# THE HANKS REVERSIBLE BELT

One belt...two colors! The rugged 17 oz. reversible belt from Hanks is built to last. Made from two layers of premium USA tanned steer-hide, this belt will never crack, peel, split, or break at the holes.

This belt works great for CCW use and also makes a great work belt due to its extra tough steer-hide leather. The single needle stitching is refined enough to be worn with dress pants.

The rugged double roller buckle makes it easy to slip back and forth from brown to black.

Holding it all together is the rugged Chicago screws. These won't break or come undone as snaps can.
