THE XTREME BELT

We took our best selling Xtreme belt and made it in a 1 3/4" width for those that want a super beefy belt. This belt is a beast in this width and is ready to hold anything you want to hang on it.

Made from solid 1-piece extra heavy duty leather we call "Xtreme Leather". The decorative edge stitching gives it a more refined look so this belt looks good with a wide range of pant styles. The Xtreme supports the heaviest firearms without sagging or stretching. So comfortable you will probably forget your firearm is there until you need it.

It's rugged attributes also make it the perfect work belt. Hang tool belts, knives, flashlights, and anything else you need for your job on this belt and it won't even flinch.

The heavy-duty roller buckle makes cinching this belt a breeze and it won't come apart under tough use. The buckle is secured with Chicago screws, not snaps. This makes the buckle easily swapped out without the worry of snaps coming undone under heavy use. Like all Hanks Belts, the Hanks Xtreme Belt is made right here in the USA.
