## Cougarwear.com WSU Student Scholarship

Dear Students,

I am offering one \$300 scholarship to a **WSU-bound high school senior** with a **minimum 3.0 GPA**. As a Washington State University alumnae and the owner of Cougarwear.com, a retail and online WSU apparel company, I love everything Cougars-related and want to help someone with the same passion for their college education.

The scholarship will be awarded to the individual with the best essay explaining the following:

1. Why Washington State University?
2. What is your planned major?
3. How do you plan on paying for college? Please explain in detail your family's contribution, your own contribution, loans, grants, etc. When did you start planning for college? Is your family involved in planning for college?

Please submit your essay along with your name, address, phone number and email address no later than **May 15**, addressed as follows:

Cougarwear.com WSU Scholarship Application  
c/o Tracy Hacklin Dennis  
PO Box 994  
Gig Harbor, WA 98335

Submissions can also be emailed to **tracy@anchorbaymtg.com** with 'WSU Student Scholarship Application' in the subject line. *For bonus points, like Cougarwear.com on Facebook!*

If you have any questions and would like to meet in person, or just want to stock up on some WSU gear before you head off to Pullman in the fall, please visit our Cougarwear Retail Store (hours and address at top right.) We carry hundred of items for WSU students and fans, including apparel, gear for the game, dorm décor and car accessories.

Thank you for participating in this year's WSU Student Scholarship: I am looking forward to hearing your stories. Go Cougs!

Sincerely,

Tracy Hacklin Dennis
