

## 2" THE MARSHALL BELT

Introducing The Marshall from Hanks Belts. A 2" wide CCW Gun belt for those who like a garrison style belt.

**IMPORTANT:** Before ordering, make sure this belt will fit your belt loops. It fits almost all jeans, but some khaki or casual pants may not have wide enough loops.

This USA made gun belt has a double prong garrison style construction to securely fasten and hold tight. Whatever you hang on the Marshall won't be leaving town.

The double prong roller buckle is held on with Chicago screws which make for easy buckle swaps. No worries of an unusable belt because a snap broke. With the heavy-duty roller, you can snug your belt up as tight as you like with ease.

These gun belts are perfect to wear for concealed carry. Customers keep coming back for our belts because they do what they are supposed to do!
