REMEDIES FOR CHASTISEMENT PLAGUES AND DISEASES

Heaven warned Marie-Julie Jahenny that among the chastisements that will strike the earth as a punishment for sin and a warning will be a multitude of diseases that human medicine will not be able to treat. Judging from Marie-Julie's various prophecies, they will strike before or during the civil wars that will occur before the dreaded Two and Three Days of Darkness. (Learn more about these Days of Darkness, [click here](#)).

Here is a list of remedies revealed to Marie-Julie Jahenny: they are a reminder that when modern medicine fails, we have God's natural pharmacy to turn to.

Also, our sacramentals are powerful healers when used with faith, as long as one does not neglect medical treatment first. The Church obliges us to listen and follow medical advice. These remedies will be for the time we won't have medical help, or the diseases are so new there will be no known cure or treatment.

1) Remedy for the BURNING PLAGUE

One never before seen plague will be particularly deadly, a 'Burning Plague' will spread fast and will kill quickly. Only one remedy will be available, and must be taken as directed in time, or the victim still may not survive. This is one chastisement Brittany will not be spared for it will have forgotten it's Faith.

If anyone decides to take shelter in Brittany, be prepared for this plague.

It will spread so fast there will not be time to prepare for death according to another of Marie-Julie's prophecies. We will not have time to get a priest for the Last Rites, and indeed, if there are any priests left, they will be so busy, we may not get absolution. Heaven has prepared the CROSS OF PARDON in order to receive forgiveness of sin in this dire circumstance. (More about the Cross of Pardon, [click here.](#))

However, if you notice the symptoms in time, here is the remedy you must take:

.....

Ecstasy date August 5, 1880

"There will be serious diseases that human art (skill) cannot alleviate. This malady will attack the heart first, then the mind, and at the same time, the tongue. It will be horrible. The heat that will accompany it will be a consuming fire, so strong that the affected parts of the body will be of an unbearable redness, (red blotches / patches).

After seven days, this malady, like the seed sown in a field, will rise rapidly and make immense progress (i.e. take over the body quickly, or, spread through the population quickly).

My children, this is the only remedy that can save you:

You know the leaves of thorns that grow in almost any hedges (**white hawthorn**). The leaves of this thorn will stop the progress of the disease. You must pick the leaves, not the wood. Even dry, they will retain their effectiveness.

Put them in boiling water and leave them there for 14 minutes, covering the container so that the steam remains. When the malady first attacks, you must use this remedy three times a day.

My children, this disease will be very serious in Brittany. The thought of God there will be less great ...*(I.e. they will not think of God as much as before and therefore will be struck hardest with this malady.)*

The malady will produce a continual uprising of the heart, (*blood pressure? Increased heart rate?*) vomiting. If the remedy is taken too late, the affected parts will become black, and in this black, there will be yellowish pale streaks."

.....

Marie-Julie Jahenny received other warnings with descriptions of this plague and when it will strike.

Our Lord revealed unknown plagues will erupt first in Paris, then spread: (June 15, 1882) **"There will pass, on France, countless deaths that the world has never seen and diseases that are unknown. Above all from the Centre (Paris) will this deadly mortality launch its plague. It will strike down just up over the parish which is yours, (Blain, Fraudais?) My children, but fear not, My Heart will be a shelter to protect you."**

Marie-Julie gave details about this disease at an earlier ecstasy dated September 20, 1880, also hinting it will break out during a time of persecution: **"From the time when the rage of the impious will stop for a short respite, (i.e. when the persecutions seem to stop for a bit between the First and Second crises periods of the French civil war) there will come a great disease, almost suddenly. This chastisement will leave its victims as those without life, they will still breathe with the ability to speak, the flesh raw like**

after a deep burn. This malady will be very contagious and nothing will stop it. It is a punishment from God to bring many (souls) back."

Observations: is there any Biblical basis for this new plague that will come before the justice of God strikes? YES.

