# THE OAKLEY WOMEN'S BELT

The Oakley from Hanks Belts is a solid, rugged, and durable 1 1/2" wide Women's CCW Gun belt.

Designed from our rugged 14 oz Gunner leather we made this one in women's sizing for those that want a solid, rugged belt that will hold almost anything you hang off it.

We used our 1 1/2" antique brass knurled roller buckle for a stylish but rugged look. This buckle is tough and built to outlast you.

The decorative stitching gives a bit of class to the belt and makes it look good as a work belt or for a night out on the town. With 8 oblong holes, this belt is easy to fasten and has a wide range of adjustability.

You can easily swap out the buckle, if you like, for one of your choosing. Simply remove the Chicago screws that hold it all together, swap the buckle, and re-install the screws. Fast and easy and they never break like snaps which can make your belt no longer functional.
