THE BRUTE 17 OZ DOUBLE BELT

17+ ounces of pure USA steerhide! The Double Layer "Brute" belt from Hanks Belts is one of our toughest belts and one of our best values!

We batched one color only of this superb leather and ordered the hides in bulk. This results in us being able to produce large runs of this belt at once, right here in the USA, at a price that can't be beaten.

Made from two layers of approx. 9 oz vegetable tanned steerhide from a Pennsylvania tannery, this belt will hold most anything you hang on it. Double row stitched for ultimate durability results in a belt that stays together and looks great at the same time.

We use our premium low profile stainless steel roller buckle for long wear. It's also good for those that have nickle allergies. It's all held together with Chicago screws so you have the option of swapping out to any buckle of your choosing.