Compare the prophecies of Marie-Julie and the coming chastisements of civil war, the Three Days of Darkness, etc. this passage from the prophecies of Isaiah / Isaias (13:4-13):

"The noise of a multitude in the mountains, as it were of many people, the noise of the sound of kings, of nations gathered together: **the Lord of hosts hath given charge to the troops of war.** To them that come from a far country afar off, from the end of heaven: the Lord and the instruments of his wrath, to destroy the whole land. Howl ye, for the day of the Lord is near: it shall come as a destruction from the Lord. Therefore shall all hands be faint, and every **heart of man shall melt**, and shall be broken. **Gripings and pains shall take hold of them, they shall be in pain as a woman in labour.** (Cramps from the plague?). Everyone shall be amazed at his neighbour, **their countenances shall be as faces burnt.** Behold, the day of the Lord shall come, a cruel day, and full of indignation, and of wrath, and fury, to lay the land desolate, and to destroy sinners therefore out of it. **For the stars of heaven, and their brightness shall not display their light: the sun shall be darkened in his rising, and the moon shall not shine with her light. (Two / Three Days of darkness?)** And I will visit the evils of the world, and against the wicked for their iniquity: and I will make the pride of the infidels to cease, and will bring down the arrogance of the mighty. A man shall be more precious than gold, yea a man than the finest gold. For this I will trouble the heaven: and the earth shall be moved out of her place, for the indignation of the Lord of hosts, and for the day of his fierce wrath."

I would recommend reading the 'Douay-Rheims' edition of the Bible, the same prophecies told by the other prophets are cross-linked in the footnotes below the appropriate verses. The passage above is also linked to: Ezechiel (32:7), Joel (2:10, and 3:15), Matt. (24:29); Mark (13:24), Luke (21:25). Also, compare the above text from Isaias with the passage in Joel (2:6) "At their presence (a great army) **the people shall be in grievous pains: all faces shall be made like a kettle.**" I.e. they will look scorched and burned like a kettle which is placed over a fire. This sounds very similar to the 'burning plague' Marie-Julie Jahenny was forewarned about.

About the hawthorn remedy: this is for information only and to confirm that Our Lady is giving us authentic remedies. I have looked into the health properties of hawthorn leaves and have discovered herbalist and alternative medicines site declare it is a powerful form of natural digitalis, a heart medication. It also reduces blood pressure. So, please be advised when using the leaves if you are already taking prescriptions for lowering blood pressure or have heart issues -it can lower your pressure too much **if you're already on medications. Be careful!** Interesting, herbalists say that when making an herbal tea as a beverage or health purposes, the herbs must be steep c. 14 minutes in a closed container such as a pot with a lid to ensure all the essential oils are infused, and, not lost in the steam.

If you plan to harvest your own leaves, here are pictures of the white hawthorn and its leaves. If you are not sure what to look for, then please, take someone with you who can identify the right bush.

(Images: Above, flowering white hawthorn bush. Right, whiate hawthorn leaves.)

Remedy #2 - PREVENTATIVE PROTECTION Against PLAGUES

One remedy to protect yourself from deadly plagues. (the "Friends of Marie-Julie" Website states this is the only manner of protection)- we are to swallow a very small piece of paper on which the following words are written:

"O Jesus, Vanquisher of death, save us! O Crux Ave, Spes Unica!"

(IMPORTANT: Don't forget to use non-toxic ink! Also, this is for the chastisements, don't risk your life. We must still take the usual precautions not to get sick should there be an epidemic, stay home and avoid crowds.)

.....

Remedy #3 – For UNKNOWN DISEASES

Our Lord told Marie-Julie: "A medal with My Divine Heart, a medal where there is drawn the adorable cross. You will place in a glass of water these TWO images, either pasteboard (i.e. a holy picture), or metal. You will drink this water twice blessed, twice purified. One single drop in your food, one tiny drop, will suffice not to move away the blight, but the blights of My Justice." He also said: "You will give a drop of this water to the poor souls reached by the blights of the unknown maladies that will attack the mind heart and the mouth / tongue." (Ecstasy date, not given.)

(IMPORTANT: this will only bring relief and WILL NOT be a cure the 'burning plague', only the hawthorn will cure that if taken in time.)

.....

