THE CRAZY HORSE JEAN BELT

The Crazy Horse belt is the perfect look for those casual days when you are all about comfort. Made from a premium lighter weight 9 oz. leather, this belt is soft and supple for those days when you just want to relax.

The classic retro look of this belt takes you right back to the 1970s. Raw and unfinished, the more you wear this belt the better it looks.

Crazy horse leather distresses easily and will take on a life of its own and soon look like you have had it 100 years. A great look to go with your favorite worn-in jeans.

The 9 oz leather is super tough but soft and supple for all-day comfort. Some days you don't want a stiff and heavy belt but you don't want a plastic-looking belt either. This belt won't crack or break like cheap department store belts and will hold up your pants with style. USA Made quality the way it should be.
