immaculate** or the **Miraculous Medal** on your forehead. Your minds will remain calm and will not fear the approach of men's terror. They will not resist the effects of My great Justice.»

Remedy No 11

For protection and blessing

The **Purple Scapular** of Benediction and Protection serves primarily for spiritual and temporal protection against other punishments and punishments other than disease or infirmity. The Purple Scapular also guarantees the conversion of hardened blasphemers; hence, a powerful scapular for our times!

Remedy No 12

For God's forgiveness in the absence of confessors and against pestilence

The **Cross of Forgiveness** is a sacramental that will guarantee the grace of perfect contrition and God's forgiveness during persecution, when we will not have priests and plagues will strike and we will be guaranteed Confession, and it is also a protection against afflictions and calamities.

Remedy No 13

Prayer of protection

against great calamities, storms and thunderstorms

Prayer given by Our Lord to Marie-Julie Jahenny, to help divert and reverse the great storms that will come during the punishments: “My children, who in this flood of fear bring My cross, be this very small or large, You will have to recite these prayers:

I salute you, I adore you, I embrace
you, O Adorable Cross of my Savior.
Protect us, guard us, save us.
Jesus loved you so much,
following His example, I love you.
By your holy image calm our fears.
That I feel only peace and trust!

Your Sacred image calms my fears,
I feel nothing but peace and confidence.
Ô, Crux, ave, Spes unica! [Hail, O Cross, only hope!]
Et Verbum caro factum est.
[And the Word was made Flesh.]
O Jesus, the vanquisher of death, save us!”

Remedy No 14

Medal of Our Lady of the Good Guard (Good Care, Good Protection or Good Watch) for the protection of the faith and purity of children

The red and evil governments, in the perverse days to come, will try to destroy the faith and purity of children; the destruction of the innocence and purity of children will reach levels never reached in the world, especially when the Church will be forced underground, before the advent of the Three Days of Darkness.

Our Lady said that, wearing this medal, the faith and purity of children will be protected, and certainly us too.

To Marie-Julie Jahenny (August 16, 1880) Our Lady said: «I tell again to the father and mothers that it would be good to have their children wear, small and big (i.e. children or young adults), a medal, that should bear these words: “Oh you, Holy Virgin, who crushed the head of the serpent, guard our Faith and the innocence of our children.”»

The Holy Virgin wore the medal on her heart. It is not necessary, she said, for it to be expensive, (i.e., of valuable metal like gold or silver), its efficacy will be the same.

Our Lady said: «This (medal) will serve to guard innocence in difficult times when the plague of corruption will spread everywhere. Every Christian can use it to arm themselves, as a defense and a weapon of faith that will overcome sinful life and the betrayal of evil.»

Remedy No 15

Prayers when we feel overwhelmed by anxious and restless trials and times

The Divine Sacred Heart said to Marie-Julie Jahenny (October 27, 1931): «Say to Me again:

Save us Lord, we are lost, Save us Lord, we are lost, Save us Lord, we are lost. ["Salve nos perimus, Domine" (3 times)] save us loving Father, full of love for our just ones, because we perish, without the assistance of a marvel of goodness on Your part and that of Your mother.»

Remedy No 16

In order to have faith, devotion and trust in Our Lady

Our Lady told Marie-Julie Jahenny that **the greater our devotion and trust in Our Lady**, the greater Her protection, during the Three Days of Darkness.

Beyond the **Rosary**, the devotions of the **First Five Saturdays** and the **Brown Scapular**, there is a beautiful prayer to protect our family's home:

«O Blessed Virgin Mary, conceived without original sin, who was proclaimed Help of Christians, we choose you as mother and protector of our home, today and forever.

And we ask you that You protect us with your powerful intercession. Preserve this house from plague, fire, water, lightning, hurricanes, earthquakes, thieves, the ungodly, bombings, wars and any calamities you know.

Bless, protect, defend and keep as your loved ones those who live, and will live, in this house, preserve them from tragedies and accidents, and grant them the greatest and most important grace to avoid sin. Mary, Help of Christians, pray for all those who live in this house, who are entrusted to you forever. O Mary conceived without sin, pray for us that we have recourse to Thee. Amen.»

(The houses where this Prayer was prayed with faith were preserved during the wars in France.)

NOTE: Sacramentals, used in Remedies to impart Grace and Blessings, to take effect, must be blessed by a Catholic priest.

ALOIS IRLMAIER

Alois Irlmaier was born on June 8, 1894, in Scharam, near Siegsdorf in Upper Bavaria. The son of a farmer, he was a soldier of World War I, from 1914 to 1916.

In 1920, he married Maria Schieslinger and raised four children, one of whom was adopted.

In 1928, he began working as a well builder, becoming famous for his ability as a dowser. It is said, in fact, that from the time of his youth, Alois had the ability to identify the presence of water, and this gift grew more and more as he got older, always managing to find underground sources of water.

Alois had his first experience of prophetic vision in 1928 and, according to the reporter of the German Newspaper "Merkur," named **Herbert Frank**, this happened after seeing our Lady.

Irlmaier recounted that this happened in 1928, when he worked at a farm named Kuchl. Around noon, entering a hall, he saw an image of Our Lady surrounded by twelve saints. This painting attracted his attention when, suddenly, he was stunned to see Our Lady come out of the picture and grow to life size, staring at him for a moment, smiling and then returning inside the painting. Irlmaier remained stiff as a piece of wood from shock.

From that day on, Irlmaier said he had begun to see everything: people's lives, their death, Our Lord on the Cross and many sacred things, and this without having the desire to see all this. He surprised his reporter friend, Frank, when he described, in every detail, his entire life.

His visionary skills attracted many people and, from 1939, Irlmaier received more and more frequent visits from people seeking advice and information, and he offered his services without ever asking for any compensation. During World War II, he predicted bombing and the impact of bombs when they reached the ground, saving many lives; He also helped many people find lost relatives, simply looking at their photographs and immediately saying whether these family members were already dead or, if still alive, where they were.

Irlmaier was also called upon to solve some criminal cases: he pointed to the place where there was the corpse of a person who could no longer be found; He let it be known that a man, believed to have died of natural causes, had instead been poisoned by a woman. Even **General Clay, head of the U.S. occupying forces in Germany**, sought Irlmaier's advice, as did **German Chancellor Konrad Adenauer**.

This, however, failed to stop the aversion of people who claimed that he was a con man and even a sorcerer.

In 1947, Irlmaier had 15 criminal records, including 7 in which he was accused of fraud and the other 8 due to his difficulties in paying debts.

In the same year, he was sued at Laufen Local Court for fraud and cheating, but witnesses were divided in their statements and charges against Irlmaier. It was then that he

Alois Irlmaier.

stunned the court when he described what the judge's wife was wearing on that day and what she was doing at the time, without ever seeing the woman.

He told the judge: «Your wife is not home. She wears a red dress and is in the company of a man. Let's see if that's true.» He then added that the two were drinking coffee together. It was then known that all this turned out to be true.

Declaring it impossible to convict Irlmaier, **the judge confirmed in writing the existence of his gift of clairvoyance** and that, testifying to such astonishing facts, it was impossible to define him as a charlatan.

Irlmaier was able to continue to talk about his visions, making terrible prophecies about the times of World War II, the events leading up to the Age of Peace, and the coronation of a new Emperor. He also predicted the date of his death, declaring himself happy to die at that time, not wanting to see what he had seen would happen during World War II.

Irlmaier died of liver cancer in 1959, confirming until the end of his days all his prophecies to those who asked him if there had been any changes.

In 1959, however, Pius XII had already been assassinated and, under the terror of a nuclear threat, John XXIII was imposed as pope, annulling the regular election to the

papacy of Card. Giuseppe Siri, who had already taken the name of Gregory XVII. It is therefore not strange that Irlmaier's visions and prophecies did not arouse interest from the leaders of the Catholic Church, at whose summits a new generation of prelates had now been established that had other and more urgent programs and changes to implement.