Remedy #4 - For Crises, Sufferings of the chest and violent headaches:

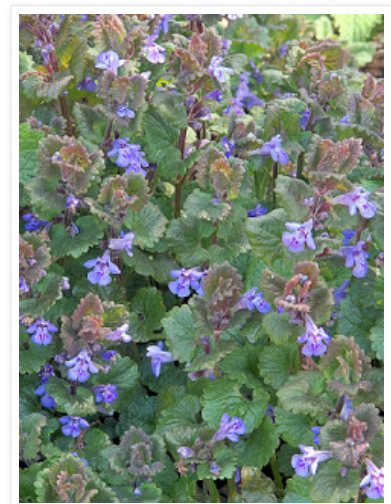

"You will take the infusion of St. John's herb Glechoma hederacea especially during crisis, sufferings of the chest and violent headaches." (Date of ecstasy?)

((NOTE - CORRECTION: I received the wrong translation from the 'Breton Stigmatist' who mixed up the English translations of the herbs revealed to Marie-Julie, '

"Lierre terrestre" is mentioned in the texts, it is 'ground ivy' and also known as Glechoma hederacea. The texts mention this herb an that it should be taken for the chest suffereings, so it is obvious ground ivy is meant here.

It is also known as gill-over-the-ground, creeping charlie, alehoof, tunhoof, catsfoot, field balm, and run-away-robin.

But in French it is also associated with St. John, AND, it was listed next to St. John's wort, which is also in the texts, hence the confusion.

'Ground Ivy' not mentioned in the English translation of "We Are Warned: The Prophecies of Marie-Julie Jahenny" due to this mistake. I apologise for that!

Lierre terrestre / 'ground ivy' / Glechoma hederacea is the herb for 'crises, sufferings of the chest and violent headaches. During the Reanaisance, it was used to treat various chest ailments.

(Unfortunately, no instructions were given on how to make the infusions, teas, etc, so please do your homework.)

.....

Remedy #5 --

HOWEVER: the 'herb of St. John is ALSO MENTIONED in the texts AS A REMEDY FOR VIOLENT HEAD / MENTAL TROUBLES and Chest pains:

In French, the 'herb of St. John' is also **St. John's Wort in English** - St. John's wort is known to help alleviate DEPRESSION (MENTAL TROUBLES) and also has the following properties which would also help relieve chest pains - marked with ***:

Antioxidant (prevents free radicals from causing damage to cells).
Antiviral (effective against disease-carrying viruses).
Anti-inflammatory (reduces inflammation). ***
Anti-microbial (disarms microbes).
Analgesic (pain relief). ***
Antispasmodic
(relaxes muscular contractions). ***
Aromatic (digestive).
Astringent (tones and heals). ***
Expectorant (provokes the release of mucus). ***
Nervine (frees and calms the nervous system). ***
Hepatic (favourably influences the liver and gall bladder)

However, there were no instructions given on how to use St. John's wort, so please do your homework on this as well.

Remedy #6 – For Cholera - the Hawthorn leaf infusion is recommended. (Ecstasy date not given.)

.....

Remedy #7 – For Unknown Fevers -

"For unknown fevers, the humble violet, the perfume and virtue of humility will have effect."

(Ecstasy date not given.) Note, violets are an edible flower.

(Of interest: New research has detected the presence of a glycoside of salicylic acid, **natural aspirin, good for fevers**, which substantiates its use for centuries as a medicinal remedy for headache, body pains and as a sedative. Image: sweet violet.)

Remedy #9 - To Counteract Fear and Fright – Especially During the Wars

Your minds will remain calm. Your minds will not fear the approach of the terror of men. They will not resist the effects of My great Justice.” (Ecstasy date, not given.)

Remedy 10: the PURPLE SCAPULAR OF Protection and Benediction - this is mostly for spiritual and temporal protection against the other chastisement punishments that are not diseases. Remedy 11: The Cross of Pardon - important sacramental that will grant God's forgiveness during the persecutions when we won't have priests and the plagues strike and we won't be guaranteed confession. Also is a protection against plagues. Find out more and where to get them, click here.

.....

A friendly reminder: Your sacramentals will NOT impart grace and blessings unless they are properly blessed by a Catholic priest.

Therefore, the remedies that use sacramentals won't work unless they are blessed.

About this blog:

This blog features the visions and prophecies of **Marie-Julie Jahenny (1850-1941)**, Catholic stigmatist and mystic from Brittany, France, who was approved by her local bishop in 1875.
