

Novena Prayer

For the Canonization of Gabriel Garcia Moreno Catholic President of Ecuador (December 24th, 1821 - August 6th, 1875)

Oh Holy Virgin of Lourdes, remember that thy servant Garcia Moreno promised to defend thy Immaculate Conception. Remember that he belonged to thy sweet Archconfraternity, and that he fervently prayed thy Holy Rosary. Pope Pius IX, who officially proclaimed thy exemption from original sin, declared that Garcia Moreno “died a victim of the Faith and Christian Charity for his beloved country”.

Oh Holy Virgin, obtain for us the canonization of this exemplary ruler so that powerful men arise in works and words for the cause of the same Faith and of our beloved country. Finally, please grant this special intention (make request), if it is for the good of my soul. Amen

With Ecclesiastical Approval (300 days Indulgence)