The gift of prophetic discernment of Alois Irlmaier, therefore, was never denied or undermined; moreover, he never uttered a word against the Catholic Faith; he always helped people with his gift of clairvoyance without ever asking for compensation and this bearing in mind the fact that he was always inundated with debts, so much so that he collected eight criminal records for non-payments. Finally, he died as a faithful Catholic.

PROPHECIES OF ALOIS IRLMAIER

Taking into account the chronological order indicated by the 16 entries, used for the presentation of the prophecies of Marie-Julie Jahenny, on the periods preceding and following the Three Days of Darkness, we report the prophecies of Alois Irlmaier, placing them in the entries in which these can reasonably be inserted and associating them, whenever possible, with events characteristic of the **Seven Bowls of Wrath of God**, described in the Apocalypse of St. John.

These Seven Bowls end with the condemnation of the **"Prostitute of Babylon,"** the Clergy who betrayed Christ and fights Him, for having prostituted themselves to **"Babylon the Great,"** the summit of that Satanic world power that, under the name of the **New World Order**, no longer hides **its diabolical final purposes of destroying the Church of Christ and depopulating the earth, exterminating 6 billion human beings.** The annihilation, desired, directed and operated by God, of this Satanic world power, will be followed by the **"Kingdom of the Sacred Heart,"** also called the **"Age of Peace."**

We highlight the fact that Irlmaier's prophecies cover a period of time from the Crises of France to the beginning of the Age of Peace; prophecies that often coincide with events already described by Marie-Julie Jahenny, but which have the peculiarity of introducing facts and scenarios, inherent in the **Third World War**, which offer us a broader and more detailed view of the events of war in Europe and other parts of the world.

PERIOD OF THE CRISES IN FRANCE

«The big city with the iron tower is on fire. But this was done by her own people, not by others from the East. **And I can clearly see that the city is razed to the ground.**»

«The city with the iron tower becomes a victim of its own people (the riots in Paris). They burn everything. It's the revolution and everything goes wild. The islands on the coast sink, because the water is very turbulent. I see huge cavities in the sea, which are then filled when the huge

waves return. The beautiful seaside town sinks almost completely into the water, looks like the debris and sand that the sea expels. I see three cities sinking in the south, northwest and west.»

PERIOD OF WORLD WAR III

About this period, in addition to the events related to the Third World War, Irlmaier also describes particular aspects concerning the population, the economic and financial situation, the moral decline of Europe, the spark that will provoke the outbreak of war and what will happen before and during the war, in Germany, Italy, Russia and other nations.

To a woman who often visited him, Irlmaier said that «People will pay for what they will buy with a **"card"** or with multiple **"cards"** (i.e. with credit cards).»

He also said that he had seen «People talking to each other toward a "Zuban box" and playing with it.» Now, the "Zuban box" was a box of brightly colored cigarette box (evidently Irlmaier had seen people, in our day, using smartphones).

To the same woman, Irlmaier said: «Before the beginning of the Third World War, (in Europe) there will be only one type of currency and then a terrible loss of faith. The year the war begins will be a very hot year. The peasants of Bavaria will have already made a first harvest in March. War will break out when the Middle East finds itself in turmoil.»

In 1948, when the German Mark was introduced, a man asked Irlmaier what he thought of this coin. He replied: «This currency is fine, but you will have to be cautious with the one that comes next (In 1999, the German Mark was replaced by the Euro).»

In 1952, Irlmaier exclaimed: «**Now the three robber knights are coming.**» When asked what he was referring to, he replied: «**The tax office, the banks and the insurance companies.**»

Another of his sentences was: «**Before the Third World War, there will be taxes that no one will be able to pay.**» In this regard, it can be remembered that the yellow vest protests, of 2019 in France, began with a tax hike, followed by protests on pension reform.

At this point, it is interesting to recall Marie-Julie Jahenny's words about the real architects of the creation of these protests: «**Civil unrest will begin with economic hardship.**» «**Civil unrest will be provoked by the rulers. They will deprive workers of their jobs and employment.** When this happens, **the unrest will begin with agitators causing blood and murder...** As soon as the evil conspirators have lit the spark, which will cause the fire, they will flee and take shelter...»

Another prophecy, which refers to Germany, but which also applies to many other nations, was revealed by Irlmaier, in 1950, when he was introduced to a certain Maria Luise Bender, referred to as "Sister of Charity,"

with these words: «Girl, you are experiencing the great upheaval that will come:

- First comes prosperity like never before.
- Then, there will be a decline in Faith like never before.
- Then, an unprecedented corruption of morality.
- Then, a large number of foreigners come to the country.
- Inflation will be high.
- Money will lose more and more value.
- Revolution soon follows (in Germany).
- Then the Russians attack the West overnight.»

The political assassination that will start the world war, Irlmaier would have seen it happen in the Balkans, during a Peace Conference: «Everything calls for peace, Shalom! It's going to happen there. A new war in the Middle East suddenly ignites, the great naval powers are hostile to each other in the Mediterranean, the situation is tense.»

«**After the third murder, it will happen quickly** (i.e. war will break out).» A direct witness recalls that the two previous political murders, to which Alois referred, were two murders that both took place in 1948: that of **Gandhi** and that of **Count Folke Bernadotte**, killed by Jewish terrorism in Jerusalem.

«I see “someone big” fall, a bloody dagger lying next to him...»

«Two men kill a high-level third. They were paid by other people. ...»

«**The third murder took place. As a result, the war begins... »**

«One murderer is a small black man, the other a little taller, with light-colored hair...»

«I think, it will be in the Balkans, but I can't say exactly ...»

Again he mentions the Balkans, but he is not sure. War breaks out in the Middle East, but according to Irlmaier, the diatribe was born for something in the Balkans.

«The year before the war will be a fruitful year with a lot of fruit and wheat.»

The Crucifix in the sky: «Then “the sign of the crucifix with stigmata” will appear in the sky, after which war will break out at night.»

«After the murder of the third man at night. (...) I see quite clearly three numbers, two eights and a nine, but I don't know what that means and I can't determine a time. **The war begins at dawn.** (...)»

«Farmers are sitting in pubs with playing cards when foreign soldiers look through the windows and doors. **An army comes from the East**, and everything happens very quickly. I see a (number) three, but I don't know if it means three days or three weeks. **It comes from the city of gold** (Does it refer to Prague, capital of the Czech Republic?) At first, they creep from the open sea in the northwest to the Switzerland border. Up to Regensburg, there are no more bridges to cross the Danube, they do not come from the south of the sea.»

Here, now, is the dynamic of war:

«... The amassed units march from the east, to Belgrade, and move towards Italy. Later, three armored wedges advance immediately at the lightning speed in the north of the Danube over West Germany towards the Rhine – without any prior warning.

This will happen so unexpectedly that the population will flee the west in panic. Many cars will clog the roads: they should have stayed at home or not used the main roads. Anything that will be an obstacle to the rapid advance of tanks on highways and other fast roads, will be taken out of the way. I can no longer see any bridge over the Danube above Regensburg. There is hardly anything left of the great city of Frankfurt. The Rhine Valley will be devastated, mainly by air. ...»

«... I see three vanguards coming: **the first** comes through the forest, but then it presses northwest along the Danube. The line is, for example: Prague, the Forest of Bavaria and the Northwest. The sea is the southern limit; **the second** vanguard runs from east to west over Saxony; **the third** vanguard runs from northeast to southwest.

Now I see the earth as a ball beneath me, on which the airplane routes emerge. These soar from the sand like swarms of pigeons.»

«**The Russians do not stop anywhere, as they advance with their three armies.**

Day and night they run in order to reach the Ruhr Region, where there are many furnaces and fireplaces...»

(The Ruhr is the European area where economic and financial concentration is most developed. It is an immense agglomeration of industrial buildings that work raw materials and produce semi-finished products: steel, metallurgy, chemical industries, and offer great job opportunities).

