

## A Wet Weather Winter Wordsearch!

*This week's puzzle has been sent to us by Niah Minshall, Age 9.*

*Congratulations Niah on a great effort, that is so good we had to share!*

Hidden in the word search is a phrase that describes what PuzzleTrails are.

First, you need to find the listed PuzzleTrail themed words in the grid. They can be written forwards or backwards, vertically or horizontally.

Once you have found all the words, the remaining 12 unused letters will spell out, from top to bottom and left to right, the phrase you are seeking.

Good Luck!
