

School holiday fun for wet days.

Holidays are a great time to get out PuzzleTrailing with our downloadable mystery trails. But sometimes, the weather is just not playing along. We'd hate for you not to use those clever detective skills, so we've created a bit of fun to entertain you on the days you can't get outside!

Holiday memories...

Hot sun beating down along a stretch of golden sands,
 Orange sail-boats, surf and sand castles made with love by tiny hands,
 Licking ice-creams very slowly just to make the flavour last,
 Ice skates, pony rides and go-karts and racing bikes a bit too fast,
 Delight of fireworks in the night sky, balmy evenings staying out late,
 All the joy of family time together, a change to celebrate,
 You just can't beat the time you have when you're on **HOLIDAY!**
 So enjoy this time, go have some fun, in your own very special way.