«**The second vanguard** is heading west over Saxony towards the Ruhr region... the third vanguard runs from the northeast towards the conquest of Berlin.»

Day and night the Russians run, inexorably their target is the Ruhr Region.

«**Immediately, the answer comes from the sea.**»

At this point in the war, Irlmaier offers us another theater of war: «**The yellow dragon, at the same time, invades Alaska and Canada. But it doesn't get far...»**

Then, he resumes the vision of war in Europe:

«I see the earth as a ball under me, over which pigeons now fly, a very large number rises from the sand. **And then it rains a yellow powder in a straight line. When the golden city (Prague?) is destroyed, it all begins.**

Like a yellow line that goes from the city to the bay. It will be a clear night when they start throwing it. Tanks are still working, but those sitting in these tanks have become almost black. Where it falls, everything will die, no tree, no bush, no animal, no vegetable, which becomes withered and black. Houses still exist. I don't know what it is, I can't say. **It's a long line. Whoever crosses this line dies. Those on one side cannot go the other way.** So, everything in front of these armies fails. Everyone has to go north. The things they have with them they throw them away. No one will come back...»

Alois Irlmaier.

«Airplanes drop a yellow powder between the Black Sea and the North Sea. Thus, a death band is created, straight from the Black Sea to the North Sea, half the width of Bavaria. In this death band, no plant can grow, much less can humans live. The Russian supply is cut off...»

In the vision of this war, Irlmaier goes on to mention another protagonist of the war-fighting factions: after the Russians, **“the Half Moon,” Islam**, in full agreement with the other prophetic sources, already reported in the Crises of France and describing the massacres of Catholics perpetrated mainly by Muslims residing in France, but also by those who have been invited as invaders to strengthen and intensify these massacres.

«... At the Rhine I see a crescent, which wants to devour everything. The horns of the sickle want to close. What that means I don't know...»

«Flocks of pigeons rise from the sand. Two squadrons capture the combat area from west to southwest.

The squadrons turn north and have cut off the way to the third army. From the east there are many crawlers. But inside they are all dead, even if the vehicles continue to advance, and gradually stop automatically.

Here the pilots also throw away small black boxes. They explode before hitting the ground and spread smoke or dust, yellow or green.

Anything that comes into contact with this, dies: be it a human, an animal or a plant. For a year no organism is allowed to enter this area, otherwise it will expose itself to

danger of death. At the Rhine the attack is eventually repulsed. From the three vanguards, no soldier will return home.»

«These boxes are Satanic. When they explode, dust or yellow and green smoke comes out, everything that comes into contact with this, dies, a human, an animal or a plant. Humans become almost black and the flesh comes off their bones, so powerful is the poison.»

«... Due to a natural disaster or something similar, the Russians suddenly flee to the north and, around Cologne, the last battle begins...»

«So, they're flying north. In the center there is a sign, there lives nothing, no human being, no animal, no grass. They fly quite north, where the third vanguard had entered, and take everything out of the way. In this way, they will all be killed, **none of these three armies will return home.**»

Irlmaier reassures his Bavarian neighbors that they will be spared. **«Wherever Our Lady of Altötting lays out her cloak, a hair will not out of place.»**

In a 1952 article, Irlmaier said, «I can say with certainty that: all the people who live around a sacred place will be spared, a hair will not be twisted, Heaven assures it.»

«There is also a large pilgrimage church, down there in Pfaffenwinkel, between Lech and Ammer, where people pray to the Scourged Lord. With certainty, nothing will happen there. Only refugees will come.»

The Second Bowl of God's Wrath

«The second Angel sounded the second trumpet: something like a great burning mountain was cast into the sea. A third of the sea became blood...» (Apoc. 8, 8-9)

«The second Angel poured his bowl into the sea which became blood (...) and every creature living in the sea died.» (Apoc. 16, 3)

The words of Our Lady of Fatima, on the Second Bowl of God's wrath, are: «Fire and smoke will fall from the sky, the waters of the oceans will become steam and the foam will rise upsetting and sinking everything. Millions and millions of men will die by the hour; the survivors will envy the dead. Wherever we look, it will be anguish, misery, ruins in all countries.»

The Second Bowl of God's Wrath consists of this: Since peoples and nations do not go to Heaven or Hell, they must pay for their sins on earth. To carry out His justice, God uses wars and natural disasters to punish the murderers and grave sins of peoples. God, therefore, with the Second Bowl presents the "debt" to nations and peoples: so many human beings have been killed, and God will ask of every nation just as many human lives. Since the waves of the Second Bowl will devastate all the coasts of the world, for nations that have no coastline or that, despite having them, do not have a sufficient population to pay the "debt," God will use the fire that will fall from the sky in the Fourth Bowl of His Wrath.

Here, now, are Irlmaier's prophecies.

A contemporary witness from Irlmaier claims to have heard him say that the "**crack of the earth**" would come, towards the end of the war: «There is a huge tidal wave in the North Sea. The Netherlands, Hamburg, southern England and London sink. Scotland remains like an island.»

«... But then I see someone flying, coming from the east, who drops something into the sea, and something strange happens. The water rises high like a tower and falls and

everything is submerged. There is an earthquake and half of the big island will sink.» «The whole action will not last long, I see three lines. Three days, three weeks, three months, I don't know exactly, but it won't last long! Everything is flooded. There's an earthquake. The southern part of England slips into the water.

Three large cities will be in ruins: one will be destroyed by water, the second is so sunken that you can only see the church bell tower while the third is completely submerged. The countries near the sea are seriously endangered, the sea is very restless, the waves become as high as a house; bubbling as if it were boiled from underground. The islands disappear and the climate changes.»

With the exception of the plane "**dropping something into the sea,**" the description of the tides in the North Sea and the disappearance of entire European countries, on the coast, could only be a partial view of what is happening simultaneously, all over the world, for the arrival of the Second Bowl of Wrath of God: «Something like a great burning mountain was cast into the sea. A third of the sea became blood...» (Apoc. 8, 8-9)

The Third Bowl of God's Wrath

Here are some quotations that clarify the goal of the Third Bowl: «Before the spiritual restoration (of Israel) the great enemy of the north will invade Israel.» (Ezekiel 38, 8-16)

Ezekiel himself, addressing the Russian commander, shouts: «Prepare and make thyself ready, and all thy multitude that is assembled about thee, and be thou commander over them.» (Ezekiel 38, 7)

«And I shall have brought them back and shall have gathered them together out of the lands of their enemies, and shall be sanctified in them, in the sight of many nations. And they shall know that I am the Lord their God...» (Ezekiel 39, 27-28)

Zechariah predicts that a third of Jews will convert to Christ and proclaim the Lord as their God: «And there shall be in all the earth, saith the Lord, two parts in it shall be scattered, and shall perish: but the third part shall be left therein. And I will bring the third part through the fire, and will refine them as silver is refined:

and I will try them as gold is tried. They shall call on my name, and I will hear them. I will say: Thou art my people: and they shall say: The Lord is my God!» (Zechariah 13, 8-9)

The Third Bowl of God's wrath consists of this: The invasion of the land of Israel, by Russia and its allies, will serve God to punish two-thirds of the inhabitants of Israel and to convert the remaining third to the true God and their true Lord.

Now, Irlmaier's prophecy about **"Israel's war with its neighbours"**: «Israel goes to war with its neighbors, and neighbors would eventually have the upper hand (...) This should end with the fact that many or most Jews will convert to Christianity or they will become Catholics.»

This prophecy, although it does not mention Russia's presence among the peoples fighting Israel, ends precisely with the goal that God had set Himself with the invasion of Israel through Russia and its allies: The conversion of a third of the remaining Jews.

Irlmaier offers us another detail on the conversion of the Jews and perhaps also of other peoples: «During or at the end of the war, I see the Sign in sky, that Crucifix with stigmata and everyone will see it. I've seen it three times before, it's definitely coming (1955).»

