From Country Kid to NBA Champion

Matthew Dellavedova is an inspiration to all young Australians. His relentless work ethic has earned him praise all over the world, and it has now delivered him a coveted NBA championship.

Delly's journey, hard work and ultimate success will provide long lasting benefits to Basketball Associations all over Australia.

For these reasons and many others, PEAK Sport Australia is proud to be partnering with Matthew Dellavedova for the next 3 years.

To coincide with the release of the much anticipated "Delly1" signature basketball shoe in 2017, PEAK Sport Australia is excited to offer you the opportunity to:

#TeamUpWithDelly

#TeamUpWithDelly

This exciting project is aimed at giving your basketball members the opportunity to engage with Delly over an extended period, and compete for the chance to #TeamUpWithDelly at your stadium.

- Your Association has the chance to host Matthew Dellavedova for a day in 2017.
- Your players compete for great prizes, Delly merchandise and ultimately the opportunity to be up close with Delly for a day.

Imagine the impact of having Delly up close and personally involved with your junior players. To learn from him and listen to him share his journey as he evolved from a young country grass roots basketball player into one of the most popular and successful basketball players Australia has produced.
