THE RUSTIC GLAZED JEAN BELT

Sometimes plain old black or brown just won't cut it. You want something with a bit more style to it but not too much. The Rustic Belt from Hanks delivers! Made from rugged 9oz Full Grain Crazy Horse leather this belt is tough yet not overly thick. We then put on a Cracked Glazed finish which gives the belt a Rustic, worn look right out of the bag!

The buckle makes the belt tough so we stepped it up a bit on this one. We took our reliable, most durable Steel Roller buckle and finished it with a handsome, vintage Stat Bronze Finish. The perfect color to compliment this Vintage looking belt. We hold it all together with Chicago screws in the same Stat Bronze finish. This makes swapping your buckle a breeze yet no worries of broken snaps that render the belt useless.

So throw this belt on with your favorite jeans or even a pair of your comfortable broken in Khakis. Not too heavy but durable enough to be backed by our 100 Year Warranty. Say NO to imported department store belts and say YES to Hanks Belts...USA Made and built to last decades, not just months.