The Fourth Bowl of God's Wrath

The Angel pours this bowl over the sun **to burn the men who, instead of repenting, blaspheme the name of God.**

This is how Ezekiel presents God's purpose, of this bowl: «**And I will send a fire on Magog, and on them that dwell confidently in the islands:** and they shall know that I am the Lord. And I will make my holy name known in the midst of my people Israel, and my holy name shall be profaned no more: and the Gentiles shall know that I am the Lord, the Holy One of Israel.» (Ezek. 39, 6-7)

The Fourth Bowl of God's wrath consists of this: to complete the showdown with nations that do not have coastlines or that, despite having them, do not have a sufficient population to pay the bill to God for the murders and serious sins committed.

The Fifth Bowl of God's Wrath

«The fifth Angel poured his bowl on the **seat of the beast** and his kingdom was became dark and they gnawed their tongues in pain and they blasphemed the God of heaven because of their pains and wounds and did not penance for their works.» (Apoc. 16, 10-11).

In an exorcism, Lucifer yelled, «I made my throne in the Gargano!» It seems that this "throne of the beast" is represented by the **Stone Cross** of the Satanic temple dedicated to St. Padre Pio!

This Stone Cross, in fact, is the symbol of the glorification of Lucifer's victory over God! We will see if what happens to this Satanic Cross will perhaps make us remember the words of Padre Pio: «I will make more noise dead than alive!»

The Fifth Bowl of God's wrath consists of this: Annihilating the Court of Lucifer, that is, the powerful who are at the top of the Satanic power of the earth.

PERIOD OF THE PUNISHMENTS OF ROME

This period begins simultaneously with the massacres and the civil war in France.

«Even in Italy things are going wild. **Many people are killed, and the Pope flees, but many clergymen will be killed, many churches will collapse.**»

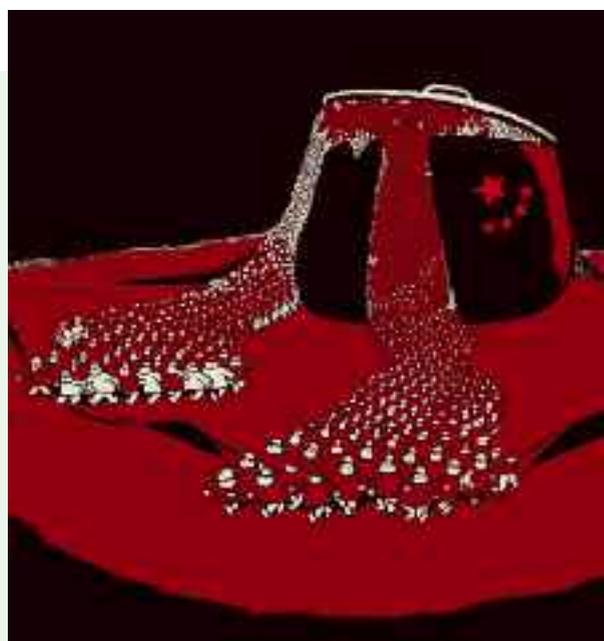

«A revolution will break out in the country of the boot (Italy). **I think it's a religious revolution because the ecclesiastics are killed.** I see white-haired priests lying dead on the ground. There is a bloody knife behind the Pope, but I think he manages to escape in a pilgrim's dress. The Pope leaves his city and heads west, where there is a large church on the water, and when he returns there will be only six of his people left.»

«Even the country of the boot (Italy) goes haywire, **many clergymen are cruelly killed, few will remain among those who cannot escape;** I see a red multitude, and I see yellow faces in the middle and south, but the Pope flees from them in pilgrim clothes on the water, or towards the water. There, the Pope finds residence for a short time, but will return when calm is restored.»

«**A revolution and a civil war break out in Russia.** There are so many corpses that they will no longer be able to be removed from the streets. **The Cross is once again being honoured. The Russian people will once again believe in God.**»

«The great leaders of the party will commit suicide, and in blood, the great guilt will be washed. I see a red mass mixed with yellow faces, there's a general uprising and a horrible massacre. Then, they sing the Easter song and burn candles in front of the sacred images. Through the prayer of Christianity, the monster of Hell dies; also, young people believe once again in the intercession of the Mother of God.»

«After the victory, an emperor is crowned by the fugitive Pope. How long this lasts I don't know. I see three nines. The third nine brings peace.»

The Sixth Bowl of God's Wrath

«And the sixth angel poured out his bowl upon that great river Euphrates; and dried up the water thereof, that a way might be prepared for the kings from the rising of the sun.» (Apoc. 16: 12-16)

«Behold the Lord shall lay waste the earth, and shall strip it, and shall afflict the face thereof, and scatter abroad the inhabitants thereof... Therefore shall a curse devour the earth, and the inhabitants thereof shall sin and therefore they that dwell therein shall be mad, and **few men shall be left.**» (Isaiah, 24, 1, 5-6)

This “desertification” of the earth is carried out by Our Lord with the **Three Days of Darkness.**

The Sixth Bowl of God's wrath consists in this:

«And then Jesus Christ, in an act of His justice and His great mercy will command His angels to have all His enemies put to death. Suddenly, the persecutors of the Church of Jesus Christ and all those given over to sin will perish and the earth will become desert-like!» (Our Lady of La Salette)

Our Lord told Marie-Julie that **three-quarters of the world's population will disappear.**

THE THREE DAYS OF DARKNESS

Irlmaier had spoken of the large snow cap on Mount Watzmann near Berchtesgaden, Bavaria, which normally is seen all year round, and one day he said that when you no longer see this snow cover, that will be the time of the coming of the **Three Days of Darkness**, which will take place during the final part of World War III.

«Darkness will come that will last 72 hours, on a day of war.»

«Then a hail breaks out, made of lightning and thunder, and an earthquake makes the earth vibrate.»

«During the war, one day, darkness will come with lightning, thunder, an earthquake that will make the earth vibrate. Please don't leave your house in those days.»

«Make sure you have enough newspapers. Enter and cover the windows and doors with newspapers and keep the newspapers in front of your face. Don't leave the house. Take home enough groceries so you have something to eat, so you don't have to leave the house.»

«The lights do not turn on; there will be no electricity, only candlelight. Whoever breathes the dust have a cramp and die. Don't open the windows. Cover them with black paper. All open-air water (outside the house) becomes as poisonous as all open food that is not in sealed cans...»

«Outside the house, many people will die from dust. It's going to last 72 hours. Then it's all over. But I repeat: Don't leave the house, don't look out the windows and keep the candle lit. And pray! During the darkness, more humans will die than in the first two World Wars.»

«Don't open the windows!... during the 72 hours. The rivers will have so little water you can easily cross them. The cattle will perish, the grass will turn yellow and dry up. Dead men will turn yellow and black. The winds will then push the clouds of death eastwards.»

Looting and situation in the weeks after the Three Days of Darkness.

A friend of Irlmaier's reports: «To the peasants, he said, ... the (looters) take the cattle from the barn and when the farmer defends himself, they kill him. (...) And don't go to the mountains, he said, because you'll starve.»

Four weeks before he died, Irlmaier, to the same friend, said again: «For three weeks you must have food with you, lock it up ... and if anyone tries to get in, shoot them.» **«You can't just treat people badly like this.»**

And then he said, «In that case, there is no law. In those three weeks of lawless time, there will be those who will survive and those who will not.»

«You won't have to buy houses and cars, there will be enough. Because everyone will say to the other, "Hey, so you're alive too?"»

The Seventh Bowl of God's Wrath

«And the seventh angel poured out his bowl upon the air, and there came a great voice out of the temple from the throne, saying: **“It is done.”** And there were lightnings, and voices, and thunders, and there was a **great earthquake, such a one as never had been since men were upon the earth, such an earthquake, so great. And the great city was divided into three parts; and the cities of the Gentiles fell.** And great Babylon came in remembrance before God, to give her the bowl of the wine of the indignation of his wrath. And every island fled away, and the mountains were not found. **And great hail, like a talent, came down from heaven upon men ...**» (Apoc. 16, 17-21).

