

1.5"

# THE SCRATCHLESS MECHANICS BELT

Mechanics belts are ideal for mechanics or anyone performing a job that requires close contact with scratchable surfaces. This USA made belt has no buckle and is the perfect addition to any wardrobe. The handy hook & loop closure fastens easily and securely with a perfect fit every time. No getting caught between holes like can happen on standard size belts.

We have found that these belts are not just beneficial to mechanics, but are useful for anyone looking for a non-metallic belt or those with occupational difficulties. It is a smart-looking, multi-faceted belt useful to many.

- This belt won't scratch fine woodwork or cabinetry
- This belt won't damage painted surfaces
- Perfect mechanics belt - won't scratch the finish on vehicles
- Perfect belt for playing musical instruments - this belt won't scratch the back of your fine guitar
- Perfect fit belt infinitely adjustable - no getting caught between holes
- Airport and security friendly - this belt won't set off metal detectors
- No buckle to dig into your belly
- Non-Allergic belt - no buckle is great for those that develop rashes from belt buckles
- Non-Magnetic belt
- This belt releases quickly for hazardous work environments
- Non-conductive belt for working around electricity or wiring
- Perfect belt for people with arthritis - easy to fasten unlike traditional belts
