

Parsun Motor 5 Years Replacement Program

INFORMATION

In some motor physical damage cases, the repair cost plus two-way shipping fee is very high. So Parsun also provides this Motor Replacement Program for you to consider. This program is applicable to most returned Parsun units. It is set to maximize your Parsun motor investment protection in a long term. You don't have to buy Parsun Extra Protection Plan to be eligible for this program.

Your benefits from this program include: (1). Trade in your damaged and non-warranty covered motor for a good condition replacement unit; (2). Protect the residue value of the damaged motor and control the repair cost in a reasonable range. (3). Be available to buyers after purchasing their Parsun motors for up to 5 years; (4). No additional fee or extended warranty purchase required.

ADDITIONAL NOTE

(1) This program is only suitable for all Parsun motors purchased from Parsun USA direct channels. (2) The shipping cost may not be covered in this program. (3) Final trade-in value of the damaged motor will be evaluated and finalized by Parsun; (4) Following table -Motor Max Allowed Value provides a general trade-in value guideline for reference. (5) Motor damage caused by user serious mistake or malicious damage are not qualified in this program.