«Come here. I will show you the judgment of the great harlot, who lives near the many waters ... I saw a woman seated on a scarlet beast, covered with blasphemous names, with **seven heads and ten horns** ... On her forehead was written a name, which is a mystery: **“Babylon the great, the mother of harlots and of the abominations of the earth.”** I saw that the woman was drunk with the blood of the saints, and with the blood of the martyrs of Jesus. And the angel said to me: “I will explain to you the mystery of the woman, and of the beast which carries her, which has the seven heads and the ten horns.” ... **The seven heads represent seven hills, upon which the woman sits, and seven kings:** ... The ten horns that you saw represent ten kings, who have not been crowned, but they will receive power as kings along with the beast only for one hour **The ten horns that you saw and the beast will hate the harlot; they will leave her desolate and naked; they will eat her flesh and consume her with fire** ... The woman whom you saw represents the great city, that has sovereignty over the kings of the earth.” (Apoc. 17, 16-18).

The Seventh Bowl of God's wrath consists of this: From unmasking the traitors at the top of the Church to the punishments inflicted on the peoples, nations, court of Lucifer, all the enemies of Jesus Christ and world political power (Babylon) **the circle of seven bowls closes with the punishment of the Prostitute of Babylon** (that is the traitors at the top of the Church who directed their war on God, in the city of the seven hills and the seven kings who reigns over all the kings of the earth).

BEGINNING OF THE ERA OF PEACE

«**The people come together again. First there is a famine, but then comes so much food that everyone is satisfied again.** People without land are now moving to where a desert has arisen, and everyone can settle where they want and grow as much as they can grow.»

It is said that, in 1949, Irlmaier had predicted an increase in temperatures in happy times, especially in the south of Bavaria where, with a climate similar to that in Italy, wine could be produced, and figs and other exotic fruits harvested, and they will even have two crops.

«After the war, the world climate will change and become warmer. It will be so hot in Bavaria that it will be possible to grow oranges and oranges can be grown in Piding (near Salzburg - Bavaria).» «We will be able to harvest wine and even figs in the highlands, and hard-working farmers will have two crops. People will get along and they will hardly hear a dirty word anymore.»

«When it's all over, some of the residents are gone and people are devout again. **The laws, which bring death to children** (abortion laws), **will be invalidated, and cancelled.** A new and very old political order will be

established. It will be peace. A good time. I see three crowns flashing and a thin old man will be our King. The ancient crown of the south will also return in honour (Hungary?)»

«The Pope, who had to flee across the sea, after a long time, will return. When the flowers bloom on the meadows, he will return and mourn his murdered brothers.»

«Then the Pope, after returning, will crown three kings: **the Hungarian, the Austrian and the Bavarian.**»

«**The final solution for Bavaria is a monarchy**, whose king is a tall, old man with leather breeches walking freely among people, without protection or escort. There will be much less money and laws, but it will be a better and freer life.»

«**I see the Holy Father in a city on the river, with a high church, crowning our king.**»

It will be the true Europe once again.

«**After these events, a very fortunate time will come.** Those who experience it will be very happy and can consider themselves lucky. But people will have to start over there, where their grandparents started.»

THE KINGDOM OF THE SACRED HEART OR THE AGE OF PEACE

Our Lord: «After the horror of this long darkness, the sun will shine with all its light and warmth. There is going to be a lot of devastation. **I, your God, will have purified everything.** The survivors will thank the Most Holy Trinity for His protection. **My Kingdom of Peace will be magnificent and My name will be invoked and praised from dawn to dusk.**»

«France will be chosen to carry out the great plans of Jesus Christ, who loves France.» (March 1, 1923)

«From **My Divine Heart** will come the triumph of France and the salvation of the Holy Church.» (October 27, 1875)

«The Triumph of France will lead to the **Kingdom of the Sacred Heart.** Jesus Christ wants the earth to resound

with prayers, especially those at the foot of the altar, to put an end to evil.» (November 26, 1922)

«**The Age of Peace will last 25-30 years.** It will be the **Kingdom of the Sacred Heart.** The Great Monarch will implement it and time is not far away.» (July 23, 1925)

«Do not place your hopes in any human plan, or in the heads of government. **Only the Sacred Heart will save France and restore the Monarchy.**» (August 5, 1879)

«Do not count on men to save France, only the **Sacred Heart** can do so, for the number of good men who could do His will will be very small.» (September 1879)

«**The Great Monarch will consecrate France to the Sacred Heart.**» (June 1, 1877)

«France, after all its suffering, will experience great wonders and peace will reign everywhere.» (September 29, 1878)

The first years of the **Age of Peace** will still be difficult because, after the Three Days of Darkness, **the earth will be burned and for a time will not produce.**

Our Lady: «**For many years, the earth will produce nothing.** France will be unhappy, even after its Triumph. For two or three years, she will feel the ruins and deep misery. The misery will be great, although this will be spared to my people. **Prayers will be blessings.** My Son and I will have mercy on this long penance.» (November 30, 1880)

«When the Great Monarch enters his kingdom, **God will purify the land contaminated with a heavenly dew.** The penance of the survivors will erase the perverse signs left by the wicked.» (February 28, 1822) (August 1920)

The Church will be restored under the reign of the Great Monarch. Our Lord, of the Great Monarch says: «He will comfort the needy, renew the devastated priesthood weakened and fallen like a branch under the saw of the worker ... His charity will renew the priesthood, he will raise the statues of My Mother, he will remount the crosses that were desecrated and torn to pieces.» (February 14, 1882) «To whom He has chosen, God will give all the graces and lights which will be necessary to know the means by which it will do everything possible for the regeneration of mankind, as God wants.» (February 9, 1914) A vision of Marie-Julie: «**King Louis XVI**, who was assassinated during the French Revolution, **will be recognized as a martyr and will be canonized,** during the Reign of the Great Monarch.» (January 5, 1882)

«The reign of the Great Monarch will last 25-30 years.» (July 23, 1925)

«The Monarchy of the Great Monarch will last until the end of time.» (March 28, 1874)

«**France will always keep the faith, it will rule, after its triumph to the end of time...**» (October 27, 1875)

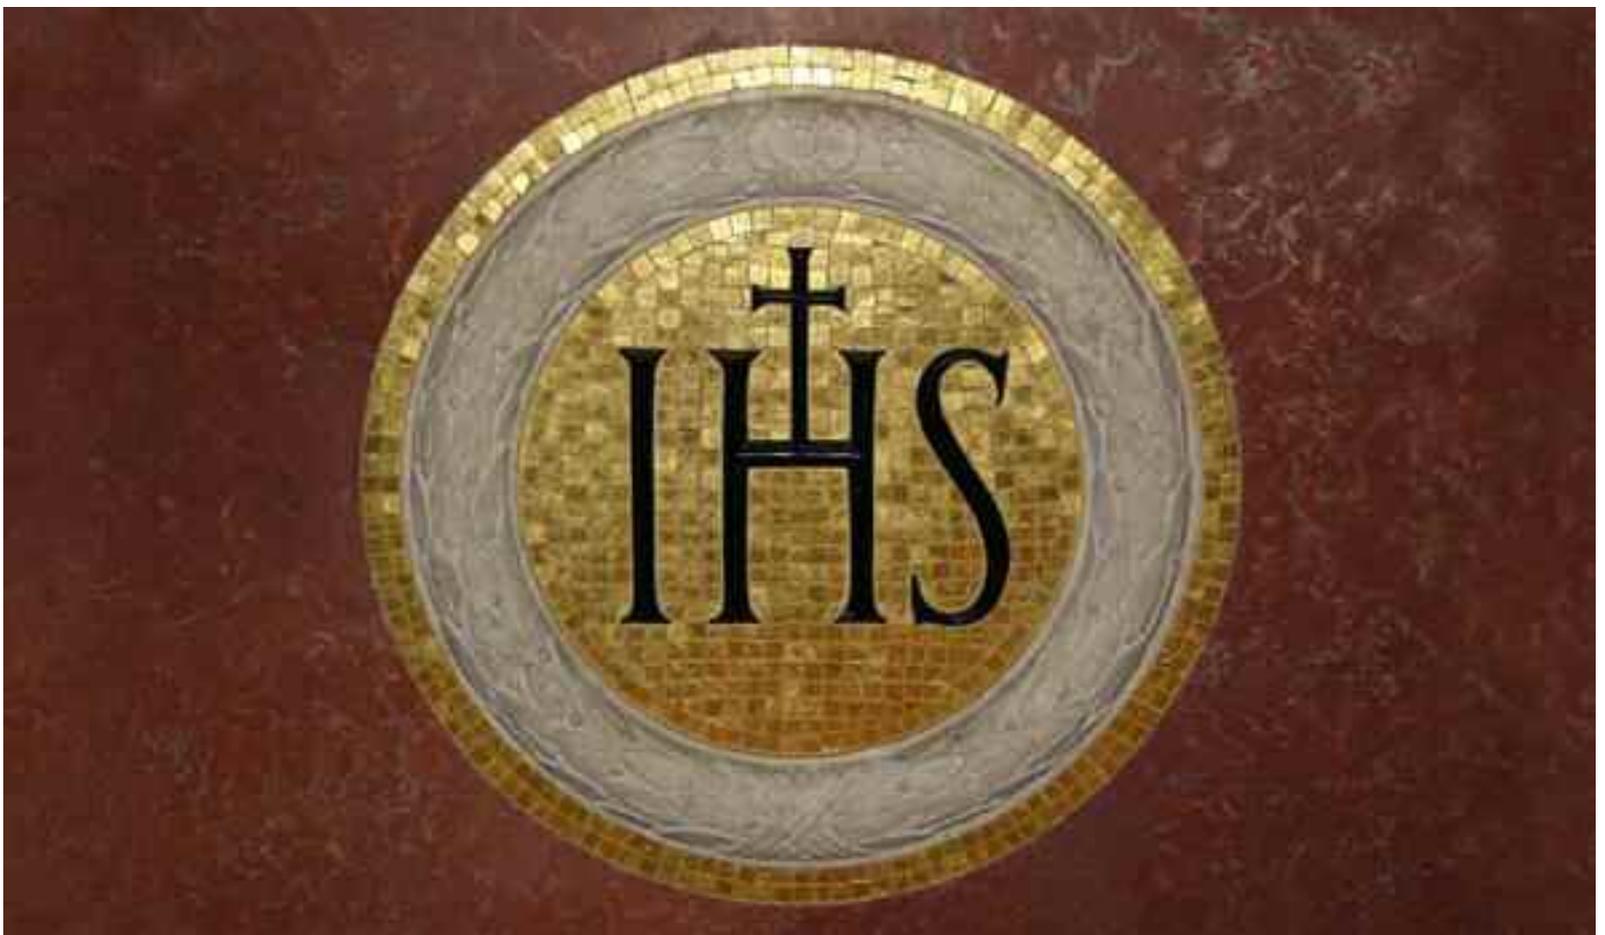

«The **Sacred Heart** confirms once again that France will free itself from the wicked and begin its Triumph. The **Sacred Heart** will no longer let France fall under the power of the wicked.» (February 1941)

Father Dolindo Ruotolo, after confirming the prophecies of the **Great Catholic Monarch** and the **Angelic Pontiff**, who will come to restore the Church, the spiritual and the secular kingdom, affirms that **this Kingdom of the Sacred Heart will come to prepare that last generation, for the last great struggle that the Church will fight against the Antichrist**, in the seventh and last period of Her life.

Fr. Dolindo points out that the times of the Great Monarch and the Angelic Pontiff will be similar, although to a lesser extent, to those of the **last period of the fight against the Antichrist**, which will come after the Age of Peace and towards the end of time.

After the Age of Peace, in fact, the peoples will become corrupt again and the Antichrist will appear whose seat will not be in Rome, but in Jerusalem, as foretold by the Scriptures and Fathers of the Church.

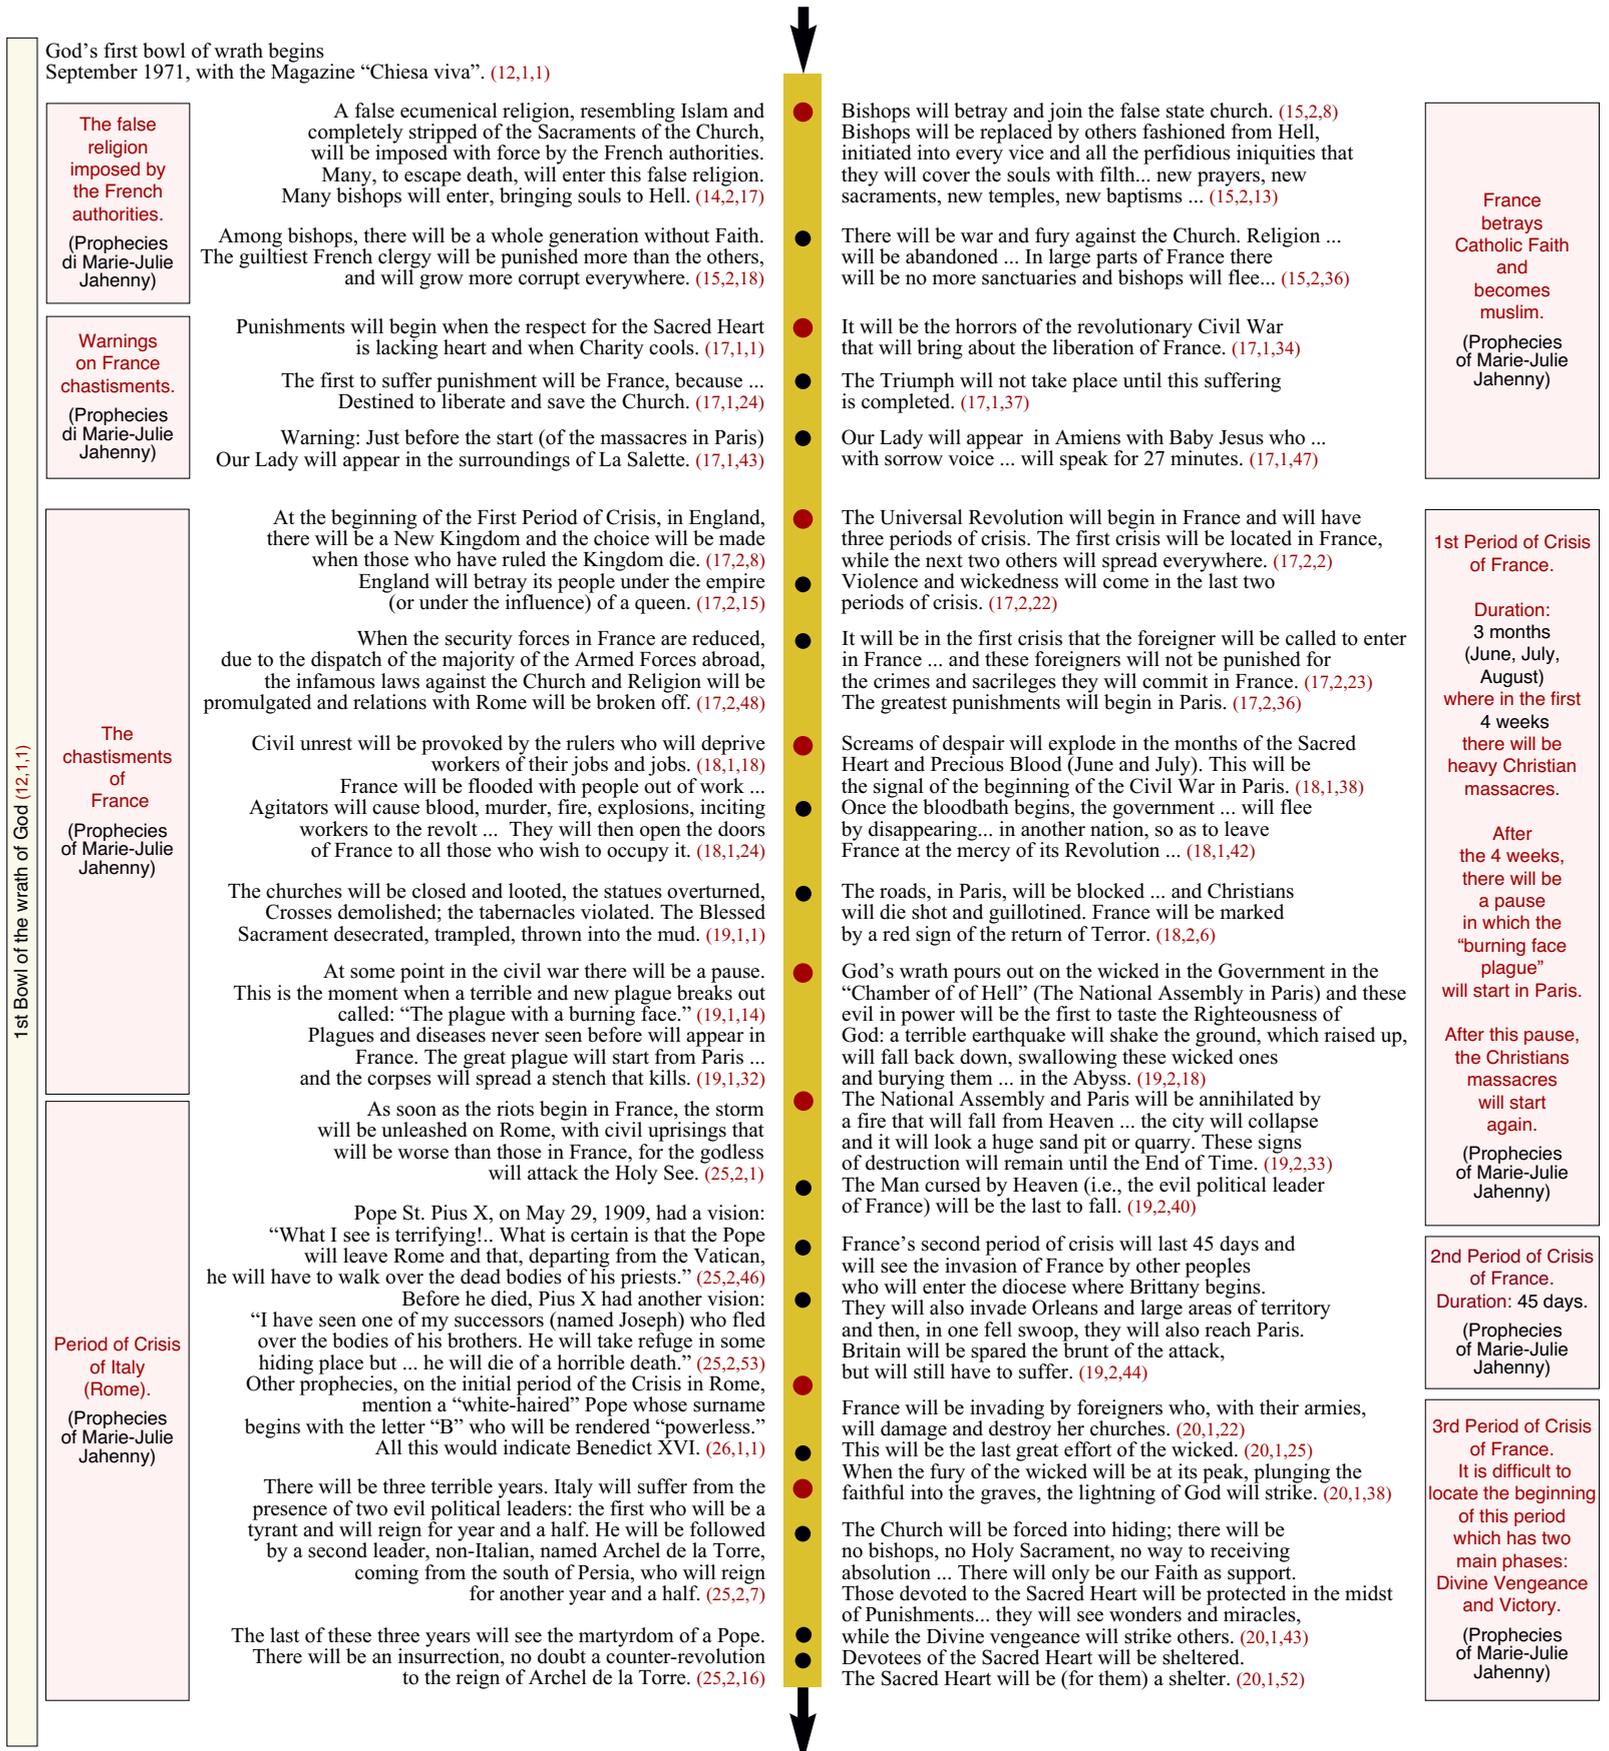

This last period, the Seventh of the Church, **will end with the defeat of the Antichrist, the Resurrection of the Dead, the Last Judgment, the Eternal Triumph of Jesus Christ, the Church and the Glory of the Blessed.**

SUCCESSION OF EVENTS LEADING TO THE THREE DAYS OF DARKNESS

This cronological diagram of events covers the three-and-a-half-year period,
between the massacre of Catholics in Paris and the birth of the Kingdom of the Sacred Heart.

(The three numbers in red, in parentheses, indicate
page, column and row references of the topic covered in the text.

1st Bowl of the wrath of God (12,1,1)	<p>Period of Crisis of Italy (Rome). (Prophecies of Marie-Julie Jahenny)</p>	<p>In the first half of the third year, three popes will succeed each other. The first will be a martyr. His servants will dare to write shameful articles about him to save their lives and, in the end, will become his tormentors and murderers. He too will suffer seeing the revolt that struck Rome. (25,2,19)</p> <p>Even the second pope, who succeeded the first pope, will not see the end of the revolt. (25,2,26)</p> <p>The third pope (elder) will live longer and see the end of the revolt ... He will be the saintliest of the three. (25,2,31)</p> <p>St John Bosco, in 1870, received a revelation from Jesus Christ concerning Italy: "Country of blessings, who has plunged you into desolation? Not your enemies, but your friends ... And what will happen to you, ungrateful, effeminate proud Rome? Four times I will come to You! The first time, I will hit your region and your people. The second time, I will bring massacres and destruction. The third time, I will come ... and terror, dismay and desolation will reign, if My law will still be trampled underfoot. The fourth time, woe to you if My law is still unheeded. Your transgression will be erased with your blood and that of your children. War, plague and famine are the scourges to strike human pride and malice. And you priests, why don't you take the shield of Faith and preach My Word from rooftops, into houses, streets and squares?" (26,1,10)</p>	<p>● Only Our Lady is granted the honor of deciding the hour of victory for France. (21,1,15) St Michael the Archangel and the Holy Spirit call the restored France, the "New France." (21,2,1)</p> <p>● The King whom, France one day rejected, will one day welcome him. He will come out of exile. (22,1,2) He was reserved for the Great Eras. (22,1,15) The Great Monarch is Henry Charles Ferdinand Maria Dieudonné d'Artois, Duke of Bordeaux and Count of Chambord, who had been called Henry V. (22,1,34) The King will arrive when France is weakened and depopulated by the punishments and when the "democratic government" will be wiped out. (22,1,46)</p> <p>● The Soldiers of the Cross will join the King's armies, as soon as they enter France. (23,1,9) The king's arrival will be a sign given to the obstinate Jews of the power of Christ. The King will arrive amid the storms and signs of God's wrath, to open our eyes to the Jews. (23,2,11) The signs, which will appear upon the king's arrival, will resemble those of the terror of Good Friday. (22,2,16) The bishops, who had hidden themselves during the persecution, will return at the king's call, but only four of them. (23,2,21) The King will arrive in the name of the Sacred Heart and wear emblems of the Sacred Heart on his chest (23,2,32) and will appear during the uprisings and civil wars in France. (23,2,38) Foreigners will have already invaded France. (23,2,51)</p>	<p>3rd Period of Crisis of France. 1. Divine Vengeance. (Prophecies of Marie-Julie Jahenny)</p>
	<p>Rome and the Angelic Pope. (Prophecies of Marie-Julie Jahenny)</p>	<p>Catherine Emmerich: I saw a new Pope (Angelic) who will be very severe, who will alienate the cold and lukewarm bishops. He lives not far from Rome. (26,2,2) The Angelic Pope will be threatened, and they will want to kill him. The miracle of blood from a Crucifix will save him. (26,2,20) The Great Monarch who will come to Rome to free the Angelic Pope and to defend the Holy See, will temper his sceptre of glory in the blood of the Romans. (27,1,13)</p>	<p>● There will be battles, struggles, bloodshed, and riots, before the King takes the throne of his ancestors. (23,1,53) Three candidates will compete for the crown in France, but the rightful King, Henry V, will be the winner. (24,1,13) The battle, which will then take place, to free the Pope, will not be as terrible as the one fought for Henry V. (24,1,19) The new King will put an end to the work of the wicked. (25,1,4) France will still be represented by the Lily. (25,1,16)</p>	<p>3rd Period of Crisis of France. 2. Victory. (Prophecies of Marie-Julie Jahenny)</p>
	<p>The War in Europe and in the world (Prophecies of Alois Irlmaier)</p>	<p>Irlmaier talks about the events that will take place in France: the single European currency, the arrival of robbers: taxes, banks, insurance companies, the economic crisis, revolutions and an assassination that will start the Third World War, in Europe and other countries around the world. (41,2,35) (41,2,38)</p> <p>An army comes from the East, from the golden city, and everything happens quickly. Up to Regensburg there are no more bridges over the Danube. The units amassed march from the east, Belgrade, and move towards Italy. Later, three armored wedges advance rapidly into the north of the Danube over Germany west towards the Rhine River ... hardly anything will remain of the great city of Frankfurt. The Valley of the Rhine will be devastated, mainly by air. (42,1,49)</p> <p>In this war, Irlmaier also mentions another protagonist of the warring factions: "The Half Moon," Islam. At the Rhine, I see a crescent that wants to devour everything. (43,1,9)</p> <p>Planes launch small black boxes from which a yellow and green poison emanates that kills plants, animals and humans that turn black and the flesh comes off the bones. (43,1,24)</p>	<p>● Irlmaier predicts that there will be, first, prosperity, then decline of Faith, corruption, an invasion of foreigners, inflation, revolution and, finally, the murder of a man of peace. After the appearance in the sky of a Crucifix with stigmata, a war is unleashed that will begin at dawn. Three Russian armies advance westward. (42,1,5)</p> <p>● The first vanguard crosses the forest and proceeds along the Danube; the second runs from east to west over Saxony; the third runs from north east to south-west. (42,2,16) The Russians advance without stopping with the three armies, day and night, to arrive at the Ruhr region, the region of Saxony and for the conquest of Berlin. (42,2,25) Immediately, the answer comes from the sea. (42,2,40) The yellow dragon, at the same time, invades Alaska and Canada, but it doesn't go far. (42,2,42)</p> <p>● In Europe, planes drop a yellow powder between the Black Sea and the North Sea, creating a death band, where human beings cannot live. This causes the interruption of supply to the Russian armies. (43,1,1) Armies go north, but no one comes home. (42,2,59)</p>	<p>The Third World War in Europe and in the World. (Prophecies of Alois Irlmaier)</p>
	<p>2nd Bowl of the Wrath of God (44,1,1)</p>	<p>Due to a natural catastrophe ... the Russians flee to the north, and the last battle begins around Cologne. (43,2,9) A huge wave in the North Sea sinks the Netherlands, Hamburg, London and southern England. (44,1,35)</p>	<p>● There is an earthquake and half of England sinks and Scotland remains like an island. (44,1,37) ● Countries near the sea are seriously endangered ... Islands disappear and the climate changes. (44,2,13)</p>	<p>The Bowls of the wrath of God. (Prophecies of Alois Irlmaier)</p> <p>With the Bowls of His wrath, from the Second one to the seventh one, God will put to death three quarters of Mankind.</p>
	<p>3rd Bowl of the Wrath of God (44,2,22)</p>	<p>Israel goes to war with its neighbors who, in the end, would have the upper hand. This should end with the fact that ... Jews will convert to Christianity. (45,1,10)</p>	<p>● A detail on the conversion of Jews and other peoples: during or at the end of the war, I see the Sign in the sky, crucifix with stigmata and everyone will see it. (45,1,21)</p>	
	<p>4th Bowl of the Wrath of God (45,1,25)</p>	<p>The 4th bowl is poured on Nations that have not paid the bill they owed to God with the 2nd bowl. (45,1,25)</p>	<p>● This bowl does not appear, perhaps because it is unrelated to crises France, Italy, and the events of the Third World War.</p>	
	<p>5th Bowl of the Wrath of God (45,2,7)</p>	<p>The 5th bowl is poured on the throne of the Beast for the destruction of his kingdom on earth. (45,2,6)</p>	<p>● This bowl does not appear, perhaps because it is unrelated to crises France, Italy, and the events of the Third World War.</p>	
<p>6th Bowl of the Wrath of God (46,2,1)</p>	<p>"Behold, the Lord empties the earth and makes it deserted; He upsets its face and disperses its inhabitants. (...) and there are few people left." (Isaiah, 24,1,5-6)</p>	<p>● «Suddenly, the persecutors of the Church of Jesus Christ and all those given over to sin will perish and the earth will become desert-like!» (Our Lady of La Salette)</p>		
	<p>Pitch darkness in Brittany, from 12 pm to 4 pm.</p>	<p>● The Four Hours of Darkness (only in Brittany-France). (27,2,32)</p>		
	<p>It is not dark but dimming of the sun that does not allow a view of the outside, while leaving a certain brightness.</p>	<p>● The Two Days of Darkness (Brittany-France only) (28,2,1) They are a warning to the faithful, of the Three Days of Darkness.</p>		
<p>7th Bowl of the Wrath of God (47,2,1)</p>	<p>The Three Days of Darkness will be preceded by a very Hot wind, a thunderstorm that will shake the mountains and with hail that will dig into the ground, lightning poisonous gases and vapors and gigantic tornadoes will follow. (30,2,16)</p> <p>God destroys Babylon and all its centers of power in all the cities of the world, annihilating the Satanic political power of Babylon existing on the earth. (47,2,1)</p>	<p>● The Three Days of Darkness (in the world) (29,2,1) (47,1,1) will be Hell on earth; it begins 37 days after the Two Days of Darkness, on a cold winter's day: this period will be on a Thursday, Friday and Saturday (Days of the Passion of Jesus Christ). (30,2,14)</p> <p>● God punishes the Prostitute of Babylon in a terrifying way that is, the clergy who have betrayed Christ, who hate Him and fight Him and who have prostituted themselves to the political power of Babylon. (47,2,16)</p>		

Kingdom of the Sacred Heart or Age of Peace

more proclaim God and His
Glory and serve Him like before,
when the world was not so corrupted.»**

(Our Lady of Fatima)
